Islands just following World War II The journal which addressed a time from June 7 1935 to December 28 2013 includes the important events of my life including my twenty seven years in the US Navy As could be expected there are more reflections from my years as a naval aviator flying combat missions in Vietnam and numerous secret missions against the Soviet Union during the Cold War Not as exciting but just as important was my journal following my naval service after my retirement in December 1982 Most importantly I have shared what took place in my life on June 9 1977 two days after my 42nd birthday and two days before my oldest son graduated from high school when I accepted Jesus Christ as the Lord and Savior of my life This event radically changed my life and immediately healed a broken family It also addressed the thirty plus years in which I was called as a volunteer to serve the least of these in our prison systems If I have a desire for the journal it would be that it encourage others to address the importance of their spiritual needs before age forty two and that it would challenge my grandchildren in their walk with Christ
