## **Making Opera The Creation Of Verdis La Forza Del Destino:**

*Alto* Dan H. Marek, 2016-10-20 Everyone is familiar with the words diva or prima donna which have come to mean a usually outrageous operatic soprano but there was a time when the star of the show was more often a contralto or a soprano singing in today's mezzo soprano range This performer was referred to as an alto In the 17th and 18th centuries the male and female leading roles were likely to be sung by emasculated males the alto castrati although there were many great female altos during this period as well The music for these fantastic artists written by such composers as Porpora Vinci Hasse and even Handel has been largely forgotten At the beginning of the 19th century as the castrati died out their roles were often assumed by female altos referred to as musici New repertoire continued to be written for them by Rossini and others but gradually this musical tradition and technique was lost Now however because of the talent and industry of such gifted artists as Marilyn Horne Cecilia Bartoli and Joyce DiDonato and the sudden ease with which the performance of these forgotten works can be obtained there is a resurgence of interest in the performance and preservation of this lost art Alto The Voice of Bel Canto examines the careers of nearly 320 great alto singers including the great castrati from the dawn of opera in 1597 to the present The music of the composers who wrote for the alto voice is discussed along with musical examples and suggestions for listening The exploration of the greatest altos careers and techniques offers inspiration for aspiring young singers as well as absorbing reading for the music lover who wants to know more about the fascinating world of opera

In this classic biography of composer Giuseppe Verdi, Frank Walker reveals Verdi the man through his connections with the individuals who knew him best. Walker focuses on some of the more significant people in Verdi's life and carefully scrutinizes his relationships with them. His wife, Giuseppina Strepponi, his student and amanuensis, Emanuele Muzio, the conductor who first fully understood Verdi's mature art, Angelo Mariani, the great prima donna, Teresa Stolz, the incomparable librettist and friend of his old age, Arrigo Boito, each passes before our eyes in Walker's meticulous reconstruction. As we learn more about them, we learn more about Verdi. We see him through the eyes of his closest friends; we watch his daily activities, his daily thoughts, his habits, his warmth, his domestic tyranny. The myth dissolves, and a human being stands before us. Philip Gossett, from the introduction.      Bowker's Complete Video Directory, 2000      The New York Clipper Almanac, 1879
