The Morville Hours Katherine Swift, 2011-05-01 Nobody writes about the garden like the English And few in England have ever been as eloquent or astute as Katherine Swift Some twenty years ago she and her husband leased a house in the town of Morville in Shropshire whose garden became her passion Driven to uncover its history she takes readers on a journey through time back to the forces that shaped the garden linking the stories of those who lived in the house and tended the same red soil with her family's own Spanning thousands of years *The Morville Hours* is also deeply personal a journey through the seasons but also one of self exploration of finding one's place in the world and putting
