*Basic Income and Sovereign Money* Geoff Crocker,2020-02-20 This is a radical thought provoking book which brings together debates that are often kept separate about basic income and sovereign money You might not agree with all of it but it makes big arguments and does so with constructive intent that of proposing alternative ways of organising our economy and welfare states Nick Pearce Director of The Institute for Policy Research University of Bath UK Though I have criticized modern money theory MMT for being too

facile regarding the consequences of money financed deficits I welcome this book s advocacy of a universal basic income MMT proponents have focused on the problem of employment Geoff Crocker wants to shift the focus to basic income and I believe he is right We are in an era of transition Employment was the fundamental problem of the 20th century Income distribution will be the fundamental problem of the 21st century We must begin transitioning the policy discourse now In coming decades we will need both employment and basic income policy It is good to have MMT advocates on board Thomas Palley independent economist Washington DC USA Geoff Crocker s book is a very stimulating and provoking contribution to the discussion of how to define identify and finance basic income It addresses very clearly the societal issue of a monetary basic income funding which will excite the discussion beside well known tax proposals and establishes the discussion on integrating basic income directly into crisis prevention and crisis solution Bernhard Neum rker G tz Werner Professor of Economic Policy Constitutional Economic Theory and Head of Freiburg Institute for Basic Income Studies FRIBIS at the University of Freiburg The current economic system is dysfunctional characterised by crises austerity excessive household and government debt low pay poverty inequality and ecological damage This needs a radical re think and re engineering of the economic system The standard explanation of the 2007 economic crisis is that banks behaved badly and governments failed to regulate But policies of tighter bank regulation quantitative easing and austerity failed and proved counter productive This book challenges this orthodox view From a careful analysis of long term economic data it shows that earned income has inexorably fallen behind economic output leading to huge increases in consumer debt causing the crisis Governments have sought to curtail deficit spending by socially harmful austerity policy The answer is a universal basic income funded by debt free sovereign money which also funds government social expenditure always limited by economic output to avoid inflation This book will appeal to policy makers academic economists think tank networks and everyone who is concerned with the ongoing dysfunctionality of the current economic system *Mint Your Money Mastery* Pasquale De Marco,2025-07-15 In a world where financial literacy is more crucial than ever *Mint Your Money Mastery* emerges as an indispensable guide for teenagers and young adults seeking to take control of their financial futures This comprehensive book provides a roadmap to financial freedom empowering readers with the knowledge and skills to navigate the complexities of money management investing entrepreneurship and career planning Through engaging storytelling and practical advice *Mint Your Money Mastery* dispels common money myths challenges limiting beliefs and instills a growth mindset that fuels financial success Readers will learn to create a budget that works for their lifestyle make smart spending choices and save for their future They ll also gain insights into different investment options helping them build a diversified portfolio and harness the power of compound interest Aspiring entrepreneurs will find inspiration and guidance as they explore the steps involved in starting their own business from identifying a viable business idea to securing funding and marketing their products or services The book also delves into the job market providing strategies for crafting a strong

resume acing interviews and negotiating a competitive salary With a focus on long term financial planning Mint Your Money Mastery guides readers through the process of saving for college understanding different types of college savings plans and applying for financial aid and scholarships It also explores the importance of risk management insurance and emergency funds helping readers protect their finances and prepare for unexpected challenges More than just a financial guide Mint Your Money Mastery is an empowering journey of self discovery helping readers develop a healthy relationship with money make informed financial decisions and achieve their financial goals It s a book that will equip the next generation with the knowledge confidence and skills to thrive financially and build a secure and prosperous future If you like this book write a review

*SUMMARY - Give People Money: How A Universal Basic Income Would End Poverty, Revolutionize Work, And Remake The World By Annie Lowrey* Shortcut Edition,2021-06-18 Our summary is short simple and pragmatic It allows you to have the essential ideas of a big book in less than 30 minutes As you read this summary you will discover that a basic universal income is not as utopian as it sounds You will also discover that the idea of a universal income is 2 000 years old that it is better to give money than bags of rice to fight poverty that all jobs could be given to robots in the surprisingly near future that a basic universal income can boost the labor market and entrepreneurship how to easily finance this universal basic income at seemingly insane cost The Universal Basic Income is currently gaining momentum Promoted in the United States by personalities as diverse as Silicon Valley tycoons Hillary Clinton and the Black Lives Matter movement it was the subject of a referendum in Switzerland in 2016 Dozens of experiments are underway around the world in both developed and developing countries The idea is simple periodically give all members of a community country region city a certain amount of money This is called basic because it is not enough to live well but covers basic needs a room in shared accommodation three meals a day and travel by public transportation And it is not conditional on any criteria of income employment or family status What would you do if you received a check for 1 000 euros every month Buy now the summary of this book for the modest price of a cup of coffee
