**Monitored Peril** Darrell Y. Hamamoto, 1994 Early in the movement of Asian labor to the United States immigrants from the Far East were viewed by the dominant Euro American society as a peril to a white Christian nation How far have we come since then This first comprehensive study of Asian American representation on network television supplies some unsettling answers A meticulous work of history cultural criticism and political analysis *Monitored Peril* illuminates the unstable relationship between the discursive practices of commercial television programs liberal democratic values and white supremacist ideology The book clearly demonstrates the pervasiveness of racialized discourse throughout U S society especially as it is reproduced by network television In treating his topic Darrell Hamamoto addresses a wide variety of issues facing diverse Asian American communities interracial conflict conservative politics U S Japan trade friction and postcolonial Vietnam Through an examination of selected programs from the 1950s to the present he attempts to correct the consistently distorted optic of network television Finally he calls for an engaged independent Asian American media practice and for the expansion of public sector television Publisher description

**Asian Americans and the Media** Kent A. Ono, Vincent N. Pham, 2019-12-18 *Asian Americans and the Media* provides a concise thoughtful critical and cultural studies analysis of U S media representations of Asian Americans The book also explores ways Asian Americans have resisted responded to and conceptualized the terrain of challenge and resistance to those representations often through their own media productions In this engaging and accessible book Ono and Pham summarize key scholarship on Asian American media as well as lay theoretical groundwork to help students scholars and other interested readers understand historical and contemporary media representations of Asian Americans in traditional media including print film music radio and television as well as in newer media primarily internet situated Since Asian Americans had little control over their representation in early U S media historically dominant white society largely constructed Asian American media representations In this context the book draws attention to recurring patterns in media representation as well as responses by Asian America Today Asian Americans are creating complex sophisticated and imaginative self portraits within U S media often equipped with powerful information and education about Asian Americans Throughout the book suggests media representations are best understood within historical cultural political and social contexts and envisions an even more active role in media for Asian Americans in the future *Asian Americans and the Media* will be an ideal text for all students taking courses on Asian American Studies Minorities and the Media and Race and Ethnic Studies

**The Animation Studies Reader** Nichola Dobson, Annabelle Honess Roe, Amy Ratelle, Caroline Ruddell, 2018-10-18 *The Animation Studies Reader* brings together both key writings within animation studies and new material in emerging areas of the field The collection provides readers with seminal texts that ground animation studies within the contexts of theory and aesthetics form and genre and issues of representation The first section collates key readings on animation theory on how we might conceptualise animation and on some of the fundamental

qualities of animation New material is also introduced in this section specifically addressing questions raised by the nature style and materiality of animation The second section outlines some of the main forms that animation takes which includes discussions of genre Although this section cannot be exhaustive the material chosen is particularly useful as it provides samples of analysis that can illuminate some of the issues the first section of the book raises The third section focuses on issues of representation and how the medium of animation might have an impact on how bodies gender sexuality race and ethnicity are represented These representations can only be read through an understanding of the questions that the first two sections of the book raise we can only decode these representations if we take into account form and genre and theoretical conceptualisations such as visual pleasure spectacle the uncanny realism etc
