Swindler,2012-09-20 Introduction to the Primates is a comprehensive but compact guide to the long evolutionary history of the world s prosimians monkeys and apes and to the much shorter history of humankind s interactions with them from our earliest recorded observations to the severe threats we now pose to their survival Daris Swindler provides a detailed description of the major primate groups and their environments from the smallest lemurs of Madagascar to the gorillas of central Africa He compares and contrasts the primate species looking at each with a specific anatomical focus The range of diversity emerges as the particular characteristics of the species becomes increasingly distinct Swindler also considers primate behavior and its close connections with environment and evolutionary differences His account of 65 million years of successful adaptation and evolution demonstrates the drama of paleontology as evidence accrues and gaps in the history of primate evolution gradually close The Rāmāyaṇa of Vālmīki: An Epic of Ancient India, Volume IV ,2016-09-06 This is the fourth volume of a translation of India s most beloved and influential epic tale the Ramayana of Valmiki As befits its position

at the center of the work Volume IV presents the hero Rama at the turning point of his fortunes Having previously lost first his kingship and then his wife he now forms an alliance with the monkey prince Sugriva Rama needs the monkeys to help him find his abducted wife Sita and they do finally discover where her abductor has taken her But first Rama must agree to secure for his new ally the throne of the monkey kingdom by eliminating the reigning king Sugriva's detested elder brother Valin The tragic rivalry between the two monkey brothers is in sharp contrast to Rama's affectionate relationship with his own brothers and forms a self-contained episode within the larger story of Rama's adventures This volume continues the translation of the critical edition of the Valmiki Ramayana a version considerably reduced from the vulgate on which all previous translations were based It is accompanied by extensive notes on the original Sanskrit text and on several untranslated early Sanskrit commentaries **The Ramayana of Valmiki** Vālmiki, Rosalind Lefebvre, Sheldon I. Pollock, 1984

Little Monkeys Saustin S. K. Mfuni, 2018-01-16 Life in Maasai Mara is just perfect so it seems to Punkey Lankey Shulley and Sankey four little monkeys who reside with their respective parents in the Kenyan natural game reserve Because Punkey and Shulley are red-tailed monkeys and Lankey and Sankey are vervets their parents do not want them to play with each other Although the monkeys do not see the differences between them they are soon swayed by their parents' advice and distance themselves from each other Although the Maasai Mara might be the coolest place on earth it is not all peace and tranquility in the game reserve As the plucky primates' eyes are opened to the undercurrent of fear and distrust that grips Maasai Mara they find the value in friendship despite their differences Now they are left to decide whether to allow the rampant monkeyism in the game reserve to destroy its progress or forge a new future where there is equality and opportunity for all As the curious and playful monkeys encounter danger mischief heartache and excitement in their journey to the truth now only time will tell if they will ever discover the joy of unity In this enchanting young adult tale four monkeys living in a beautiful African wildlife reserve navigate life and adventure together while searching for acceptance and harmony
