Ever wondered what bestselling authors think about on a daily basis? M.L. Ronn is the author of many books of fiction and nonfiction. This book series is a diary of all the lessons he's learning as he navigates how to master the craft of writing, marketing, and running a profitable publishing business. Most writers don't talk about the everyday lessons they learn because they might seem mundane, boring, or obvious. Many only start talking about their success once they've achieved it. This book is the exact opposite; it's about a writer learning how to be successful and documenting the process. The ideas in this book are what writers discuss over beers at writing conferences. They're insider ideas you may find them interesting and useful on your journey to becoming a successful writer. V1 0 **3-Minute**
