Monroe And Conecuh Counties Alabama Marriages:

Monroe and Conecuh County, Alabama Marriages, 1833-1880 Lucy Wiggins Colson, Robert Ellis Colson, 1983 Monroe County was formed from the Mississippi Territory in 1815 and at that time it had one of the largest populations and land masses of any county in the state This remained true until Conecuh Wilcox and Clarke counties were formed from it In 1835 there was a courthouse fire that destroyed all of Monroe county s records except the Orphan Court Minutes 1816 1821 The marriage records in this volume are among the earliest records on file in Monroe County They are transcribed just as they were recorded in Book A 1833 1880 There are about 4 000 marriages and approximately 13 000 names of individuals including bondsman minister From Introduction Descendants of William Cromartie and Ruhamah Doane Amanda Cook Gilbert, 2013 This ambitious work chronicles 250 years of the Cromartie family genealogical history Included in the index of nearly fifty thousand names are the current generations and all of those preceding which trace ancestry to our family patriarch William Cromartie who was born in 1731 in Orkney Scotland and his second wife Ruhamah Doane who was born in 1745 Arriving in America in 1758 William Cromartie settled and developed a plantation on South River a tributary of the Cape Fear near Wilmington North Carolina On April 2 1766 William married Ruhamah Doane a fifth generation descendant of a Mayflower passenger to Plymouth Stephen Hopkins If Cromartie is your last name or that of one of your blood relatives it is almost certain that you can trace your ancestry to one of the thirteen children of William Cromartie his first wife and Ruhamah Doane who became the founding ancestors of our Cromartie family in America William Jr James Thankful Elizabeth Hannah Ruhamah Alexander John Margaret Nancy Mary Catherine Jean Peter Patrick and Ann E Cromartie These four volumes hold an account of the descent of each of these first generation Cromarties in America including personal anecdotes photographs copies of family bibles wills and other historical documents Their pages hold a personal record of our ancestors and where you belong in the Cromartie family tree *Genealogy of the Ryals Family* Julius W. Ryals, 1986 *History of Conecuh County, Alabama* Benjamin Franklin Riley, 1881 **My Little, Steward (Stewart) Ancestors of the Southern States and Allied Lines, 1670-1997**, 1997 Doris Anita Little was born in 1925 in Alabama to James Herbert Little and Ellen Mae Steward Traces her paternal and maternal lines Traces the Little line back to Jonas Little of South Carolina who was born about 1755 The Steward line is traced back to John Steward Stewart who was born about 1810 1813 probably in Georgia **History of Alabama and Her People** Albert Burton Moore, 1927 *The Washingtons. Volume 5, Part 1* Justin Glenn, 2014-09-05 This is the fifth volume of Dr Justin Glenn s comprehensive history that traces the Presidential line of the Washingtons Volume One began with the immigrant John Washington who settled in Westmoreland Co Va in 1657 married Anne Pope and became the great grandfather of President George Washington It continued the record of their descendants for a total of seven generations Volume Two highlighted notable family members in the next eight generations of John and Anne Washington s descendants including such luminaries as General George S Patton the author Shelby Foote and the actor

Lee Marvin Volume Three traced the ancestry of the early Virginia members of this Presidential Branch back in time to the aristocracy and nobility of England and continental Europe Volume Four resumed the family history where Volume One ended and it contained Generation Eight of the immigrant John Washington's descendants Volume Five now presents Generation Nine including more than 10 000 descendants Future volumes will trace generations ten through fifteen making a total of over 63 000 descendants Although structured in a genealogical format for the sake of clarity this is no bare bones genealogy but a true family history with over 1 200 detailed biographical narratives These in turn strive to convey the greatness of the family that produced not only The Father of His Country but many others great and humble who struggled to build that country ADVANCE PRAISE I am convinced that your work will be of wide interest to historians and academics as well as members of the Washington family itself Although the surname Washington is perhaps the best known in American history and much has been written about the Washington family for well over a century it is surprising that no comprehensive family history has been published Justin M Glenn's *The Washingtons A Family History* finally fills this void for the branch to which General and President George Washington belonged identifying some 63 000 descendants This is truly a family history not a mere tabulation of names and dates providing biographical accounts of many of the descendants of John Washington who settled in Westmoreland County Virginia in 1657 Each individual section is followed by extensive listings of published and manuscript sources supporting the information presented and errors of identification in previous publications are commented upon as appropriate John Frederick Dorman editor of *The Virginia Genealogist* 1957 2006 and author of *Adventurers of Purse and Person* Decades of reviewing Civil War books have left me surprised and delighted when someone applies exhaustive diligence to a topic not readily accessible Dr Glenn surely meets that standard with the meticulous research that unveils the Washington family in gratifying detail many of them Confederates of interest and importance Robert K Krick author of *The Smoothbore Volley that Doomed the Confederacy and Stonewall Jackson at Cedar Mountain*
