Monsoon Season William Q. Wu,1996 Mircea Eliade: Autobiography Mircea Eliade,2024-05-31 Here finally are Eliade s memoirs of the first thirty years of his life in Mac Linscott Rickett s crisp and lucid English translation They present a fascinating account of the early development of a Renaissance talent expressed in everything from daily and periodical journalism realistic and fantastic fiction and general nonfiction works to distinguished contributions to the history of religions Autobiography follows an apparently amazingly candid report of this remarkable man s progression from a mischievous street urchin and literary prodigy through his various love affairs a decisive and traumatic Indian sojourn and active brilliant participation in pre World War II Romanian cultural life Seymour Cain Religious Studies Review Eurasian Emma Teng,2013-07-13 In the second half of the nineteenth century global labor migration trade and overseas study brought China and the United States into close contact leading to new cross cultural encounters that brought mixed race families into being Yet the stories of these families remain largely unknown How did interracial families negotiate their identities within these societies when mixed race marriage was taboo and Eurasian often a derisive term In Eurasian Emma Jinhua Teng compares Chinese Western mixed race families in the United States China and Hong Kong examining both the range of ideas that shaped the formation of Eurasian identities in these diverse contexts and the claims set forth by individual Eurasians concerning their own identities Teng argues that Eurasians were not universally marginalized during this era as is often asserted Rather Eurasians often found themselves facing contradictions between exclusionary and inclusive ideologies of race and nationality and between overt racism and more subtle forms of prejudice that were counterbalanced by partial acceptance and privilege By tracing the stories of mixed and transnational families during an earlier era of globalization Eurasian also demonstrates to students faculty scholars and researchers how changes in interracial ideology have allowed the descendants of some of these families to reclaim their dual heritage with pride **Autobiographies** ,1827 **The autobiography of Thomas Anthony Methuen [ed.] with a memoir by T.P.
