world character driven fantasy without romance *Shattered Landing: High Fantasy of Monsters and Magic* Alice Sabo, 2021-08-01 Sylvie has been the soul seeker for a small village on an island in the Great Sea for all of her life. She makes sure that all of the fishermen make it back home regardless of storms or accidents. When a stranger arrives in a boat propelled by magic, her life is upended. Ludwyn demands that she join him on a mission to find the perpetrator of forbidden magic. He wants to use her ability to locate an extremely dangerous wizard. Despite her reluctance to leave her village, she is intrigued. Along the way, they meet up with more Dwyners and soldiers, people who she considers to have more appropriate skills for this perilous endeavor. Incursions of bloodthirsty monsters from a different plane delay their quest. The barriers between worlds are thinning. Somehow they must prevail to protect the people of Haroon from a flood of lethal creatures, but the hardships she faces are almost enough to break her.

Scary Monsters and Super Creeps Dom Joly, 2021-09-02 Dom Joly sets off round the world, but this time he's not looking to holiday in a danger zone; he's monster hunting. Ever since he was given a copy of Arthur C. Clarke's *Mysterious World* for his ninth birthday, Dom has been obsessed with the world of cryptozoology, monster hunting, and in *Scary Monsters and Super Creeps*, he heads to six completely different destinations to investigate local monster sightings. He explores the Redwood Curtain in northern California in search of Sasquatch; in Canada, he visits Lake Okanagan hoping to catch a glimpse of a thirty-foot snake-like creature called Ogopogo; and near Lake Tanganyika in Congo, he risks his life tracking the vegetarian sauropod Mokele Mbembe. Naturally, he heads to Loch Ness, but for this hunt, he has his family in tow. He treks across the Khumbu Valley in Nepal looking for Yeti, and in the hills above Hiroshima in Japan, he enlists the help of a local man to find the Hibagon, a terribly smelly caveman ape. Are the monsters all the product of fevered minds, or is there a sliver of truth somewhere in the madness? Either way, the search gives Dom an excuse to dive into six fascinating destinations on a gloriously nutty adventure. In typically hilarious and irreverent fashion, Dom explores the cultures that gave rise to these monster myths and ends up in some pretty hairy situations with people even stranger than the monsters they are hunting.
