

## **My Summer Vacation**

**A time of fun and joy,  
In which I did enjoy,  
Learning and games both came,  
I treated them the same.**

**A time of rest and enjoyment,  
In which we do give vent,  
To our happiness after examinations,  
And free up our tensions.**

**A time needed for students everywhere,  
After the heavy wear and tear,  
Of examinations that test their ability,  
They are finally free.**

**A time to pursue hobbies and interests,  
To do things in others behests,  
It is a time that all crave for,  
And of what students want more.**

**It is a time to visit family,  
Who for long they have not seen,  
However, it ends too early,  
And then students have to go and study.**

**It certainly is a boon to students,  
To be given rest after the examinations,  
It indeed is time for refreshments,  
Time for a lot of happiness and fun.**

**Indeed student like this time,  
In which study is not given a dime,  
It certainly is filled with lots of festivity,  
In which children can develop their creativity.**

**Summer Vacations is of course very important,  
For the children it is indeed and always God-sent.**

outpouring of verse after 9 11 who can forget Adam Zagajewski's Try to Praise the Mutilated World and more recently stunning poems in response to the cataclysmic events of COVID and the murder of George Floyd The magazine's poetic influence resides not just in this historical and cultural relevance but in sheer human connection exemplified by the passing verses that became what Young calls refrigerator poems the ones you tear out and affix to the fridge to read again and again over months and years Our love for that singular Billy Collins or Ada Limón poem or lines by a new writer you've never heard of but will hear much more from in the future is what has made The New Yorker a great organ for poetry a mouthpiece for our changing culture and way of life even a mirror of our collective soul
