

Biting Forces Can Loosen Teeth As Bone Loss Progresses

Even normal forces can cause tooth looseness, when bone support has been lost due to periodontal (gum) disease.

My Tooth Is Loose:

Glimpses of Oneida Life Karin Michelson, Norma Kennedy, Mercy A. Doxtator, 2016-05-09 *Glimpses of Oneida Life* is a remarkable compilation of modern stories of community life at the Oneida Nation of the Thames Settlement and the surrounding area. With topics ranging from work experiences and Oneida customs to pranks, humorous encounters and ghost stories, these fifty-two unscripted narrations and conversations in Oneida represent a rare collection of first-hand Iroquoian reflections on aspects of daily life and culture not found in print elsewhere. Each text is presented in Oneida with both an interlinear word-by-word translation and a more colloquial translation in English. The book also contains a grammatical sketch of the Oneida language by Karin Michelson, co-author of the *Oneida English-English Oneida Dictionary* that describes how words are structured and combined into larger linguistic structures, thus allowing *Glimpses* to be used as a teaching text as well. The engrossing tales in *Glimpses of Oneida Life* will be a valuable resource for linguists and language learners, a useful source for those studying the history and culture of Iroquois people in the twentieth century, and an entertaining read for anyone interested in everyday First Nations life in southern Ontario.

Dental Health Education Lori Gagliardi, 2014-09-30 Dental disease is the most widespread public health problem among the school-age population in the United States today, states the author of this first of its kind book to combine dental health information and lesson plans for K-6 teachers, hygienists, and school nurses. Loaded with valuable information, the up-to-date workbook addresses the role of the dental health educator in getting children to learn how to properly take care of their teeth. Reader-friendly, it offers simple ways to achieve excellence in oral hygiene beyond trips to the dentist, along with the rationale for proven modern techniques. Educators will welcome Gagliardi's ten complete lesson plans, visual aids, supplemental material, and tips on integrating dental health into academic curricula. It is also an essential companion for any comprehensive dental disease prevention program in the community.

The Other Side Timothy R. Ronald, 2023-09-19 *The Other Side* is a story about what I experienced when my heart stopped beating and I stopped breathing. I write about how things might be on The Other Side. If this happened to 10 people, there would be 10 different stories. All of this is what I believe to be true. I have been given a gift, a good memory from my childhood to adulthood. I have always had the knack for details.
