Human Rights: Undead Set on Living Damon Rathe,2014-04-14 It s not easy being a zombie I d only just been turned when I suddenly had conversion targets to meet death quotas to fill and my team leader getting on my back This whilst all the trying to come to terms with being shot at losing limbs a body that doesn t work properly anymore and my newly found addiction to lovely squishy juicy brains It was just too much and my counsellor for the recently deceased hadn t been any help But at least it was an ordered democratic society and I had a place in it even if it was against my will That was until the bomb dropped creating the dictatorial super mutant zombies that took over and now it s all out war against the humans The Supers are only interested in the complete annihilation of humankind not the human zombie paradox So why should I care I m a zombie right I want the best for my race I should hate the humans want to destroy them as well However something told me this was wrong For some reason I had ethics and thoughts that just weren t in keeping with the status quo I seemed to have evolved beyond them and I didn t know why I didn t want this war I didn t want humans to become extinct Surely they have rights too Human Rights But I was just one zombie in a horde of millions what could I do Written by the co author of the book *Souls of Darkness*
