Miguel de Cervantes Saavedra,1895      *Earliest times to the death of Robert Bruce, 1329* Thomas Thomson,1896      A Valiant Knight/My Lord's Desire/the Notorious Knight Margaret Moore,2018-07-02 My Lord s Desire She had sworn never to marry never to allow any man to claim her or her lands Yet when dark whispers in castle corridors threw Lady Adelaide into the arms of a valiant knight the beautiful heiress began to rethink her solemn vow To ransom his captive brother Armand de Boisbaston had great need of a wealthy and willing wife Fate sent him Lady Adelaide instead A woman who claimed she wished to avoid the marriage bed yet whose lips told a different tale Now dangerous intrigues have forced them into a match as inescapable as the burgeoning passion that grows between them The Notorious Knight Far from the intrigues of the king s court all Lady Gillian desired was to keep her family s estate safe and to honour her vow never to marry Then Sir Bayard de Boisbaston arrived at Averette Castle to warn of possible danger and protect all within Who was this man No matter that he was surely the handsomest knight in the realm and made her rethink her steadfast vows Chivalry demanded Sir Bayard protect Lady Gillian though he never expected to do battle with the lady herself Gillian was a woman of fire and spirit who soon had Bayard plotting a conspiracy One to convince Lady Gillian that a knight of her own was useful not only on the battlefield but in the bedroom as well      **Prejudice in Love** Stephen Box,2020-08-25 A loving relationship can be defined as two imperfect people who refuse to give up on each other But what if ignorance and alienation become a dominant force within and external prejudice becomes a barrier Cis a beautiful coloured twenty eight year old fashion writer and Andy a twenty eight year old Scottish businessman have been together since university days and married for two years Both are inexperienced lovers too busy to care and are sleepwalking their way to divorce over the desire for a child Whilst escaping a storm Cis has a chance meeting with a much older and significantly more experienced professional man Paul Whilst sheltering her from the storm Paul realises her dilemma and starts to educate her in the skills and delights that she so needs for a successful marriage She wants more including giving her his child much against his better judgment as he has a painful history regarding wives and children Then she wants Paul as well in spite of the clear prejudice that such a relationship would foster for both of them in society And she will go to any length to keep him This is a story of prejudice generational value differences and want over need regardless of the consequences in a culture of I want it all and I want it now      **A History of the Scottish People from the Earliest Times: Earliest times to the death of Robert Bruce, 1329** Thomas Thomson,1896      **Perceforest** ,2011 A highly readable version of this remarkable and largely unexplored work Perceforest is one of the largest and certainly the most extraordinary of the late Arthurian romances Justly described as an encyclopaedia of 14th century chivalry and a mine of folkloric motifs it is the subject of rapidly increasing attention and research The author of Perceforest draws on Alexander romances Roman histories and medieval travel writing not to mention oral tradition as he gives for example the distinctly racy first written version of the Sleeping Beauty story to create a remarkable prehistory of King Arthur s Britain It begins with the arrival in Britain of Alexander the Great His follower Perceforest the first of Arthur s

Greek ancestors is made king of the island and finds it infested by the evil clan of Darnant the Enchanter Magic plays a dominant part in the adventures which follow as Perceforest ousts Darnant's clan despite their supernatural powers He founds the knightly order of the Franc Palais an ideal of chivalric civilisation prefiguring the Round Table of Arthur and indeed that of Edward III But that civilisation is the author shows all too fragile The vast imaginative scope of Perceforest is matched by its variety of tone ranging from tales of love and enchantment to bawdy comedy from glamorous tournaments to unvarnished descriptions of the havoc wrought by war And the author's surprising view of pagan gods and the coming of Christianity is as fascinating as the prominence he gives to women and his understanding of how the world of chivalry should work Because of its enormous length it runs to over a million words Nigel Bryant has provided a version which gives a complete account of every episode linking extensive passages of translation to make a manageable and highly readable version including the previously unpublished Books Five and Six of this remarkable and largely unexplored work Nigel Bryant has worked as a producer for BBC Radio 3 and as head of drama at Marlborough College This is his fourth major translation of medieval Arthurian romance
