My Week With Marilyn:

My Week with Marilyn Colin Clark, 2011-10-04 Imagine sneaking away to spend seven days with the most famous woman in the world In 1956 fresh from Oxford University twenty three year old Colin Clark began work as a lowly assistant on the set of *The Prince and the Showgirl* the film that united Sir Laurence Olivier with Marilyn Monroe The blonde bombshell and the legendary actor were ill suited from the start Monroe on honeymoon with her new husband the celebrated playwright Arthur Miller was insecure often late and heavily medicated on pills Olivier obsessively punctual had no patience for Monroe and the production became chaotic Clark recorded it all in two unforgettable diaries the first a charming fly on the wall account of life as a gofer on the set the other a heartfelt intimate and astonishing remembrance of the week Clark spent escorting Monroe around England earning the trust and affection of one of the most desirable women in the world Published together here for the first time the books are the basis for the upcoming major motion picture *My Week with Marilyn* starring Michelle Williams Judi Dench and Kenneth Branagh England was abuzz when Monroe arrived to shoot *The Prince and the Showgirl* She hoped working with the legendary Olivier would give her acting further credibility while he hoped the film would give his career a boost at the box office and some Hollywood glamour But Monroe feeling abandoned when Miller left the country for Paris became difficult on the set Clark was perceptive in his assessment of what seemed to be going wrong in Monroe's life too many hangers on intense insecurity and too many pills Olivier meanwhile was impatient and condescending toward her At a certain point feeling isolated and overwhelmed Monroe turned her attention to Clark who gave her comfort and solace Before long she escaped the set and a remarkable true adventure took place Monroe and Clark spent an innocent week together in the English countryside and Clark became her confidant and ally And like any man would be expected to he fell a bit in love Clark understood how best to handle Monroe and became Olivier's only hope of getting the film finished Before long young Colin was in over his head and his heart may well have been broken by the world's biggest movie star A beguiling memoir that reads like a fable *My Week with Marilyn* is above all a love letter to one of our most enduring icons

Why theory? Edward Tomarken, 2017-06-17 Edward Tomarken's previous book *Filmspeak* was a study of literary theory in relation to contemporary mainstream films Some of the abstruse ideas of early literary theorists 1950-70 had in fact permeated our thinking to such an extent that both films and theories enriched and shed light upon one another One early response to *Filmspeak* was the question *Why theory?* a remark that provides the title of this new and exciting exploration of literature In pursuit of an answer Tomarken turns to the second generation of critics 1970-2000 and analyses television programmes as well as films He considers scholars such as Clifford Geertz and Martha Nussbaum who saw themselves as working in the field of cultural studies *Why theory?* thus has a dual focus on both culture and literary theory The result of integrating cultural ideas with media interpretation sees Tomarken grapple with the question of the title theory has become a part of our cultural life
