Main Street Mindy Thompson Fullilove, 2020-09-08 Mindy Thompson Fullilove traverses the central thoroughfares of our cities to uncover the ways they bring together our communities After an 11 year study of Main Streets in 178 cities and 14 countries Fullilove discovered the power of city centers to help us name and solve our problems In an era of compounding crises including racial injustice climate change and COVID 19 the ability to rely on the power of community is more important than ever However Fullilove describes how a pattern of disinvestment in inner city neighborhoods has left Main Streets across the U S in disrepair weakening our cities and leaving us vulnerable to catastrophe In the face of urban renewal programs built in response to a supposed lack of personal responsibility Fullilove offers a different story that of a series of forced displacements that had devastating effects on inner city communities Through that lens we can appreciate the strength of segregated communities that managed to temper the ravages of racism through the Jim Crow era and build political power and many kinds of wealth Only a very well integrated powerful community one with deep spiritual principles could have accomplished such a feat This is the power she hopes we will find again Throughout Main Street readers glimpse strong vibrant communities who have conquered a variety of disasters from the near loss of a beloved local business to the devastation of a hurricane Using case studies to illustrate her findings Fullilove turns our eyes to the cracks in city centers the parts of the city that tend to be avoided or ignored Providing a framework for those who wish to see their communities revitalized Fullilove's Main Street encourages us all to look both inward and outward to find the assets that already exist to create meaningful change

**1861-1865** Myrta Lockett Avary, 2023-10-25 In *A Virginia Girl in the Civil War 1861 1865* Myrta Lockett Avary presents a poignant and evocative account of a young woman's experiences during one of America's most tumultuous periods. Written in the first person, the narrative captures the blend of personal trials and broader societal upheaval, employing a reflective prose that intertwines vivid imagery with emotional depth. Avary's work emerges within the context of Southern literature, serving as both a memoir and a historical document that deeply engages with themes of resilience, sacrifice, and the impact of war on domestic life. Her detailed descriptions and personal anecdotes provide not only an intimate glimpse into her life but also a broader commentary on the struggles faced by women in the South during the Civil War. Myrta Lockett Avary, born into a prominent Virginia family, was shaped by her upbringing in a region that profoundly felt the weight of the Civil War. Her personal experiences and family history offer a lens through which she navigates the complexities of loyalty, heritage, and the socio-political landscape of her time. Avary's acute observations reveal the psychological effects of war on both the individual and the community, underscoring her ability to transform personal narrative into a universal discourse on loss and hope. **Walking through Fire** Nawal El Saadawi, 2018-05-15 Words should not seek to please; to hide the wounds in our bodies or the shameful moments in our lives. They may hurt, give us pain, but they can also provoke us to question what we have accepted for thousands of years. Nawal El Saadawi is one of the greatest writers to come out of the Arab world. Born in a small Egyptian village in 1931, her life and writings have shown an extraordinary strength of character and a unique ability to create new worlds in the fight against oppression. Saadawi has been pilloried, censored, imprisoned, and exiled for her refusal to accept the oppression imposed on women by gender and class. Still, she continues to write. In *A Daughter of Isis*, Nawal El Saadawi painted a beautifully textured portrait of the childhood that moulded her into a novelist and fearless campaigner for freedom and the rights of women. *Walking through Fire* takes up the story of her extraordinary life. We read about her as a rural doctor trying to help a young girl escape from a terrible fate imposed on her by a brutal male tyranny. We learn about her activism for female empowerment and the authorities that try to obstruct her. We travel with her into exile after her name is put on a fundamentalist death list. We witness her three marriages, each offering in their way love, companionship, and shared struggle. And we gain an unprecedented insight into this most wonderful of creative minds.

**Lay It on My Heart** Angela Pneuman, 2014-07-01 For a Kentucky girl coming of age, taking a leap of faith in a novel that will knock you sideways with its Southern charm. O, The Oprah Magazine. It's summer in Kentucky. The low ceiling of August is pressing down on the religious town of East Winder, and on thirteen-year-old Charmaine Peake, who can't shake the

feeling that she's being tested. She and her mother get along better with a room between them but circumstances have forced them to relocate to a tiny trailer by the river. The last in a line of local holy men, Charmaine's father has turned from prophet to patient; his revelation lost in the clarifying haze of medication. Her sure-minded grandmother has suffered a stroke. And at church where she has always felt most certain, Charmaine discovers that her archrival, a sanctimonious missionary kid, carries a dark, confusing secret. Suddenly, Charmaine's life can be sorted into what she wishes she knew and what she wishes she didn't. In a moving, hilarious portrait of mothers and daughters, one of the most astonishingly talented writers today brings us into the heart of a family weathering the toughest patch of their lives. But most of all, Angela Pneuman marks out the seemingly unbearable realities of growing up, the strength that comes from finding real friendship and the power of discovering and accepting who you are. Julie Orringer. Pneuman captures the voice of adolescence and the uncertainty of faith in this endearing novel. Minneapolis Star Tribune. Pneuman is a master of dark comedy and the grimmer the material, the funnier it becomes in her twisted but capable hands. Like her literary ancestor Flannery O'Connor, she shows how myopic allegedly religious people can be, but she doesn't take cheap shots at religion either. San Francisco Chronicle. **American Trail** Ted Field, 2019-11-29. American Trail is a story of redemption and a young man's search for it. Jack Gale is a Baby Boomer, a member of that loud, narcissistic generation that grew up believing the American Dream was its entitlement. My generation was the first to grow up with television, so how Jack begins his story. It was the 1950s, an age of innocence when TV sitcoms taught families how to be dutiful, conforming, and child-centered. On Saturday mornings, kids sat on the floor watching cartoons and learned from the commercials what cereals their mothers should buy, the ones with the best toys boxed inside. Hey, kids, tell your mom they were told. The stuff of Jack's boyhood is Davy Crockett caps, Daisy air rifles, and American Bandstand. But so are fallout shelters in the basement and A-bomb drills in grade school. While he is in college, Jack's charmed life takes an unexpected turn one night when he draws a low number in the national draft lottery and suddenly the threat of military service in Vietnam darkens his Dream. From there, he chooses a new trail, one that passes through some of his generation's defining touchstones: anti-war rallies, Woodstock, failed idealism, and a bohemian search for fulfillment. The trail takes him to a battleground with his father where they fight over differences in ambition, values, and duty. When Jack learns of a sociologist's claim that America's general happiness peaked in 1957 and has been declining ever since, he sees it as a reflection of his own life. Ultimately, he realizes his Dream was a gift and a debt to repay and finds redemption in the most unlikely place. **Shoe Retailer and Boots and Shoes Weekly**, 1904.
