Like a Bride and Like a Mother Rosa Nissán, 2013-02-15 These two autobiographical novels lay bare the life journey of a Mexican Jewish woman reconciling herself with a Sephardic background her parent's dictates and her husband's and family's expectations The only constant in her life is a need to find her own way and the story of how she does so is intensely personal and yet universal in its humanness This quest begins in Oshinica's childhood at about age ten she's taken from the public school in Mexico City and placed in a Jewish one There she begins to understand what it means to be Jewish Though somewhat indifferent to Hebrew lessons she warms to the teacher who shares experiences of the Holocaust and learns that being Jewish means being different Oshinica's family thwarts her desire to enter the university and instead she's pushed into marriage at age seventeen

Children follow quickly four in all and into the 1960s Oshinica tries to be a dutiful wife and mother while continuing to be an obedient daughter But the insular Jewish neighborhood that sheltered and defined her life is impinged upon as modernity transforms Mexico City Seeing films like the Fellini movie 8 1 2 and experiencing a culturally changing capital city sets her on a quest for her own voice and space Eventually she separates and divorces supports herself as a commercial photographer and enrolls in a creative writing course taught by Elena Poniatowska one of Mexico's most prominent women authors The short pieces begun in that course evolved into these two novels The remarkable story they tell is how Oshinica's many and often painful journeys of discovery led to a personal peace I've never met a person so natural and spontaneous Rosa Niss n adapts herself to life the way a plant adapts itself to the soil or the sun Elena Poniatowska *The Objects That Remain* Laura Levitt,2020-11-02 On a November evening in 1989 Laura Levitt was raped in her own bed Her landlord heard the assault taking place and called 911 but the police arrived too late to apprehend Laura's attacker When they left investigators took items with them a pair of sweatpants the bedclothes and a rape exam was performed at the hospital However this evidence was never processed Decades later Laura returns to these objects viewing them not as clues that will lead to the identification of her assailant but rather as a means of engaging traumatic legacies writ large *The Objects That Remain* is equal parts personal memoir and fascinating examination of the ways in which the material remains of violent crimes inform our experience of and thinking about trauma and loss Considering artifacts in the United States Holocaust Memorial Museum and evidence in police storage facilities across the country Laura's story moves between intimate trauma the story of an unsolved rape and genocide Throughout she asks what it might mean to do justice to these violent pasts outside the juridical system or through historical empiricism which are the dominant ways in which we think about evidence from violent crimes and other highly traumatic events Over the course of her investigation the author reveals how these objects that remain and the stories that surround them enable forms of intimacy In this way she models for us a different kind of reckoning where justice is an animating process of telling and holding **The National Geographic Magazine** ,1921 Indexes kept up to date with supplements **Good Housekeeping** ,1927 The Second Door Michael Liebowitz,Grace Liebowitz,2024-11-01 Susie and Grady are a couple of average kids on a weekend getaway with their parents until they explore the creepy old hotel As the children soon discover some doors are never meant to be opened Some places are better left unexplored and some nightmares are more than just bad dreams They will need each other to survive They will need each other to make it back alive as their strength their love and their faith will all be tested Follow Susie and Grady on an adventure through the second door and see what magic awaits them there **Country Life** ,1986 **Producing Women** Michele White,2015-03-02 *Producing Women* examines the ways femininity is produced through new media Michele White considers how women are constructed produce themselves as subjects form vital production cultures on sites like Etsy and deploy technological processes to reshape their identities and digital characteristics She studies the means through which women market
