American Kennel Gazette ,1972 **Al Capone** Deirdre Bair,2016-10-25 From a National Book Award winning biographer
 the first complete life of legendary gangster Al Capone to be produced with the cooperation of his family who provided the
 author with exclusive access to personal testimony and archival documents From his heyday to the present moment Al
 Capone Public Enemy Number One has gripped popular imagination Rising from humble Brooklyn roots Capone went on to
 become the most infamous gangster in American history At the height of Prohibition his multimillion dollar Chicago
 bootlegging prostitution and gambling operation dominated the organized crime scene His competition with rival gangs was
 brutally violent a long running war that crested with the shocking St Valentine s Day Massacre of 1929 Law enforcement and
 the media elite seemed powerless to stop the growth of his empire And then the fall a legal noose tightened by the FBI a
 conviction on tax evasion Alcatraz After his release he returned to his family in Miami a much diminished man living quietly
 until the ravages of his neurosyphilis took their final toll But the slick mobster persona endures immortalized in countless
 novels and movies The true flesh and blood man behind the legend has long remained a mystery Unscrupulous newspaper
 accounts and Capone s own tall tales perpetuated his mystique but through dogged research Deirdre Bair debunks the most
 outrageous of these myths With the help of Capone s descendants she discovers his essential humanity uncovering a complex
 character that was flawed and sometimes cruel but also capable of nobility And while revealing the private Al Capone a
 genuine family man as remembered by those who knew him best Bair relates how his descendants have borne his weighty
 legacy Rigorous and intimate *Al Capone* provides new answers to the enduring questions about this fascinating figure who
 was equal parts charismatic gangster devoted patriarch and calculating monster
