Butterfly* Muhammad Ali,Hana Yasmeen Ali,2004-11-16 Former boxing legend Muhammad Ali one of the best known and best
loved celebrities and an international goodwill ambassador offers inspiration and hope as he describes the spiritual
philosophy that sustains him During my boxing career you did not see the real Muhammad Ali You just saw a little boxing You
saw only a part of me After I retired from boxing my true work began I have embarked on a journey of love So Muhammad Ali
begins this spiritual memoir his description of the values that have shaped and sustained him and that continue to guide his
life In *The Soul of a Butterfly* the great champion takes readers on a spiritual journey through the seasons of life from
childhood to the present and shares the beliefs that have served him well Ali reflects on his faith in God and the strength it
gave him during his greatest challenges He describes how his study of true Islam has helped him accept the changes in his
life and has brought him to a greater awareness of life s true purpose As a United Nations Messenger of Peace he has
traveled widely and he describes his 2002 mission to Afghanistan to heighten public awareness of that country s desperate
situation as well as his more recent meeting with the Dalai Lama Ali s reflections on topics ranging from moral courage to
belief in God to respect for those who differ from us will inspire and enlighten all who read them Written with the assistance
of his daughter Hana *The Soul of a Butterfly* is a compassionate and heartfelt book that will provide comfort for our troubled

Braeshear (co-author),2022-08-01 Many books and movies have been created by telling the story of my brother Muhammad
Ali However before I am called home I want to share some of my life stories and memories with this book so people can learn
more about my family my brother and me through the eyes of a member of the Clay Ali family I was there from the beginning
and witnessed first hand how our family s lives were changed as The Greatest of all Time emerged from being a fun loving
kid on the streets of Louisville Kentucky to becoming an icon recognized around the world The memories I share in this book
are ones that I will treasure forever Living through these experiences helped shape my life and made me the man I am today
I can say for a fact that no other man took as many punches from the champ as I did as a result of the training and sparring
sessions that we had over the years together It is my hope that after reading my story and accounts of key events in my
family s life you will walk away with an even greater appreciation of the Clay Ali family name history and legacy I encourage

you to treasure each day and strive for your own personal greatness Peace be upon you As salamu alaykum Rahaman Ali a k
