China's Major Mysteries Paul Dong, 2000 Originally published Englewood Cliffs N J Prentice Hall c1984

SPECIAL REPORT 2011: Hitler's Secret

UFO Weapons Jack Follett, 2010 UFO sightings during and after World War II can be traced back to the German weapons makers and their amazing use of electro gravity to power their own manmade ships Many of the ships appear to bear the sign of the Nazi cross on their outer skin which is shown in several of the more dramatic photos in the same way that an airplane would bear insignia on its wings and fuselage This is further borne out by actual newsclippings from The New York Times in which U S soldiers in Europe reported seeing colored spheres flying both singly and in clusters during the war The idea that the Germans were using a secret base in Antarctica to house and maintain their so called UFOs is examined and Admiral Byrd s famous exploratory trip to the frozen south is explained as a military attack on the Nazi stronghold disguised as a scientific mission Apparently the U S forces were no match for the Nazi airships which shot down several planes and forced Byrd s troops to retreat

Ufos A. R. Roberts, 2016-12-01 UFOs What Is the Government Really Covering Up is not just another book about the 1947 Roswell crash Ingeniously Roberts takes a step back and offers an in depth survey of the UFO phenomenon as a whole Using familiar case studies of alien encounters as examples he casts a wide net that shows a clear pattern of extraterrestrial visitation and the ensuing cover up by US and world governments In the end the reader cannot help coming away with the same conclusion that something is going on and our government knows it A must read for those interested in ufology conspiracy theories and ancient aliens

Rita Louise PhD author of ET Chronicles What Myth and Legend Say about Human Origin While a seemingly unexplained event in Roswell New Mexico in 1947 exposed the American people to the phenomenon of unidentified flying objects or UFOs these mysterious sightings have a history that reaches far back into our collective past Ancient megalithic structures biblical stories and even prehistoric art and cave paintings point to the existence of nonterrestrial life and with advanced technology new recordings and the Internet more evidence points to their continued presence today Why then do we the public know so little Why has the media ignored credible reports from eyewitnesses and ufologists And why have world governments suppressed these facts from their citizens The UFO enigma is an extremely complex jigsaw puzzle comprised of many pieces However they fit together in a way that presents a cohesive theory when you connect all the dots

The Top Books of the Year Mysteries Of Ufos The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have captivated audiences this year. Mysteries Of Ufos : Colleen Hoover "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Mysteries Of Ufos : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
