The Mysterious Librarian, Dominique Demers, 2017-06-06. When the mysterious and eccentric Miss Charlotte arrives in the village of Saint Anatole to take over the tiny library, the locals are surprised to find out that she does things differently. Wearing a long blue dress and a giant hat, she takes her books out for a walk in a wheelbarrow and shows the children that reading can be fun and useful. Sometimes she is so caught up in the magic of the stories she shares with her audience that she forgets all sense of reality so much so that one day she loses consciousness and the children must find a way to bring her back. The second in Dominique Demers's popular *The Adventures of Miss Charlotte* series, *The Mysterious Librarian*, brilliantly illustrated by Tony Ross, is a wonderful story about the magical and inspiring power of books.
