books and for his commitment to bringing the experiences of non dominant authors and illustrators to the world Yet in the summer of 2001 he wrote an essay that argued against awards such as the Pure Belpre and Coretta Scott King prizes for which you must be a member of a given ethnic group to win Not surprisingly his article was very controversial and the author and publisher Andrea Davis Pinkney who had created an imprint specifically designed to be of by and for African Americans published a thoughtful reply Here in Beyond the Pale Aronson explains the passionate convictions that led him to write his essay and outlines objections made by others then reprints the original alongside Pinkney s response As Aronson prepared a formal response to his critics the attacks of September 11th took place This tragedy simultaneously made a squabble among authors seem petty and the issues around art society and cultural diversity all the more important Throughout 2001 and 2002 Aronson wrote essays in which he weighed out how art history and books for younger readers could respond to the altered world As in his previous collection Exploding the Myths the Truth About Teenagers and Reading he exposes the mythologies and false beliefs that distort our understanding of books and their readers Provocative and informative this collection of essays will challenge those who know children s literature well to think in new ways while linking the debates within that industry to the wider intellectual currents of our time Using Beloved Classics to Deepen Reading Comprehension Monica Edinger,2001 Teacher Monica Edinger shares fantastic literature response activities that encourage students to dig deep into favorite books mining them for meaning and connections to real life and other texts As they analyze literary elements and interpret story events students practice reading strategies and hone comprehension skills Includes reproducible student response packets discussion questions literature connections Internet links and background information for units on Charlotte s Web Cinderella Alice in Wonderland and The Wizard of Oz For use with Grades 3 6
