Fandrich, 2005-04-21 This study around the New Orleans area investigates the emergence of powerful female leadership in New Orleans Voodoo tradition It provides a careful examination of the cultural historical economic demographic and socio political factors that contributed both to the feminization of this religious culture and its strong female leaders Black Women Activists in Nineteenth Century New Orleans Tammie Jenkins, 2023-02-16 The names Marie Laveaux and Henriette Delille have become synonymous with Vodou and Catholic charity respectively in scholarship Laveaux and Delille were born femmes de couleur libres or free women of color a social class that enabled them to overcome barriers that limited black women activism in nineteenth century New Orleans These women were quadroons or octoroons who were expected to engage in placage unions with wealthy white European men which had been a matrilineal custom for generations However Laveaux and Delille chose a life of service to others rather than a life of privilege This book explores how Laveaux and Delille used their faith based practices to address the needs of the city's poor enslaved and disenfranchised populations. It provides readers with an interest in cultural studies religious and spiritual studies and gender studies with an introduction to Laveaux and Delille as black women activists in nineteenth century New Orleans A New Orleans Voudou Priestess Carolyn Morrow Long, 2007-10-07 Against the backdrop of eighteenth and nineteenth century New Orleans A New Orleans Voudou Priestess The Legend and Reality of Marie Laveau disentangles the complex threads of the legend surrounding the famous Voudou priestess According to mysterious oft told tales Laveau was an extraordinary celebrity whose sorcery fueled influence extended widely from slaves to upper class whites Some accounts claim that she led the orginatic Voudou dances in Congo Square and on the shores of Lake Pontchartrain kept a gigantic snake named Zombi and was the proprietress of an infamous house of assignation Though legendary for an unusual combination of spiritual power beauty charisma showmanship intimidation and shrewd business sense she also was known for her kindness and charity nursing yellow fever victims and ministering to condemned prisoners and her devotion to the Roman Catholic Church The true story of Marie Laveau though considerably less flamboyant than the legend is equally compelling In separating verifiable fact from semi truths and complete fabrication Long explores the unique social political and legal setting in which the lives of Marie Laveau s African and European ancestors became intertwined Changes in New Orleans engendered by French and Spanish rule the Louisiana Purchase the Civil War Reconstruction and Jim Crow segregation affected seven generations of Laveau s family from enslaved great grandparents of pure African blood to great grandchildren who were legally classified as white Simultaneously Long examines the evolution of New Orleans Voudou which until recently has been ignored by scholars The Mysterious Voodoo Queen, Marie Laveaux Ina J. Fandrich, 2005-04-21 This study investigates the emergence of powerful female leadership in New Orleans Voodoo tradition It

transition from Creole to American identity was largely voluntary as Creoles embraced the economic opportunities afforded to them through learning English Becoming American entailed the adoption of a distinctly American language and a distinctly American racialized caste system Navigating that caste system was always tricky for Creoles who had existed in between French and Spanish color lines that recognized them as a group separate from Europeans Africans and Amerindians even though they often shared kinship ties with all of these groups Creoles responded to the pressures associated with the demands of the American caste system by passing as white people completely or situationally or more often redefining themselves as Blacks Becoming American in Creole New Orleans offers a critical comparative analysis of Creolization and Americanization social processes that often worked in opposition to each another during the nineteenth century and that would continue to frame the limits of Creole identity and cultural expression in New Orleans until the mid twentieth century As such it offers intersectional engagement with subjects that have historically fallen under the purview of sociology anthropology and critical theory including discourses on whiteness m tissage m tisaj and critical mixed race theory
