A Mystical Journey M. R. Bawa Muhaiyaddeen, 1990 *The Mystic World* Oscar W. Humphrey, 2015-06-02 Excerpt from *The Mystic World A Literal Narrative of Strange Mystical Occurrences* Rare Materializations Voice Seances Clairvoyance Pilate saith unto him What is truth In the year 1882 my father made a journey to Washington D C on certain business He had relatives there who claimed to know that the spirits of departed mortals returned to communicate with the dwellers of the earth When he returned he had with him a Spiritualist publication He was a materialist The shock of this discovery at an early period of life produced a strong impression on my mind Battle after battle in the mental world has been fought Every view from every point possible has been taken to prove the materialistic theory incorrect Therefore my interest was at once aroused by the publication which he brought with him In 1888 I made a visit to Washington This was the beginning of my initiation into Spiritualism About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works [This Mystical Life of Ours](#) Ralph Waldo Trine, 1919 [The Mystical Glory](#) Angeline Welk, 2015-04-21 [MYSTICAL JOURNEYS](#) IRMINA. fell upon the silence it conveyed a somewhat sombre message to those who listened It was yet early in the day and no visitor was expected hence the summons seemed all the more significant It was not long before the exercises were completed and Zelma as soon as he had changed his apparel went below The caller was none other than Mr Gilbert The gentleman s features gave tokens of some deep sorrow and observing this Zelma led the way quietly to the east room where he closed the door from all intrusion With no formality whatever Mr Gilbert sank into a chair like a man bereft of all physical and mental endurance Zelma forewarned as he had been strove to maintain an attitude of peace and tranquillity His first words were lowly spoken and fraught with purest spiritual accents And another link in the chain is being forged and the heart of him who loveth is troubled as it would seem beyond repair he said very slowly *Divining Ecstasy* Sean Shayan,2001 Fly with Attar in Mystic Skies Hossein Eshraghi,2019-01-29 The knowledge of God and worshiping Him is the aim of our life and we are all the travelers in this journey but some of us are aware and other are in doubt This book is about the aim and the map of this journey based on the work of Attar one of the highest and well known mystic in the world Attar explains to us the stages and the conditions of this journey Originally written in Persian poetry and under the name of The Conference of the Birds the Seven Valleys of Attar is a poetic treatise on the methodology of mysticism Attar scatters the fragrances of knowledge of God on earth he burns like a lamp to turn on the candle of our soul and helping us to find the treasures in our inward Attar s work is like a necklace of pearls but Attar scattered every pearl in a different direction making it hard for a traveler to find the way This is a free adaptation compilation and translation of that colossal work now it is written and codified in simple way and short sentences for easy understanding of the mystic concepts You see here that necklace of pearls string together so you can see his work in its order the simple and naked expressions of this great work Mysticism is not parable allegory nor metaphors neither something we cannot understand it but it makes us wonder because it has a lot of hidden meaning in it Mysticism is the way of freedom there is no obligation pushing or invitation in it It is a gift from God to us it means He Loves us It is the way of our maturity it is the inner way *The Veiled Prophet of Kahrassan* Mystic Order of Veiled Prophets of the Enchanted Realm,1913* The Mystic Quest; a Tale of Two Incarnations William Kingsland,2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1891 edition Excerpt CHAPTER IX THE HORIZON WIDENS Hieroglyphics old Which sages and keen eyed astrologers Then living on the earth with labouring thought Won from the gaze of many centuries Now lost save what we find on remnants high Of stone or marble swart their import gone Their wisdom long since fled Keats Hyperion Nirman and I walked quietly to Dolphinton chatting together about the Stantons whom he had known ever since he was a boy You know that Harriet and I are engaged he said but it will probably be some years before we can marry perhaps not at all We have both work to do and responsibilities which we cannot shirk which make it out of the question to think of marriage for an indefinite time Am I right in supposing that what you allude to is
