Myth Of The Bad Mother Parenting Without Guilt:

The Myth of the Bad Mother Jane Swigart, 1991 Examines the experience of mothering and explores fully the mother's need to be heard, cared for and compassionately understood *The Myth of the Bad Mother* Jane Swigart, 1998-01-01 Good mothers are loving, nurturing, all giving. Bad mothers are self-absorbed, uncaring, inadequate. To this popular image, mothers everywhere respond with determination to be the good mother. Yet despite their best efforts, many women secretly fear they are failing. Jane Swigart explodes the good mother/bad mother myth. Drawing on her experiences as a therapist, as a mother, along with interviews with hundreds of parents, health care professionals, Dr. Swigart explores the emotional realities of motherhood, the effects of a culture that simultaneously idealizes and devalues the mother's role *The Myth of the Bad Mother* Jane Swigart, 1992-05 *The 7 Stages of Motherhood* Ann Pleshette Murphy, 2010-05-19 This refreshingly candid parenting book puts mothers, not children, center stage. Ann Pleshette Murphy provides a reassuring, wise and often wildly funny mix of anecdotes and advice as she describes the seismic shifts in women's lives and identities from pregnancy through a child's graduation. She draws on countless conversations with mothers and with child development experts she has met as the parenting contributor to *Good Morning America* and as the former editor in chief of *Parents* magazine. The mother of two, Murphy freely shares her own trials and errors in stories that will have readers laughing in relief and recognition. Written with wit, warmth and unfailing empathy, *The 7 Stages of Motherhood* is an exuberant and indispensable guide to making the most of motherhood. Words of Wisdom for Every Stage of Motherhood _ Forget the mothering comes naturally myth. And don't be afraid to ask for help _ Avoid keeping up with the Joneses. Give your kids what they need, not everything they want _ Know when you're in the wrong movie. Don't try to cast your kids in a remake of your childhood _ Give yourself credit for finding Lego Man's hair. Little acts of caring matter more to your kids than getting through your to-do list _ Be a mother, not Mother Teresa. When you neglect your own needs, you shortchange your kids **Challenging the Public/private Divide** Susan B. Boyd, 1997-01-01 Feminist scholars in disciplines ranging from law to geography challenge our traditional notion of a public/private divide in legal and public policy in Canada and internationally **The Myth of the Perfect Mother** Jane Swigart, 1998 *The Myth of the Perfect Mother* explodes today's popular good mother/bad mother myth and helps the reader both rethink the cultural roles of motherhood and understand the deeper issues that underlie the experience of child rearing. Dr. Swigart's discussions of what it means to nurture include the complexities of parental guilt, maternal clinging and maintaining one's individuality. She is honest, sometimes painfully so, but provides the strength for every mother to revel in her unique, ever-changing role **Seers, Witches and Psychics on Screen** Karin Beeler, 2014-01-10 This book addresses the pervasive representation of women with unique visionary abilities in postfeminist television series and films from the 1990s to the present.
