Mythmaking Frame Of Mind Social Imagination And American Culture

Don L. Hofsommer, Carlos Arnaldo Schwantes

Mythmaking Frame Of Mind Social Imagination And American Culture:

The Mythmaking Frame of Mind James Burkhart Gilbert, 1993 Thirteen essays written by prominent cultural and intellectual historians illustrate some of the directions of cultural and intellectual history as it is practiced in the United States The essays are organized chronologically with many interconnecting themes These themes include the rise of commercial culture the rise of city and urban life the formation of the middle class and the ways in which social myths the myth of Santa Claus for example function to interpret the meanings of modern life **From San Francisco Eastward** Carolyn Grattan Eichin, 2020-02-12 Finalist for the 2021 Willa Literary Award in Scholarly Non Fiction Finalist for the 2021 Will Rogers Medallion Award in Western Non Fiction Carolyn Grattan Eichin's *From San Francisco Eastward* explores the dynamics and influence of theater in the West during the Victorian era San Francisco Eichin argues served as the nucleus of the western theatrical world having attained prominence behind only New York and Boston as the nation's most important theatrical center by 1870 By focusing on the West's hinterland communities theater as a capitalist venture driven by the sale of cultural forms is illuminated against the backdrop of urbanization Using the vagaries of the West's notorious boom bust economic cycles Eichin traces the fiscal demographic and geographic influences that shaped western theater With an emphasis on the 1860s and 70s this thoroughly researched work uses distinct notions of ethnicity class and gender to examine a cultural institution driven by a market economy *From San Francisco Eastward* is a thorough analysis of the ever changing theatrical personalities and strategies that shaped Victorian theater in the West and the ways in which theater as a business transformed the values of a region *Sweet Mystery* Ellen M. Peck, 2020 The women who wrote An old story in a new dress the emerging playwright Ah Sweet mystery of life Naughty Marietta The old fashioned things must go musical comedies Just one of the boys Young as co writer Will you remember operetta in wartime Dream girl end of a career Appendix List of works by Rida Johnson Young *One Day for Democracy* Mary Lou Nemanic, 2007 Just before the turn of the twentieth century immigrants from eastern and southern Europe who had settled in mining regions of Minnesota formed a subculture that combined elements of Old World traditions and American culture Their unique pluralistic version of Americanism was expressed in Fourth of July celebrations rooted in European carnival traditions that included rough games cross dressing and rowdiness In *One Day for Democracy* Mary Lou Nemanic traces the festive history of Independence Day from 1776 to the twentieth century The author shows how these diverse immigrant groups on the Minnesota Iron Range created their own version of the celebration the Iron Range Fourth of July As mass mediated popular culture emerged in the twentieth century Fourth of July celebrations in the Iron Range began to include such popular culture elements as beauty queens and marching bands Nemanic documents the enormous influence of these changes on this isolated region and highlights the complex interplay between popular culture and identity construction But this is not a typical story of assimilation or ethnic separation Instead *One Day for Democracy* reveals how more than thirty different ethnic groups who

shared identities as both workers and new Americans came together in a remote mining region to create their own subculture

Raising Consumers Lisa Jacobson, 2004-11-17 In the present electronic torrent of MTV and teen flicks Nintendo and Air Jordan advertisements consumer culture is an unmistakably important and controversial dimension of modern childhood Historians and social commentators have typically assumed that the child consumer became significant during the postwar television age But the child consumer was already an important phenomenon in the early twentieth century The family traditionally the primary institution of child socialization began to face an array of new competitors who sought to put their own imprint on children s acculturation to consumer capitalism Advertisers children s magazine publishers public schools child experts and children s peer groups alternately collaborated with and competed against the family in their quest to define children s identities At stake in these conflicts and collaborations was no less than the direction of American consumer society would children s consumer training rein in hedonistic excesses or contribute to the spread of hollow commercial values Not simply a new player in the economy the child consumer became a lightning rod for broader concerns about the sanctity of the family and the authority of the market in modern capitalist culture Lisa Jacobson reveals how changing conceptions of masculinity and femininity shaped the ways Americans understood the virtues and vices of boy and girl consumers and why boys in particular emerged as the heroes of the new consumer age She also analyzes how children s own behavior peer culture and emotional investment in goods influenced the dynamics of the new consumer culture *Raising Consumers* is a provocative examination of the social economic and cultural forces that produced and ultimately legitimized a distinctive children s consumer culture in the early twentieth century

American Exceptionalism, American Anxiety Jonathan A. Glickstein, 2002 What then was the supposed role of poverty the fear of poverty and other negative work incentives in the era of early industrial capitalism and escalating sectional conflict over slavery *American Exceptionalism American Anxiety* examines a wide spectrum of antebellum American thought on these and related issues including slavery and cheap immigrant and female sweated labor

BOOK JACKET The Kid of Coney Island Woody Register, 2003 A portrait of the pioneering entrepreneur who designed and built Luna Park which in 1903 transformed Coney Island into a respectable venue for middle class recreation and created the Hippodrome the world s largest theater when it opened in 1905 filling it with lavish spectacles at affordable ticket prices The author also explores the development of the idea of adult amusements in America during Thompson s day and ours

Ladies and Gentlemen on Display Charlene M. Boyer Lewis, 2001 Written as a dissertation in history at the U of Virginia this study recreates the societal mores displayed at summer resorts at Virginia Springs from 1790 1860 as this was recorded in the letters and other archives of families who sojourned there Lewis history Widener U suggests that her history provides a new insight into plantation society by recording responses to unusual events and lack of routine She supplements the account with some analysis of the sources for the romantic and idealistic views of this culture

Children Geraldine Youcha, 2009-04-28 Beyond childcare theories and early childhood gurus here is how children have actually been raised in America over the last four centuries From wet nurses and Southern mammys settlement houses and orphan trains to rigid British nannies foster care and the modern two worker family Geraldine Youcha's delightful book paints a wide ranging picture of American childhood In this updated paperback edition a lively new chapter brings the story through current childcare wars and present economic realities All in all it is a reassuring picture for despite a bewildering array of different styles and fads children have survived and often thrived While there are some harsh lessons to be learned here there is also plenty to lend optimism and help anxious parents relax *Gender and Technology* Nina Lerman, Ruth Oldenziel, Arwen P. Mohun, 2003-10-15 McGraw Hill Simon Fraser University *A Nation of Realtors®* Jeffrey M. Hornstein, 2005-05-11 A history of the real estate profession that rethinks the impact of gender and class tensions in twentieth century America *Property-tax Exemption for Charities* Evelyn Brody, 2002 Contributors in municipal studies law and philanthropic studies discuss property tax exemption for charities and how public perception on property owning charities differs from reality They survey the legal and political landscape of property tax exemption for nonprofit organizations examine the development of the current structure of nonprofit property tax exemption and its legal rationales and assess mechanisms adopted by local municipalities to offset some of the revenue lost because of exempt properties Material originated at the December 1997 26th Annual Conference of the Association for Research on Nonprofit Organizations and Voluntary Action Annotation copyrighted by Book News Inc Portland OR **Christmas and the British: A Modern History** Martin Johnes, 2016-10-06 The modern Christmas was made by the Victorians and rooted in their belief in commerce family and religion Their rituals and traditions persist to the present day but the festival has also been changed by growing affluence shifting family structures greater expectations of happiness and material comfort technological developments and falling religious belief Christmas became a battleground for arguments over consumerism holiday entitlements social obligations communal behaviour and the influence of church state and media Even in private it encouraged reflection on social change and the march of time Amongst those unhappy at the state of the world or their own lives Christmas could induce much cynicism and even loathing but for a quieter majority it was a happy time a moment of a joy in a sometimes difficult world that made the festival more than just an integral feature of the calendar Christmas was one of British culture's emotional high points Moreover it was also a testimony to the enduring importance of family shared values and a common culture in the UK Martin Johnes shows how Christmas and its traditions have been lived adapted and thought about in Britain since 1914 Christmas and the British is about the festival's social cultural and economic functions and its often forgotten status as both the most unusual and important day of the year *Britons to America* Mario Varricchio, 2025-04-29 This book breaks new ground in the study of British emigration to the United States from the 1860s to the 1930s through the analysis of interviews with English Scottish and Welsh emigrants collected during the Great

Depression era by the Federal Writers Project and mainly from the 1990s by the Ellis Island Museum fieldworkers These sources shed light on a period of massive emigration from Great Britain the first three decades of the twentieth century and the Great Depression age which has largely been neglected by researchers The volume traces the experiences of the men and women who left for America by dwelling upon the pre emigration emigration proper and post emigration phases and identifies common aspects in Britons migratory experience along with differences due to age gender and nationality The author puts to the test the widespread notions of British immigrants economic success and cultural invisibility in America and reveals evidence which clearly challenges the image of Britons as successful immigrants who blended into American society relatively quickly and easily The book will appeal to scholars researchers students and general readers in the fields of British history American history oral history and migration

The Oxford Handbook of Transcendentalism Joel Myerson, Sandra Harbert Petrucci, Laura Dassow Walls, 2010-04-16 The Oxford Handbook of Transcendentalism offers an eclectic comprehensive interdisciplinary approach to the immense cultural impact of the movement that encompassed literature art architecture science and politics

Company Men Clark Davis, 2001-10-12 The story of the early decades of American big business when white collar jobs were new and their future uncertain America's white collar workers form the core of the nation's corporate economy and its expansive middle class But just a century ago white collar jobs were new and their future anything but certain In *Company Men* Clark Davis places the corporate office at the heart of American social and cultural history examining how the nation's first generation of white collar men created new understandings of masculinity race community and success all of which would dominate American experience for decades to come *Company Men* is set in Los Angeles the nation's corporate frontier of the early twentieth century Davis shows how this California city often considered on the fringe of American society for the very reason that it was new and growing so rapidly displayed in sharp contours how America's corporate culture developed The young men who left their rural homes for southern California a century ago not only helped build one of the world's great business centers but also redefined middle class values and morals Of interest to students of business history gender studies and twentieth century culture this work focuses on the company man as a pivotal actor in the saga of modern American history

The Best Possible Immigrants Rachel Rains Winslow, 2017-04-07 Prior to World War II international adoption was virtually unknown but in the twenty first century it has become a common practice touching almost every American How did the adoption of foreign children by U S families become an essential part of American culture in such a short period of time Rachel Rains Winslow investigates this question following the trail from Europe to South Korea and then to Vietnam Drawing on a wide range of political and cultural sources *The Best Possible Immigrants* shows how a combination of domestic trends foreign policies and international instabilities created an environment in which adoption flourished Winslow contends that international adoption succeeded as a long term solution to child welfare not because it was in the interest of one group but because it was in the interest of many Focusing on the three

decades after World War II she argues that the system came about through the work of governments social welfare professionals volunteers national and local media adoptive parents and prospective adoptive parents In her chronicle Winslow not only reveals the diversity of interests at play but also shows the underlying character of the U S social welfare state and international humanitarianism In so doing she sheds light on the shifting ideologies of family in the postwar era underscoring the important cultural work at the center of policy efforts and state projects The Best Possible Immigrants is a fascinating story about the role private citizens and organizations played in adoption history as well as their impact on state formation lawmaking and U S foreign policy **The Mysterious Death of Mary Rogers** Amy Gilman Srebnick,1995

Srebnick uses the famous unsolved murder of a Manhattan woman in 1841 as a window into urban culture in the mid nineteenth century **Killing Time** Scott C. Martin,2012-01-12 Scott C Martin examines leisure as a contested cultural space in which nineteenth century Americans articulated and developed ideas about ethnicity class gender and community This new perspective demonstrates how leisure and sociability mediated the transition from an agricultural to an industrial society Martin argues persuasively that southwestern Pennsylvanians used leisure activities to create identities and define values in a society being transformed by market expansion The transportation revolution brought new commercial entertainments and recreational opportunities but also fragmented and privatized customary patterns of communal leisure By using leisure as a window on the rapid changes sweeping through the region Martin shows how southwestern Pennsylvanians used voluntary associations private parties and public gatherings to construct social identities better suited to their altered circumstances The prosperous middle class devised amusements to distinguish them from workers who in turn resisted reformers attempts to constrain their use of free time Ethnic and racial minorities used holiday observances and traditional celebrations to define their place in American society while women tested the boundaries of the domestic sphere through participation in church fairs commercial recreation and other leisure activities This study illuminates the cultural history of the region and offers broader insights into perceptions of free time leisure and community in antebellum America

Missouri Railroads Don L. Hofsommer,Carlos Arnaldo Schwantes,2025-08-05 Missouri Railroads A Modern Crossroads 1921 2023 delves into the rich history of Missouri s railroads during their second century From the roaring 1920s when opulent Limited passenger trains crisscrossed the state to the tumultuous times of the Great Depression and World War II this book captures the essence of an era As the postwar years unfolded Missouri s railroads faced realignments and challenges The mid twentieth century witnessed shifts in routes technologies and passenger preferences Against this backdrop the book explores how the railroads adapted in the face of uncertainty Stunning historical images over 100 in color breathe life into this transformative period and bring the story to the present day Missouri Railroads goes beyond the history of a single state and its railroads to illustrate Missouri s vital role in shaping American railroading These railroad companies mirrored national trends yet each twist and turn carries a distinct local flavor Authors Don L Hofsommer and Carlos A

Schwantes weave a captivating narrative that celebrates Missouri's contribution to the broader American story

Mythmaking Frame Of Mind Social Imagination And American Culture Introduction

In today's digital age, the availability of Mythmaking Frame Of Mind Social Imagination And American Culture books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Mythmaking Frame Of Mind Social Imagination And American Culture books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Mythmaking Frame Of Mind Social Imagination And American Culture books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Mythmaking Frame Of Mind Social Imagination And American Culture versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Mythmaking Frame Of Mind Social Imagination And American Culture books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Mythmaking Frame Of Mind Social Imagination And American Culture books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Mythmaking Frame Of Mind Social Imagination And American Culture books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free

access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Mythmaking Frame Of Mind Social Imagination And American Culture books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Mythmaking Frame Of Mind Social Imagination And American Culture books and manuals for download and embark on your journey of knowledge?

FAQs About Mythmaking Frame Of Mind Social Imagination And American Culture Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Mythmaking Frame Of Mind Social Imagination And American Culture is one of the best book in our library for free trial. We provide copy of Mythmaking Frame Of Mind Social Imagination And American Culture in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Mythmaking Frame Of Mind Social Imagination And American Culture. Where to download Mythmaking Frame Of Mind Social Imagination And American Culture online for free? Are you looking for Mythmaking Frame Of Mind Social Imagination And American Culture PDF? This is definitely going to save you time and cash in something you should think about.
