Mythologems Incarnations Of The Invisible World:

Mythologems James Hollis, 2004 Tales told by shadowy elders around ancient campfires offered both explanation and comfort Life hasn't changed that much our dependence on explanation and comfort still lies just under our busy ambition and constant yearning Most of the time the basic assumptions of our early years were so viscerally absorbed that we have never made them articulate and therefore never had any way to evaluate their relevance for us now What if they are outdated Immature Beside the point In this new volume James Hollis shows us a way to bring those stories to consciousness what questions to ask and when And also what to expect of ourselves in the process This is not a quick fix book in fact waking up to our truth is sometimes very painful But it's real And it may be the only way to discover that sense of meaning and personal authenticity that no amount of outer success can provide Book jacket

A Life of Meaning James Hollis, Ph.D., 2023-07-25 A Masterful Author and Jungian Analyst Examines the Qualities That Bring Meaning to Our Human Journey What is it that brings meaning to your life Our culture tells us to seek wealth power prestige or even enrollment in someone else's idea of a worthy cause yet where do we turn when these paths fail to fulfill our need for purpose When the old stories and beliefs that once defined us have played out and grown exhausted teaches Dr James Hollis our task is to access our inner compass the promptings of the psyche that help us find our way through the complex thickets of choice A Life of Meaning is Hollis's profound exploration of the nature of meaning and how we can orient toward it or away from it with the choices we make Hollis offers an examination of myth literature historical figures and the wisdom of depth psychology that provides penetrating insight into the search for purpose Join him to explore How even cherished narratives splinter and lose potency over time Why dreams are windows into your internalized patterns and base assumptions How to excavate and understand your earliest most foundational beliefs The power of fear and how it shapes unconscious reactions Recognizing and rising to the occasion of a summons of the soul How to anchor yourself during times of uncertainty and change Why it's important to be aware of and closely examine your shadow How to reckon with old feelings of shame betrayal resentment and regret We all have to discover our own sense of meaning No one else can do it for us In A Life of Meaning Hollis offers no easy answers or feel good certainties instead he shares his most valuable questions and reflections to help you find the courage persistence and inspiration to navigate your own odyssey It's humbling work this process of getting our lives back he teaches Yet I submit to you that's worth the price of the ticket for in the journey our lives become ever more luminous

Seniors and Squalor Lisa Johnson, 2018-10-25 This book will help readers to better understand and address a strange social phenomenon the apparent choice by some seniors to live in squalor Seniors and Squalor examines the widespread and growing phenomenon of mentally competent senior citizens living in self-imposed squalor and refusing help whether from health care professionals government or family At this juncture of medicine and law many families have experienced frustration embarrassment and heartbreak The book also explores associated ethical questions arguing that society can address the
