Piper Dies And Other Stories:

The Piper Dies and Other Stories Yūsuf Idrīs,1992 **Piper's Stories** Monty Jordan,2019-07-08 This book was a pleasure for me to write It started as a pen pal project with my nine year old granddaughter so we could stay in touch Well after a couple of letters back and forth I decided to start writing and sending her Bible stories The letters developed into a collection of eleven Bible stories that a child can understand These stories are taken from the King James Version of the Bible and written as they are stated in the Bible and true to what was given to us by God Although the stories were written so a child could understand I believe that anyone can get something out of this book I believe that it is our duty and responsibility to teach children about the word of God If this book helps in any way to do that with even one child or one adult then the purpose of this collection of Bible stories is complete The Franklin Avenue Rookery for Wayward Babies and Other Stories Laura Newman,2021-01-19 These ten stories are irresistible because their author is both fearless and ambitious Newman switches points of view effortlessly brings us to far flung regions of the world and has an uncanny authentic grasp of cultures We travel from Varanasi to Tijuana from Rome to Lhasa to New Orleans Valdez Barcelona and the Isle of Skye The characters are just as diverse Maggie who is taking the ghost of her dead brother and her guilt on a spiritual trek of redemption to the Annapurna Sanctuary in Nepal Gomez who has a date with destiny in the syrup aisle at the Tijuana hypermarket while his friend Chuy carries Jesus on his back through the street vendors at the Mexican US crossing a Norwegian preacher relocates to Varanasi India in a valiant effort to convert Hindus and Muslims to Christianity while his son watches the bodies burn on the banks of the Ganges and in the title story the women who run an undercover orphanage in New Orleans don habits by day but play poker at night While these fictions occur thousands of miles apart and evince wildly different cultures and situations they are unified in their portrayal of ordinary citizens of the world struggling against extraordinary events And they are written with a remarkable mixture of pathos and humor **True, and Other Stories** George Parsons Lathrop,1884 **The Dance of Death, and Other Stories** Oscar Williams, **Conscience of the Nation** Richard Jacquemond,2008 Artfully combining social and literary history this unique study explores the dual loyalties of contemporary Egyptian authors from the 1952 Revolution to the present day Egypt's writers have long had an elevated idea of their social mission considering themselves the conscience of the nation At the same time modern Egyptian writers work under the liberal conception of the writer borrowed from the European model As a result each Egyptian writer treads the tightrope between authority and freedom social commitment and artistic license loyalty to the state and to personal expression in an ongoing quest for an elusive literary ideal With these fundamentals in mind Conscience of the Nation examines Egyptian literary production over the past fifty years surveying works by established writers as well as those of dozens of other authors who are celebrated in Egypt but whose writings are largely unknown to the foreign reader Novelists and poets scriptwriters and playwrights critics and journalists all have battled with and tried to resolve the tensions inherent

Cultural Journeys into the Arab World Dalya Cohen-Mor, 2018-07-11 *Cultural Journeys into the Arab World* provides a fascinating window into Arab culture and society through the voices of its own writers and poets. Organized thematically, the anthology features more than fifty texts including poems, essays, stories, novels, memoirs, eyewitness accounts, and life histories by leading male and female authors from across the Arabic-speaking world. Each theme is explored in several genres, both fiction and nonfiction, and framed by a wealth of contextual information that places the literary texts within the historical, political, cultural, and social background of the region. Spanning a century of Arab creative writing, from the dean of Arabic letters, Taha Hussein, to the Nobel laureate Naguib Mahfouz and the celebrated poet Adonis, the anthology offers unforgettable journeys into the rich and dynamic realm of Arab culture. Representing a wide range of settings, viewpoints, and socioeconomic backgrounds, the characters speak of their conditions, aspirations, struggles, and achievements living in complex societies marked by tensions arising from the persistence of older traditions and the impact of modernity. Their myriad voices paint a vivid and intimate portrait of contemporary Arab life in the Middle East, revealing the common humanity of a region of vital significance in world affairs.
