*Places of Interest to Women*, 1985 Publications Inc Ferrari, Marianne Ferrari, 1984-12      [A Victorian Woman's Place](#) Simon Morgan, 2007-01-26 While the image of bourgeois Victorian women as angels in the house isolated from the world in private domesticity has long been dismissed as an unrealistic ideal women have remained marginalised in many recent accounts of the public culture of the middle class Simon Morgan aims to redress the balance By drawing on a variety of sources including private documents he argues that women actually played an important role in the formation of the public identity of the Victorian middle class Through their support for cultural and philanthropic associations and their engagement in political campaigns women developed a nascent civic identity which for some informed their later demands for political rights *Middle Class Women and Victorian Public Culture* offers numerous insights for the reader into the public lives of women in this fascinating period      *Women's Place in Industry and Home* Sylvia Anthony, 2022-08-24 Originally published in 1932 this title is an attempt to outline the economic position of women at the time to trace the origin of those features which most sharply differentiated Economic Woman from Economic Man and to focus in a coherent view of the future the Will to Change which the present position inspired      **A Woman's Place is in the Boardroom** P. Thomson, J. Graham, 2005-09-12 There are relatively few women in senior executive positions and on the boards of major companies Based upon research and in the context of contemporary management debates the authors argue the business case for promoting women to these positions in order to create more value for shareholders The book draws upon interviews with chairpersons and chief executives and includes case study material      **Reader's Digest 1,001 Computer Hints & Tips** Reader's Digest Editors, 2001 Whether you re a PC novice or you re already familiar with certain aspects of your PC the book will help you get more from your PC It s packed with simple detailed explanations to help you expand your knowledge      [From a Marxist Feminist Point of View](#) Nancy Holmstrom, 2024-07-15 This book shows the fruitfulness of approaching key philosophical and political questions from a Marxist feminist point of view The idea is that different modes of production like capitalism and feudalism have structures relations of production which shape and limit the potentials for human emancipation in general and women s freedom in particular Capitalism is then understood as a framework within which other relations of oppression operate with more or less salience in different times and places Each of the essays takes this basic approach to key philosophical questions about freedom rationality and human nature      *Journal of the American Association of University Women* , 1926      *Woman's Place* Cynthia F.
