Building Belief Chad V. Meister,2009-06-01 Take a journey from doubt to belief It can be hard to share your faith with others especially when people can't agree on whether there is even any actual truth With that in mind Chad Meister has developed a simple logical way for you to help others move past relativism to a place where Christian belief makes sense the Apologetics Pyramid In Building Belief Meister leads you up each step of the pyramid beginning where many find themselves today doubting if anything is really true From there he powerfully builds a case for absolute truth the existence of God universal morals and values the reliability and divine inspiration of the Bible the resurrection of Christ and ultimately the good news that Jesus is the Son of God who offers salvation to the world Join Chad Meister in this concise clear and compelling book as he builds a persuasive case for the truth of Christianity Lee Strobel author The Case for Christ and The Case for Faith An excellent book to lead earnest enquirers from doubt to conviction about the basic truths of the Christian faith Norman L Geisler dean Southern Evangelical Seminary and Bible College Chad Meister is a force to be reckoned with and this delightful little book is a timely resource to be studied by Christians and given to non Christians J P Moreland distinguished professor of philosophy Talbot School of Theology author Love Your God with All Your Mind Building Belief is thoughtful fresh and full of personal and practical illustrations Meister strikes just the right balance providing a model for how apologetics ought to be done Paul Copan Pledger Family Chair of Philosophy and Ethics Palm Beach Atlantic University Meister offers both the tools and the method for making discussions with skeptics more fruitful Jay W Richards research fellow Acton Institute coauthor The Privileged Planet Commentary on the Holy Scriptures John Peter Lange,1884 The Gospel According to Matthew Johann Peter Lange,1865 **The Catholic Periodical and Literature Index** ,1992 **The Human Icon** Christine Mangala Frost,2017-01-01 Despite the history that divides them Hinduism and Orthodox Christianity have much in common In The Human Icon Christine Mangala Frost explores how both religions seek to realise the divine potential of every human being and the differences in their approach Frost who has experienced both the extraordinary riches and the all too human failings of Hinduism and Orthodox Christianity from the inside is perfectly placed to examine the convergences and divergences between the two faiths Inspired by a desire to clear up the misunderstandings that exist between the two The Human Icon is a study in how two faiths superficially dissimilar can nevertheless find meeting points everywhere The powerful intellectual and spiritual patristic traditions of Orthodox Christianity offer a rare tool for revitalising too often stalled dialogue with Hinduism and present the chance for a broader and more diverse understanding of the oldest religion in the world Tracing the long history of Orthodox Christianity in India from the Thomas Christians of

ancient times to the distinctive theology of Paulos Mar Gregorios and the Kottayam School Frost explores the impact of Hindu thought on Indian Christianity and considers the potential for confluence With a breadth of interest that spans Hindu bhakti Orthodox devotional theology Vedanta and theosis as well as meditational Yoga and hesychastic prayer Frost offers a fresh perspective on how the devotees of both faiths approach the ideal of divinisation and presents a thoughtful modern methodology for a dialogue of life Leader's Guide for Journey of Faith for Ordinary Time Mary Shrader,Jenni Vankat,2006 Has nine sessions and a retreat experience to help young people enter fully into the expectation and the joy of the Ordinary Time season In addition to its fully developed sessions this guide has strategies for encouraging real participation in liturgical and community life of the parish as it ritualizes and celebrates Ordinary Time Back cover **Eerdmans Commentary on the Bible: Isaiah** Margaret Barker,2019-06-18 This extract from the Eerdmans Commentary on the Bible provides Barker s introduction to and concise commentary on Isaiah The Eerdmans Commentary on the Bible presents in nontechnical language the best of modern scholarship on each book of the Bible including the Apocrypha Reader friendly commentary complements succinct summaries of each section of the text and will be valuable to scholars students and general readers Rather than attempt a verse by verse analysis these volumes work from larger sense units highlighting the place of each passage within the overarching biblical story Commentators focus on the genre of each text parable prophetic oracle legal code and so on interpreting within the historical and literary context The volumes also address major issues within each biblical book including the range of possible interpretations and refer readers to the best resources for further discussions
