The Popular Welsh Corgi Charles Lister-Kaye,1959 *The Popular Welsh Corgi* Charles Lister Kaye,1965 **The Popular Welsh Corgi. With ... Illustrations** Charles Lister Kaye,1954 **The Complete Guide to Corgis** David Anderson,2018-04-09 Corgis are one of the most famous smaller breed of dog although technically they are medium sized dogs Closely related to Dachshunds they are much sturdier and have a long history of being a hard working dog that means that they have much more energy than you may expect from such an apparently small dog as well as an intellect that you really should not underestimate especially when food is involved As their name suggests the Welsh corgi was a dog that was used to manage animals on farms in Wales They had a wide range of tasks from herding and leading to catching pests and keeping flocks of fowls in line While they may not be as energetic as their larger counterparts they are by no means a sedentary dog They may be inclined to do as they are told but only when it suits them Corgis love their people unconditionally however that does not stop them from trying to have things their own way They can be easily persuaded that you are alpha but that does not mean that they will necessarily accept your rules When left to their own devices Corgis can figure out ways to do things that they know you will not approve of and ten try to hide the evidence It makes them both an incredibly mischievous and loveable dog that you will need to keep an eye on if you are to keep your Corgi out of trouble There are tow types of Welsh Corgis The Pembroke and the Cardigan the Pembroke is the more popular and common of the two It is known for being incredibly friendly and affectionate with nearly everyone Cardigans tend to be more reserved and quiet and are more likely to be suspicious of strangers However one thing to keep in mind about Corgis is that all of them are unique individuals You can encounter a Pembroke that is skittish and wary of strangers or you may find a Cardigan that is every bit as outgoing and friendly as any Pembroke Ultimately your Corgi is an individual that is not defined by which type of Corgi he or she is Corgis are a fantastic breed and are easy to recognize with their long backs short legs and friendly expression Their fox like faces are topped with a couple of adorable ears that look like they are about as large as the Corgi s face there are a couple of signs that can help you easily identify whether you are looking at a Cardigan or Pembroke With their long history and easy friendly manners Corgis are a great dog for most people They make a great starter dog for those who have never had a dog or a great challenge for those who want to be able to train their dog into something fascinating Back cover *The Popular Welsh Corgi, Etc.
