Popular Protest In Late Medieval Europe Italy France And Flanders

Samuel Kline Cohn

Popular Protest In Late Medieval Europe Italy France And Flanders:

Popular Protest in Late-Medieval Europe Samuel Kline Cohn, 2004 The documents in this fascinating volume focus on the contagion of rebellion that followed the Black Death which ravaged Europe in the years between 1355 and 1382 They comprise a diversity of sources and cover a variety of forms of popular protest in different social political and economic settings Their authors include revolutionaries the aristocracy merchants and representatives from the church Of more than 200 documents presented here most have been translated into English for the first time providing students and scholars with a new opportunity to compare social movements across Europe over two centuries *Popular Protest in Late Medieval English Towns* Samuel Kline Cohn, Douglas Aiton, 2013 Draws new attention to popular protest in medieval English towns away from the more frequently studied theme of rural revolt Protest, Resistance and Popular Politics in Late Medieval Scotland Gordon McKelvie, 2025-07-23 This book is the first sustained analysis of popular politics in Scotland during the fourteenth and fifteenth centuries Despite the long running historiography on popular protests in both England and continental Europe there has been little discussion of this phenomenon in Scotland in part because historians specialising in Scotland have paid little attention to the phenomenon of popular revolt save an occasional comment in wider studies There were no large scale popular uprisings in Scotland like the Peasants Revolt in England the Jacquerie in France or the Ciompi in Florence but that does not mean that the wider populace was not politically engaged Indeed many of the key sources for late medieval Scotland including The Bruce Scotichronicon The Deeth of the Kynge of Scotis and the records of the Scottish parliament all contain hints of popular political engagement It is only when these sources are read with a focus on the lower echelons of society that a clearer picture of a populace with political ideals they sought to uphold emerges **Catholic England**, 2013-01-01 The Reformation transformed English religion For many the spirituality of the preceding period remains largely unknown or overburdened with Protestant mythology of decadence These sources seek to explore the nature of religious belief and practice in pre Reformation England using original source material to make the debates accessible This consideration of the sources begins with an analytical chapter discussing the varieties of spirituality in later medieval England and the ways in which they received expression through participation in church services actions like pilgrimages charitable foundations devotional readings and instruction Opposition to prevailing spirituality expressed through Lollardy is also considered The sources demonstrate with immediacy and potency these diverse expressions of faith and observance Many of the documents are translated for the first time from unpublished manuscript material This study demonstrates the vitality of the pre Reformation religious practices but also addresses the key methodological questions which arise from the sources about the nature of the material its reliability as historical evidence and the validity of external actions as testimony to intellectual and emotional experience The Jacquerie of 1358 Justine Firnhaber-Baker, 2021-04-28 The Jacquerie of 1358 is one of the most famous and mysterious peasant uprisings of the Middle Ages Beginning in a small village but eventually

overrunning most of northern France the Jacquerie rebels destroyed noble castles and killed dozens of noblemen before being put down in a bloody wave of suppression The revolt occurred in the wake of the Black Death and during the Hundred Years War and it was closely connected to a rebellion in Paris against the French crown The Jacquerie of 1358 resolves long standing controversies about whether the revolt was just an irrational explosion of peasant hatred or simply an extension of the Parisian revolt It shows that these opposing conclusions are based on the illusory assumption that the revolt was a united movement with a single goal In fact the Jacquerie has to be understood as a constellation of many events that evolved over time It involved thousands of people who understood what they were doing in different and changing ways The story of the Jacquerie is about how individuals and communities navigated their specific political social and military dilemmas how they reacted to events as they unfolded and how they chose to remember or to forget in its aftermath The Jacquerie of 1358 rewrites the narrative of this tumultuous period and gives special attention to how violence and social relationships were harnessed to mobilize popular rebellion

The Renaissance World John Jeffries Martin, 2015-01-09 With an interdisciplinary approach that encompasses the history of ideas political history cultural history and art history this volume in the successful Routledge Worlds series offers a sweeping survey of Europe in the Renaissance from the late thirteenth to early seventeenth centuries and shows how the Renaissance laid key foundations for many aspects of the modern world Collating thirty four essays from the field s leading scholars John Jeffries Martin shows that this period of rapid and complex change resulted from a convergence of a new set of social economic and technological forces alongside a cluster of interrelated practices including painting sculpture humanism and science in which the elites engaged Unique in its balance of emphasis on elite and popular culture on humanism and society and on women as well as men The Renaissance World grapples with issues as diverse as Renaissance patronage and the development of the slave trade Beginning with a section on the antecedents of the Renaissance world and ending with its lasting influence this book is an invaluable read which students and scholars of history and the Renaissance will dip into again and again

Lust for Liberty Samuel Kline Cohn, 2006-06-15 Comparing rebellions in northern and southern Europe over two centuries Cohn analyzes their causes and forms their leadership the role of women and the suppression or success of these revolts The book offers a new interpretation of the Black Death and the increase of and change in popular revolt from the mid 1350s to the early 15th century

The Oxford Handbook of Early Modern European History, 1350-1750 Hamish Scott, 2015-07-23 This Handbook re examines the concept of early modern history in a European and global context The term early modern has been familiar especially in Anglophone scholarship for four decades and is securely established in teaching research and scholarly publishing More recently however the unity implied in the notion has fragmented while the usefulness and even the validity of the term and the historical periodisation which it incorporates have been questioned The Oxford Handbook of Early Modern European History 1350 1750 provides an account of the development of the subject during the past half century but primarily offers an integrated and comprehensive survey of

present knowledge together with some suggestions as to how the field is developing It aims both to interrogate the notion of early modernity itself and to survey early modern Europe as an established field of study The overriding aim will be to establish that early modern is not simply a chronological label but possesses a substantive integrity Volume II is devoted to Cultures and Power opening with chapters on philosophy science art and architecture music and the Enlightenment Subsequent sections examine Europe beyond Europe with the transformation of contact with other continents during the first global age and military and political developments notably the expansion of state power

Flemish Textile Workers in England, 1331-1400 Milan Pajic, 2023-11-30 The story of immigrant textile workers from Flanders and their contributions to the English textile industry

Lust for Liberty Samuel Kline COHN, Samuel Kline Cohn, 2009-06-30 Lust for Liberty challenges long standing views of popular medieval revolts Comparing rebellions in northern and southern Europe over two centuries Samuel Cohn analyzes their causes and forms their leadership the role of women and the suppression or success of these revolts Popular revolts were remarkably common not the last resort of desperate people Leaders were largely workers artisans and peasants Over 90 percent of the uprisings pitted ordinary people against the state and were fought over political rights regarding citizenship governmental offices the barriers of ancient hierarchies rather than rents food prices or working conditions After the Black Death the connection of the word liberty with revolts increased fivefold and its meaning became more closely tied with notions of equality instead of privilege The book offers a new interpretation of the Black Death and the increase of and change in popular revolt from the mid 1350s to the early fifteenth century Instead of structural explanations based on economic demographic and political models this book turns to the actors themselves peasants artisans and bourgeois finding that the plagues wrought a new urgency for social and political change and a new self and class confidence in the efficacy of collective action

Whose Middle Ages? Andrew Albin, Mary C. Erler, Thomas O'Donnell, Nicholas L. Paul, Nina Rowe, 2019-10-15 An ethical and accessible introduction to a historical period often implicated in racist narratives of nationalism and imperialism Sierra Lomuto Assistant Professor of Global Medieval Literature Rowan University A collection of twenty two essays *Whose Middle Ages* gives nonspecialists access to the richness of our historical knowledge while debunking damaging misconceptions about the medieval past Myths about the medieval period are especially beloved among the globally resurgent far right from crusading emblems on the shields borne by alt right demonstrators to the on screen image of a purely white European populace defended from actors of color by Internet trolls This collection attacks these myths directly by insisting that readers encounter the relics of the Middle Ages on their own terms Each essay uses its author's academic research as a point of entry and takes care to explain how the author knows what she or he knows and what kinds of tools bodies of evidence and theoretical lenses allow scholars to write with certainty about elements of the past to a level of detail that might seem unattainable By demystifying the methods of scholarly inquiry *Whose Middle Ages* serves as an antidote not only to the far right's errors of fact and interpretation but also to its assault on scholarship and expertise

as valid means for the acquisition of knowledge In example after example the authors show how people shape the Middle Ages to reflect their fears and dreams for themselves and for society The results range from the amusing to the horrifying from video games to genocide Whose Middle Ages Everyone's but not everyone's in the same way Michelle R Warren author of *Creole Medievalism*

Social Movements Dieter Rucht, 2023 Dieter Rucht offers a theoretically and historically informed approach to social movements as a phenomenon of modern societies He links the analysis of social movements to general theories of society and processes of social change and combines three basic perspectives interactionist constructivist and process oriented ICP approach

Writing Visual Histories Florence Grant, Ludmilla Jordanova, 2020-11-12 What can visual artifacts tell us about the past How can we interpret them rigorously weaving their formal and material qualities into rich social contexts to reach wider historical conclusions Unfolding key historiographical and methodological issues *Writing Visual Histories* equips students to answer these questions showing visual analysis to be a key skill in historical research A multifaceted structure makes this a practical guide for writing and reflecting on visual histories A first section includes six case studies on topics ranging from medieval heraldry to *Life* magazine These examples are followed by an exploration of essential concepts that inform historical thinking about visual matters a treatment of disciplinary practices and discussion of the practicalities such as accessing museum collections and organising permissions that scholars working with visual sources have to navigate This book is an invaluable tool kit for opening up a historical understanding of visual phenomena and practices of looking and for writing that takes an integrated approach to studies of the past

Avignon and Its Papacy, 1309-1417 Joëlle Rollo-Koster, 2015-08-20 With the arrival of Clement V in 1309 seven popes ruled the Western Church from Avignon until 1378 Joëlle Rollo Koster traces the compelling story of the transplanted papacy in Avignon the city the popes transformed into their capital Through an engaging blend of political and social history she argues that we should think more positively about the Avignon papacy with its effective governance intellectual creativity and dynamism It is a remarkable tale of an institution growing and defending its prerogatives of people both high and low who produced and served its needs and of the city they built together As the author reconsiders the Avignon papacy 1309 1378 and the Great Western Schism 1378 1417 within the social setting of late medieval Avignon she also recovers the city's urban texture the stamp of its streets the noise of its crowds and celebrations and its people's joys and pains Each chapter focuses on the popes their rules the crises they faced and their administration but also on the history of the city considering the recent historiography to link the life of the administration with that of the city and its people The story of Avignon and its inhabitants is crucial for our understanding of the institutional history of the papacy in the later Middle Ages The author argues that the Avignon papacy and the Schism encouraged fundamental institutional changes in the governance of early modern Europe effective centralization linked to fiscal policy efficient bureaucratic governance court society *soci t de cour* and conciliarism This fascinating history of a misunderstood era will bring to life what it was like to live in the fourteenth century capital of

Christianity **Cultures of Transparency** Stefan Berger, Susanne Fengler, Dimitrij Owetschkin, Julia Sittmann, 2021-04-18

This volume addresses the major questions surrounding a concept that has become ubiquitous in the media and in civil society as well as in political and economic discourses in recent years and which is demanded with increasing frequency: transparency. How can society deal with increasing and often diverging demands and expectations of transparency? What role can different political and civil society actors play in processes of producing or preventing transparency? Where are the limits of transparency and how are these boundaries negotiated? What is the relationship of transparency to processes of social change as well as systems of social surveillance and control? Engaging with transparency as an interrelated product of law, politics, economics and culture, this interdisciplinary volume explores the ambiguities and contradictions as well as the social and political dilemmas that the age of transparency has unleashed. As such, it will appeal to researchers across the social sciences and humanities with interests in politics, history, sociology, civil society, citizenship, public policy, criminology and law.

The Routledge Handbook of Medieval Rural Life Miriam Müller, 2021-10-26 The Routledge Handbook of Medieval Rural Life brings together the latest research on peasantry in medieval Europe. The aim is to place peasants as small scale agricultural producers firmly at the centre of this volume as people with agency, immense skill and resilience to shape their environments, cultures and societies. This volume examines the changes and evolutions within village societies across the medieval period over a broad chronology and across a wide geography. Rural structures, families and hierarchies are examined alongside tool use and trade as well as the impact of external factors such as famine and the Black Death. The contributions offer insights into multidisciplinary research incorporating archaeological as well as landscape studies alongside traditional historical documentary approaches across widely differing local and regional contexts across medieval Europe. This book will be an essential reference for scholars and students of medieval history as well as those interested in rural cultural and social history.

Urban Space in the Middle Ages and the Early Modern Age Albrecht Classen, 2009-12-15 Although the city as a central entity did not simply disappear with the Fall of the Roman Empire, the development of urban space at least since the twelfth century played a major role in the history of medieval and early modern mentality within a social, economic and religious framework. Whereas some poets projected urban space as a new utopia, others simply reflected the new significance of the urban environment as a stage where their characters operate very successfully. As today, the premodern city was the locus where different social groups and classes got together, sometimes peacefully, sometimes in hostile terms. The historical development of the relationship between Christians and Jews, for instance, was deeply determined by the living conditions within a city. By the late Middle Ages, nobility and bourgeoisie began to intermingle within the urban space, which set the stage for dramatic and far-reaching changes in the social and economic make-up of society. Legal historical aspects also find as much consideration as practical questions concerning water supply and sewer systems. Moreover, the early modern city within the Ottoman and Middle Eastern world likewise finds consideration. Finally, as some

contributors observe the urban space provided considerable opportunities for women to carve out a niche for themselves in economic terms

The History of Social Movements in Global Perspective Stefan Berger, Holger Nehring, 2017-01-12 Social movements have shaped and are shaping modern societies around the globe this is evident when we look at examples such as the Arab Spring Spain's Indignados and the wider Occupy movement In this volume experts analyse the classic and new social movements from a uniquely global perspective and offer insights in current theoretical discussions on social mobilisation Chapters are devoted both to the study of continental developments of social movements going back to the nineteenth century and ranging to the present day and to an emphasis on the transnational dimension of these movements Interdisciplinary and truly international this book is an essential text on social movements for historians political scientists sociologists philosophers and social scientists

The Benedictines in the Middle Ages James G. Clark, 2014-11-20 The men and women that followed the 6th century customs of Benedict of Nursia c 480 c 547 formed the most enduring influential numerous and widespread religious order of the Latin Middle Ages This text follows the Benedictine Order over 11 centuries from their early diaspora to the challenge of continental reformation

Crime, Law and Society in the Later Middle Ages, 2013-01-01 This book provides an accessible collection of translated legal sources through which the exploits of criminals and developments in the English criminal justice system c 1215 1485 can be studied Drawing on the wealth of archival material and an array of contemporary literary texts it guides readers towards an understanding of prevailing notions of law and justice and expectations of the law and legal institutions Tensions are shown emerging between theoretical ideals of justice and the practical realities of administering the law during an era profoundly affected by periodic bouts of war political in fighting social dislocation and economic disaster Introductions and notes provide both the specific and wider legal social and political contexts in addition to offering an overview of the existing secondary literature and historiographical trends This collection affords a valuable insight into the character of medieval governance as well as revealing the complex nexus of interests attitudes and relationships prevailing in society during the later Middle Ages

Popular Protest In Late Medieval Europe Italy France And Flanders Introduction

In today's digital age, the availability of Popular Protest In Late Medieval Europe Italy France And Flanders books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Popular Protest In Late Medieval Europe Italy France And Flanders books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Popular Protest In Late Medieval Europe Italy France And Flanders books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Popular Protest In Late Medieval Europe Italy France And Flanders versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Popular Protest In Late Medieval Europe Italy France And Flanders books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Popular Protest In Late Medieval Europe Italy France And Flanders books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Popular Protest In Late Medieval Europe Italy France And Flanders books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library.

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Popular Protest In Late Medieval Europe Italy France And Flanders books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Popular Protest In Late Medieval Europe Italy France And Flanders books and manuals for download and embark on your journey of knowledge?

FAQs About Popular Protest In Late Medieval Europe Italy France And Flanders Books

What is a Popular Protest In Late Medieval Europe Italy France And Flanders PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Popular Protest In Late Medieval Europe Italy France And Flanders PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Popular Protest In Late Medieval Europe Italy France And Flanders PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Popular Protest In Late Medieval Europe Italy France And Flanders PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Popular Protest In Late Medieval Europe Italy France And Flanders PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" ->

"Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
