Populist Challenge Argentine Electoral Behavior In The Postwar Era:

The Populist Challenge Lars Schoultz,2018-06-15 Schoultz examines the fundamental political cleavage between classical liberalism and the populist Peronist political movements in Argentina identifying the socioeconomic structural features that led to this division and focusing on changes in social class composition that accompanied major demographic shifts and alterations in economic activity He dominated the electoral process that liberals are able to control public policy only through ties to the military Originally published in 1983 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value *The Populist Challenge* Bill Stewart,Lars Schoultz,Wayne Mixon,1978 Reversal of Development in Argentina Carlos Horacio Waisman,2014-07-14 Carlos Waisman has pinpointed the specific beliefs that led the Peronists unwittingly to transform their country from a relatively prosperous land of recent settlement like Australia and Canada to an impoverished and underdeveloped society resembling the rest of Latin America Originally published in 1987 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 Perón and the Enigmas of Argentina Robert D. Crassweller,1987 A study of the life of Juan Peron focusing on the values emotions and psychological links of the appeal of Peronism and its mythology and longevity **Latin America** Jan Knippers Black,2018-04-17 Now in a fifth edition Latin America has been updated to reflect the region s growing optimism as economies stabilize trade diversifies and political systems become more participatory This multidisciplinary survey of Latin American history politics and society features invited contributions from authorities in a variety of fields New sections address current events including deforestation in Costa Rica and Brazil emerging social movements Ecuador s new constitution and Obama s stated objectives to repair U S relations with the region In addition key topics such as women and Latin American politics socialist governments and anti American sentiment Argentina s deteriorating economy and Colombia s struggle with military and narcotics issues receive expanded and revitalized treatment Other updated material covers outcomes of recent elections in Bolivia Brazil and Nicaragua among others Through a hybrid thematic and regional organization this text provides an essential foundation for introductory courses on Latin America The Charismatic Bond Douglas Madsen,Peter G. Snow,1991 This book takes up where Max Weber left off in his study of charisma and extends and rounds off the theory with insights from other disciplines and new empirical data Tying Weber s argument about the consequences of societal breakdown to contemporary psychological

theorizing on self efficacy Douglas Madsen and Peter Snow demonstrate that magnetic personalities must have willing followers

Establishing Democracies Mary Ellen Fischer, 2021-01-07 Balancing historical and contemporary cases this comparative text examines the crucial question of what promotes or prevents the successful founding of democratic systems The country case studies are placed in context by a substantial introduction surveying theories of democracy and democratic transition and by a conclusion assessing the cases and suggesting common patterns in the establishment of successful democracies Balancing historical and contemporary cases this comparative text examines the crucial question of what promotes or prevents the successful founding of democratic systems Underscoring lessons learned from successful regime change and assessing current efforts to establish democracies whose ultimate fate is yet uncertain this book will enable students to evaluate the chances of success for societies making the transition from an authoritarian or communist regime The case studies are placed in context by a substantial introduction surveying theories of democracy and democratic transition and a conclusion comparing the cases and suggesting common patterns in the establishment of successful democracies Created for upper level students this book can be used as a primary text to be supplemented by theoretical readings or as a source of additional case studies Extensive notes provide a wealth of suggestions for further reading and research

In the Shadow of Perón Raanan Rein, 2008-05-22 Populism has been one of the most important phenomena in the political and social history of Latin America In the Shadow of Per n challenges several commonly held assumptions about the nature of populism and the relations between the charismatic leader and the popular masses Devoted to the second line of Peronist leadership in Argentina from the 1940s onwards it focuses on the figure of Juan Atilio Bramuglia who tried to offer an alternative path for the movement The volume stresses the heterogeneous nature of Peronism and traces the various ideological sources of its doctrine It also analyzes Per n s machinations in order to maintain his leadership and eliminate any opposition within the movement

Political Parties Jorge I. Domínguez, 2001-12-07 With the fall of the Soviet Union and the acceleration of global economic political and social pressures Mexico Central and South America have undergone vast transformations This collection details these changes and updates the scholarship on a region once defined by the cold war and now struggling to define itself within the era of economic globalization and democratization Rapid changes in the area have produced new and contentious scholarship the best of which is contained in this new five volume set Collected by one of the premiere authorities on the region each volume contains a valuable introduction and considers a key discipline of study Together the volumes provide a comprehensive view which will prove an indispensable research tool for students and scholars alike

Peronism Without Perón James W. McGuire, 1999-02-01 Peronism the Argentine political movement created by Juan Per n in the 1940 s has revolved since its inception around a personalistic leader a set of powerful trade unions and a weakly institutionalized political party This book examines why Peronism continued to be weakly institutionalized as a party after Per n was overthrown in 1955 and argues that this weakness has impeded the consolidation of Argentine democracy

Within an analysis of Peronism from 1943 to 1995 the author pays special attention to the 1962-66 and 1984-88 periods when some Peronist politicians and union leaders tried but failed to strengthen the party structure. By identifying the forces that led to these efforts of party building and by analyzing the counterforces that thwarted them he shows how these failures have shaped Argentina's experience with democracy. Drawing on this interpretation of Peronism and its place in Argentine politics the book develops a distributive conflict political party explanation for Argentina's democratic instability and contrasts it to alternatives that stress economic dependency, populist economic policies, political culture and military interventionism.

The Other Argentina Larry Sawers, 2018-02-07 In the early part of this century Argentina was one of the most affluent nations in the world. Since then the Argentine economy has experienced long periods of stagnation and recession. Larry Sawers links the country's economic failure to the backwardness of the interior which comprises 70 percent of the area of the country and in which nearly one third of the population resides. The interior's poverty according to Sawers is caused by the scarcity of agricultural resources and by serious inequalities in the distribution of those resources. The region is poorly endowed, land has been degraded through abuse and overuse and most farmers work tiny unproductive plots. Moreover most of the products of the interior are produced for highly protected domestic markets and face stiff competition and falling prices in world markets. Recent reforms in Argentina have dramatically aggravated the economic crisis of the interior. Sawers shows how the poverty of the interior has contributed to the dismal performance of the Argentine economy as a whole. He emphasizes the deleterious effects of extensive emigration from the interior to the major urban areas that are unable to absorb the human tide. Additionally the national government has taxed the more prosperous regions in order to subsidize the interior, placing a severe drain on the federal government budget and worsening inflation. The effects of the interior's poverty on the nation are also political. Sawers argues that the backward political system in the interior exacerbates the worst features of the national political culture and governance which in turn pose profound obstacles to economic progress.

Elections in the Americas: A Data Handbook Dieter Nohlen, 2005-04-14 This two volume work continues the series of election data handbooks published by OUP. It presents a first ever compendium of electoral data for all 35 countries in the Americas since the introduction of universal male suffrage. Following the overall structure of the series an initial comparative introduction on elections and electoral systems is followed by chapters on each country. Written by knowledgeable and renowned scholars the contributions examine the evolution of constitutional and electoral arrangements and provide systematic surveys of the up to date electoral provisions and electoral rules. These widely differing rules exert considerable influence on party systems and political processes. Exhaustive statistics on all national elections and referendums are given in each chapter. Together with the other books of this series **Elections in the Americas** is a highly reliable resource for historical and cross national comparisons of elections and electoral systems worldwide.

For God and Fatherland Michael A. Burdick, 1996-01-25 This study of Argentine Catholicism offers an important perspective to the country's turbulent political

history Church state relations show a number of crisis points whereby the constitutionally established Catholic Church underwent progressive disenfranchisement by various governments In response church elites struggled to maintain the institution s historic rights and privileges and to speak as the moral conscience of the nation Three critical periods in church state relations are examined the anticlerical period of the 1880s the rise of Per nism in the 1940s and the series of events beginning with the upsurge of the revolutionary left in the 1960s These events shaped the Argentine Church while at the same time Catholicism often imbued with a fervent nationalism provided many groups competing for power the myths symbols and language necessary to articulate a vision for a new Argentina

Presidents Without Parties Javier Corrales,2010-11-01 Using Latin American examples presents a new theory of how the interaction between presidents and ruling parties mediated economic governance

Transforming Labor-Based Parties in Latin America Steven Levitsky,2003-01-20 Why did some Latin American labor based parties adapt successfully to the contemporary challenges of neoliberalism and working class decline while others did not Drawing on a detailed study of the Argentine Peronism as well as a broader comparative analysis this book develops an organizational approach to party change Levitsky s study breaks new ground in its focus on informal and weakly institutionalized party structures It argues that loosely structured party organizations such as those found in many populist labor based parties are often better equipped to adapt to rapid environmental change than are more bureaucratic labor based parties The argument is illustrated in the case of Peronism a mass labor based party with a highly fluid internal structure The book shows how this weakly routinized structure allowed party reformers to undertake a set of far reached coalitional and programmatic changes that enabled Peronism to survive and even thrive in the neoliberal era

Between Tyranny and Anarchy Paul W. Drake,2009-02-27 *Between Tyranny and Anarchy* provides a unique comprehensive history and interpretation of efforts to establish democracies over two centuries in the major Latin American countries Drake takes an unusual interdisciplinary approach combining history and political science with an emphasis on political institutions He argues that without a thorough examination of the historical roots and causes of Latin American democracy most general theories can not adequately explain its failures successes and forms Latin America offers an extraordinary laboratory for the study of democratic experiments Alongside a well deserved reputation for authoritarianism it boasts one of the world s deepest richest histories of democratic movements ideas and institutions Contrary to conventional wisdom the region s leading democracies did not lag very far behind the United States and Western Europe in making numerous advances In comparison with those countries though Latin America s democratic history has been distinctive because of its fundamental dilemma how to reconcile political systems theoretically committed to legal equality with societies divided by extreme socio economic inequalities

Beneath the United States Lars Schoultz,1998-06-15 In this sweeping history of U S policy toward Latin America Schoultz shows that the U S has always perceived Latin America as a fundamentally inferior neighbor Drawing on extraordinarily rich archival sources Schoultz one

of America's foremost Latin America scholars shows how these core beliefs have not changed for two centuries

Cuban Studies 41 Louis Perez, Catherine Krull, Soraya Castro Marino, 2011-01-30 Cuban Studies 41 includes essays on the ideology behind United States foreign policy toward Cuba a gendered study of Cubans who migrate to other countries fifty years of Cuban medical diplomacy the fifty year relationship between Havana and Moscow national cultural policy and the visual arts in the aftermath of the Grey Years and a look at the global influence of Havana cigars

Power and Progress Jack Snyder, 2013-03-01 Jack Snyder is a leading American international relations scholar with an international reputation for his research on IR theory and US Foreign policy This book collects many of his most important essays into a single volume Exploring a liberal realist theory of international politics the book is arranged around three key subject areas Anarchy and Its Effects The Challenges of Democratic Consolidation Empire and the Promotion of a Liberal Order With a new introduction to frame the selected essays this collection examines how developing nations evolve political systems and fit into a world dominated by liberal democracies It looks to the future for the current dominant powers in a changing world of international relations and at the challenges to their leadership Featuring a new conclusion developed from the assembled chapters this is a fascinating and vital collection of scholarship from one of the most influential theorists of his generation Power and Progress is an invaluable text for students and scholars of international relations and those interested in the debates on liberalism and realism and comparative politics

Handbook of Political Science Research on Latin America David Dent, 1990-10-24 Sixteen contributors synthesize the political science research that has been done on the Latin American region since 1960 the year that coincided with the rapid growth of research on Latin America spurred by the Cuban Revolution and the Alliance for Progress Divided into two main sections comparative politics and international relations this volume reviews published books articles government documents and doctoral dissertations on specific countries and general topics and areas Annotation copyright Book News Inc Portland Or

Populist Challenge Argentine Electoral Behavior In The Postwar Era Introduction

In today's digital age, the availability of Populist Challenge Argentine Electoral Behavior In The Postwar Era books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Populist Challenge Argentine Electoral Behavior In The Postwar Era books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Populist Challenge Argentine Electoral Behavior In The Postwar Era books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Populist Challenge Argentine Electoral Behavior In The Postwar Era versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Populist Challenge Argentine Electoral Behavior In The Postwar Era books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Populist Challenge Argentine Electoral Behavior In The Postwar Era books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Populist Challenge Argentine Electoral Behavior In The Postwar Era books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free

access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Populist Challenge Argentine Electoral Behavior In The Postwar Era books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Populist Challenge Argentine Electoral Behavior In The Postwar Era books and manuals for download and embark on your journey of knowledge?

FAQs About Populist Challenge Argentine Electoral Behavior In The Postwar Era Books

1. Where can I buy Populist Challenge Argentine Electoral Behavior In The Postwar Era books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
