

*The Emergency of Law*  
I know they would endure even longer and more  
would ever think of exchanging it for another  
standing all this, if the laws be consistently  
regarded, if their rights to be secure in their  
property, are held by no better power than the  
mob, the alienation of their affections from the  
is the natural consequence; and to that, some day  
come.

Here then, is one point at which danger may be  
The question recurs "How shall we best answer  
answer is simple. Let every American, every  
every well wisher to his posterity, swear to the  
Revolution, never to violate in the least particular  
of the country; and never to tolerate any violation  
As the patriots of seventy-six did to the support of  
of Independence, so to the support of the laws  
and his sacred honor,—let every man remember  
and the law, is to trample on the blood of his father  
the character of his own, and his children's lives,  
to the lispings babe, that prattles on her lap,—let  
in schools, in seminaries, and in colleges,—let them  
Primmers, spelling books, and in Almanacs,—let  
preached from the pulpit, proclaimed in legislatures,  
enforced in courts of justice. And, in short, let it be  
political religion of the nation; and let the old and  
the rich and the poor, the grave and the gay, of all  
tongues, and colors and conditions, sacred solemnities  
its altars.

While ever a state of feeling, such as this, shall exist,  
or even, very generally prevail throughout the Union,  
will be every effort, and fruitless every attempt, to  
national freedom.

When I so pressingly urge a strict observance of the  
let me not be understood as saying there are no other  
that grievances may not arise, for the rules of our  
legal provisions have been made. I mean to say much.  
But I do mean to say, that, although bad laws I think

on his back and upon his hands in turn, and the  
of every nation, people, and condition, for the nation to be  
**Correct Guide** to

Address to the Young Men's Lyceum

129

should be repealed as soon as possible, still while they continue  
in force, for the sake of example, they should be religiously  
obeyed. So also in unprovided cases. If such arise, let proper  
legal provisions be made for them with the least possible delay;  
but, till then, let them if not too intolerable, be borne with.  
There is no grievance that is a fit object of redress by mob  
law. In any case that arises, as for instance, the promulgation  
of abolitionism, one of two positions is necessarily true; that  
is, the thing is right within itself, and therefore deserves the  
protection of all law and all good citizens; or, it is wrong, and  
therefore proper to be prohibited by legal enactments; and in  
either case, is the interposition of mob law, either necessary,  
justifiable, or excusable.

But, it may be asked, why suppose danger to our political  
institutions? Have we not preserved them for more than fifty  
years? And why may we not for fifty times as long?

We hope there is no sufficient reason. We hope all dangers  
may be overcome; but to conclude that no danger may ever  
arise, would itself be extremely dangerous. There are now,  
and will hereafter be, many causes, dangerous in their ten-  
dency, which have not existed heretofore; and which are not  
too insignificant to merit attention. That our government  
should have been maintained in its original form from its es-  
tablishment until now, is not much to be wondered at. It had  
many props to support it through that period, which now are  
decayed, and crumbled away. Through that period, it was felt  
by all, to be an undecided experiment; now, it is understood  
to be a successful one. Then, all that sought celebrity and  
fame, and distinction, expected to find them in the success of  
that experiment. Their all was staked upon it;—their destiny  
was inseparably linked with it. Their ambition aspired to dis-  
play before an admiring world, a practical demonstration of  
the truth of a proposition, which had hitherto been considered,  
at best no better, than problematical; namely, the capability  
of a people to govern themselves. If they succeeded, they were  
to be immortalized; their names were to be transferred to  
counties and cities, and rivers and mountains; and to be re-  
vered and sung, and toasted through all time. If they failed,  
they were to be called knaves and fools, and fanatics for a

## **Portable Abraham Lincoln:**

**The Portable Abraham Lincoln** Abraham Lincoln, 2009-01-27 Celebrate the bicentennial of Abraham Lincoln's birth with this new edition of his greatest speeches and writings Abraham Lincoln endowed the American language with a vigor and moral energy that has all but disappeared from today's public rhetoric Lincoln's writings are testaments of our history windows into his enigmatic personality and resonant examples of the writer's art The Portable Abraham Lincoln contains the great public speeches the first debate with Stephen Douglas the House Divided speech the Gettysburg Address the Second Inaugural Address along with less familiar letters and memoranda that chart Lincoln's political career his evolving stand against slavery and his day to day conduct of the Civil War This edition includes a revised introduction updated notes on the text a chronology of Lincoln's life and four new selections of his writing For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

**Abraham Lincoln** Helen Cothran, 2002 This book is a collection of essays written on Abraham Lincoln's presidential decisions including the political social and economic factors behind the problems he faced while in the presidency

**Empire of the People** Adam Dahl, 2018-04-15 American democracy owes its origins to the colonial settlement of North America by Europeans Since the birth of the republic observers such as Alexis de Tocqueville and J Hector St John de Crèvecoeur have emphasized how American democratic identity arose out of the distinct pattern by which English settlers colonized the New World **Empire of the People** explores a new way of understanding this process and in doing so offers a fundamental reinterpretation of modern democratic thought in the Americas In **Empire of the People** Adam Dahl examines the ideological development of American democratic thought in the context of settler colonialism a distinct form of colonialism aimed at the appropriation of Native land rather than the exploitation of Native labor By placing the development of American political thought and culture in the context of nineteenth century settler expansion his work reveals how practices and ideologies of Indigenous dispossession have laid the cultural and social foundations of American democracy and in doing so profoundly shaped key concepts in modern democratic theory such as consent social equality popular sovereignty and federalism To uphold its legitimacy Dahl also argues settler political thought must disavow the origins of democracy in colonial dispossession and in turn erase the political and historical presence of native peoples **Empire of the People** traces this thread through the conceptual and theoretical architecture of American democratic politics in the works of thinkers such as Thomas Jefferson Thomas Paine Alexis de Tocqueville John O Sullivan Ralph Waldo Emerson Daniel Webster Abraham Lincoln Walt Whitman and William Apess In its focus on the disavowal of Native dispossession in democratic thought the book provides a new perspective on the problematic relationship between race and democracy and a

different and more nuanced interpretation of the role of settler colonialism in the foundations of democratic culture and society

**Lincoln Speeches** Abraham Lincoln, 2012-08-28 The defining rhetoric of Abraham Lincoln politician president and emancipator Penguin presents a series of six portable accessible and above all essential reads from American political history selected by leading scholars Series editor Richard Beeman author of *The Penguin Guide to the U S Constitution* draws together the great texts of American civic life to create a timely and informative mini library of perennially vital issues Whether readers are encountering these classic writings for the first time or brushing up in anticipation of the 50th anniversary of the Civil Rights Act these slim volumes will serve as a powerful and illuminating resource for scholars students and civic minded citizens As president Abraham Lincoln endowed the American language with a vigor and moral energy that have all but disappeared from today's public rhetoric His words are testaments of our history windows into his enigmatic personality and resonant examples of the writer's art Renowned Lincoln and Civil War scholar Allen C Guelzo brings together this volume of Lincoln Speeches that span the classic and obscure the lyrical and historical the inspirational and intellectual The book contains everything from classic speeches that any citizen would recognize the first debate with Stephen Douglas the House Divided Speech the Gettysburg Address the Second Inaugural Address to the less known ones that professed Lincoln fans will come to enjoy and intellectuals and critics praise These orations show the contours of the civic dilemmas Lincoln and America itself encountered the slavery issue state v federal power citizens and their duty death and destruction the coming of freedom the meaning of the Constitution and what it means to progress

**Jefferson, Lincoln, and the Unfinished Work of the Nation** Ronald L. Hatzenbuehler, 2016-06-06 This book describes the views of two of our nation's greatest presidents and explains how these views provide valuable insight into modern day debates The first extended examination of the ideas of both Lincoln and Jefferson it provides readers with a succinct guide to their opinions that still resonate today

*Lincoln and Leadership* Randall M. Miller, 2012 This book examines Lincoln's leadership by assessing his decision making process and patterns in shaping military strategy political affairs and religious interests during the Civil War In doing so it shows how Lincoln defined the presidency in wartime played the role of party chief and pointed the moral compass of the nation

**The Portable John Adams** John Adams, 2004-06-29 In addition to being an uncompromising defender of liberty esteemed diplomat and successor to George Washington John Adams was a passionate and prolific writer Adams biographer John Patrick Diggins gathers an impressive variety of his works in this compact original volume including parts of his diary and autobiography and selections from his rich correspondence with his wife Abigail Thomas Jefferson and others The Portable John Adams also features his most important political works *A Dissertation on Canon and Feudal Law* *Thoughts on Government* *A Defense of Constitutions* *Novanglus* and *Discourses in Davila* There is no finer introduction to the protean genius of this seminal American philosopher For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of

the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

Constitutional Redemption J. M. Balkin, 2011-05-09 Political constitutions are compromises with injustice What makes the U S Constitution legitimate is Americans faith that the constitutional system can be made a more perfect union Balkin argues that the American constitutional project is based in hope and a narrative of shared redemption and its destiny is still over the horizon

*How to Analyze the Works of Abraham Lincoln* Laurie Lanzen Harris, 2013-01-01 Presents critiques of four of Abraham Lincoln s addresses and guides readers through the process of analyzing them from different critical angles including historical political and religious viewpoints

**Historical Dictionary of the U.S. Presidency** Richard S. Conley, 2015-12-14 This book covers the development of the presidential office within the context of constitutional interpretations of presidential power and socio political and economic developments as well as foreign affairs events from 1789 2015 It provides details on the men who have held the office and biographies of vice presidents unsuccessful candidates for the office and noteworthy Supreme Court and other appointees The Historical Dictionary of the U S Presidency contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 300 cross referenced entries on the development of the institution of the presidency and details the personalities domestic and foreign policy governing contexts elections party dynamics and significant events that have shaped the office from the Founding to the present day This book is an excellent resource for students researchers and anyone wanting to know more about the U S Presidency

**Lincoln's Last Card** Richard J. Ellis, 2025-02-25 There is a certain comfort in being able to see Lincoln or any president simply as either a hero or a villain The truth however is more complicated Lincoln s Last Card helps us look beyond the myths to see Lincoln as the flawed and consequential leader that he was Few presidential edicts are more famous or misunderstood than the Emancipation Proclamation The traditional myth about the proclamation is that President Lincoln freed the slaves with a bold stroke of his pen This popular understanding deifies Lincoln as the sagacious Great Emancipator and constructs a narrative of American history centered around the heroic deeds of our great presidents A more cynical view bolstered by recent historical examinations of Lincoln s own racial biases says the proclamation was much ado about nothing a largely hollow gesture that freed no slaves at all and lacked even a moral indictment of slavery Both views however see presidential power as largely unrestricted and unilateral so that Lincoln s decisions occur in a virtual vacuum a timeless display of his moral virtue or lack thereof Richard Ellis a veteran scholar of the American presidency suggests that we look at Lincoln s proclamation through the lens of presidential weakness rather than greatness To do so Ellis draws on the work of renowned political scientist Richard Neustadt who explored three cases of command from the twentieth century in his 1960 work *Presidential Power* Where the public saw presidential success Neustadt saw presidents engaged in a painful last resort suggesting not political mastery but rather the

failure to achieve goals through other means Ellis applies this same perspective to the Emancipation Proclamation showing how Lincoln's great success was in fact his last card Lincoln's original hope was to persuade the border states to endorse his plan for gradual compensated abolition preferably coupled with some level of voluntary colonization Contrary to conventional wisdom and in contrast to Lincoln's reputation as the greatest presidential orator Ellis shows how the Emancipation Proclamation was a sign of Lincoln's failure to persuade

**Democracy's Schools** Johann N. Neem, 2017-08 The unknown history of American public education At a time when Americans are debating the future of public education Johann N. Neem tells the inspiring story of how and why Americans built a robust public school system in the decades between the Revolution and the Civil War It's a story in which ordinary people in towns across the country worked together to form districts and build schoolhouses and reformers sought to expand tax support and give every child a liberal education By the time of the Civil War most northern states had made common schools free and many southern states were heading in the same direction Americans made schooling a public good Yet back then like today Americans disagreed over the kind of education needed who should pay for it and how schools should be governed Neem explores the history and meaning of these disagreements As Americans debated teachers and students went about the daily work of teaching and learning Neem takes us into the classrooms of yore so that we may experience public schools from the perspective of the people whose daily lives were most affected by them Ultimately Neem concludes public schools encouraged a diverse people to see themselves as one nation By studying the origins of America's public schools Neem urges us to focus on the defining features of democratic education promoting equality nurturing human beings preparing citizens and fostering civic solidarity

*Democratic Responsibility* Nora Hanagan, 2019-08-31 American society is often described as one that celebrates self-reliance and personal responsibility However abolitionists progressive reformers civil rights activists and numerous others often held their fellow citizens responsible for shared problems such as economic exploitation and white supremacy Moreover they viewed recognizing and responding to shared problems as essential to achieving democratic ideals In *Democratic Responsibility* Nora Hanagan examines American thinkers and activists who offered an alternative to individualistic conceptions of responsibility and puts them in dialogue with contemporary philosophers who write about shared responsibility Drawing on the political theory and practice of Henry David Thoreau Jane Addams Martin Luther King Jr and Audre Lorde Hanagan develops a distinctly democratic approach to shared responsibility Cooperative democracy is especially relevant in an age of globalization and hyperconnectivity where societies are continually threatened with harms such as climate change global sweatshop labor and structural racism that result from the combined interactions of multiple individuals and institutions and which therefore cannot be resolved without collective action *Democratic Responsibility* offers insight into how political actors might confront seemingly intractable problems and challenges conventional understandings of what commitment to democratic ideals entails This book will be of interest to scholars and students of political science especially those who look to the history of political

thought for resources that might promote social justice in the present      Lincoln's American Dream Kenneth L. Deutsch, 2012 Despite the voluminous literature on the central figure in American history no other book in the field of political science compares to *Lincoln's American Dream* It addresses comprehensively the overarching themes of Lincoln's political thought and leadership through provocative and divergent interpretations from leading scholars Each chapter is devoted to one of these major themes about Lincoln The Declaration and equality Political ambition Race and slavery His democratic political leadership Executive power Religion and politics The Union and the role of the state The book's thirty three contributors include such respected Lincoln scholars and political commentators as Harry V Jaffa Stephen B Oates Mark E Neely Richard C Current Herman Belz and Frank J Williams With an introduction by Kenneth L Deutsch and Joseph R Fornieri *Lincoln's American Dream* will be of enduring interest to scholars students teachers and Lincoln aficionados alike and will attract interest in the fields of American history leadership religion and culture American studies and African American studies      *Lincoln as Hero* Frank J. Williams, 2012-11-02 Most Americans have considered and still consider Abraham Lincoln to be a heroic figure From his humble beginnings to his leadership of a divided nation during the Civil War to his early efforts in abolishing slavery Lincoln's legacy is one of deep personal and political courage In this unique and concise retelling of many of the key moments and achievements of Lincoln's life and work Frank J Williams explores in detail what it means to be a hero and how Lincoln embodied the qualities Americans look for in their heroes *Lincoln as Hero* shows how whether it was as president lawyer or schoolboy Lincoln extolled the foundational virtues of American society Williams describes the character and leadership traits that define American heroism including ideas and beliefs willpower pertinacity the ability to communicate and magnanimity Using both celebrated episodes and lesser known anecdotes from Lincoln's life and achievements Williams presents a wide ranging analysis of these traits as they were demonstrated in Lincoln's rise starting with his self education as a young man and moving on to his training and experience as a lawyer his entry onto the political stage and his burgeoning grasp of military tactics and leadership Williams also examines in detail how Lincoln embodied heroism in standing against secession and fighting to preserve America's great democratic experiment With a focused sense of justice and a great respect for the mandates of both the Declaration of Independence and the Constitution Lincoln came to embrace freedom for the enslaved and his Emancipation Proclamation led the way for the Thirteenth Amendment which abolished slavery Lincoln's legacy as a hero and secular saint was secured when his life ended by assassination as the Civil War was drawing to a close Touching on Lincoln's humor and his quest for independence justice and equality Williams outlines the path Lincoln took to becoming a great leader and an American hero showing readers why his heroism is still relevant True heroes Williams argues are successful not just by the standards of their own time but also through achievements that transcend their own eras and resonate throughout history with their words and actions living on in our minds if we are imaginative and in our actions if we are wise Univeristy Press Books for Public and Secondary Schools

2013 edition      **What Do You Think, Mr. Ramirez?** Geoffrey Galt Harpham, 2017-08-23 Some fifty years ago a Cuban teenager landed penniless and without papers on the Florida shore Soon he had earned his GED and found his way to a community college a literature class and an encounter with a Shakespeare sonnet An instructor asked him Mr Ramirez what do you think It was a question that changed his life By the time Geoffrey Harpham met him Mr Ramirez had become a distinguished professor at an American university What do YOU think This question and the fact that it was asked in a community college humanities classroom tell us much about the postwar ideals that made American higher education so revolutionary What were Americans thinking when we created the educational system that could work such wonders What conditions made it possible And why is it today so embattled Reaching back to the era of the Founders Harpham traces the deep historical roots of our interest in the citizen s opinion and the corresponding prominence of textual interpretation in American education He explores America s path toward general liberal education focusing on its Golden Age immediately following WWII And he puzzles out why the country turned to English teachers as the people best positioned to train students to thrive as interpreters which is to say as citizens of a democracy Harpham shows that the American system of general liberal education formalized in the middle of the twentieth century can still inspire us in the early twenty first Public education in the US is everywhere under assault and so too is the ideal of education that cultivates individuals and citizens rather than merely trains employees Harpham recovers the core elements of liberal education in order that we might give them new form in the contemporary world What Do YOU Think teaches us that the American revolution in education like the pursuit of happiness is not yet finished      [The Portable Enlightenment Reader](#) Various, 1995-12-01 The Age of Enlightenment of the 18th century also called the Age of Reason was so named for an intellectual movement that shook the foundations of Western civilization In championing radical ideas such as individual liberty and an empirical appraisal of the universe through rational inquiry and natural experience Enlightenment philosophers in Europe and America planted the seeds for modern liberalism cultural humanism science and technology and laissez faire Capitalism This volume brings together works from this era with more than 100 selections from a range of sources It includes examples by Kant Diderot Voltaire Newton Rousseau Locke Franklin Jefferson Madison and Paine that demonstrate the pervasive impact of Enlightenment views on philosophy and epistemology as well as on political social and economic institutions      **The Portable Oscar Wilde** Oscar Wilde, 1981-07-30 Includes the following works Novels The Portrait of Dorian Gray Plays Salome and The Importance of Being Earnest Writings De Profundis Critic as Artist and Phrases and Philosophies for the Use of the Very Young and selections from Lady Windermere s Fan An Ideal Husband and A Woman of No Importance      **The Portable Margaret Fuller** Margaret Fuller, 1994-10-01 Indispensable to students of antebellum culture Philip F Gura Univ of North Carolina A highly valuable resource for students of American Studies and Women s Studies alike Donald Pease UC Riverside      **The Portable Machiavelli** Niccolo Machiavelli, 1979-01-25 In the four and a half centuries since Machiavelli s

death no single and unanimously accepted interpretation of his ideas has succeeded in imposing itself upon the lively debate over the meaning of his works Yet there has never been any doubt about the fundamental importance of Machiavelli's contribution to Western political theory The Portable Machiavelli brings together the complete texts of The Prince Belfagor and Castruccio Castracani newly translated by Peter Bondanella and Mark Musa especially for this volume In addition the editors include an abridged version of The Discourses a play The Mandrake Root in its entirety seven private letters and selections from The Art of War and The History of Florence
