

THE PORTABLE CONSERVATIVE READER

Edited by
RUSSELL KIRK

Portable Conservative Reader

Russell Kirk

Portable Conservative Reader:

The Portable Conservative Reader Russell Kirk, 1982 The Portable Conservative Reader illuminates the meaning of the conservative cause In one of the most wide ranging and thoughtful anthologies of conservative thought in the English and American traditions Russell Kirk excavates conservatism's foundations The breadth of conservative writing reveals that at bottom the conservative idea is not an economic theory nor a political program but a penetrating way of looking at the human condition Here Kirk brings together a diverse group of thinkers and material including essays poetry and fiction that articulate the conservative imagination its veneration of tradition prudence variety and the enduring fallibility and imperfectibility of mankind These selections set forth basic premises and principles at work in the minds of Edmund Burke Benjamin Disraeli and T S Eliot in Britain Alexander Hamilton Nathaniel Hawthorne Henry Adams and Irving Kristol in America and many more who have elucidated this turn of mind This balanced and surprising collection is a landmark study of the most potent political force of our time

The Portable Milton John Milton, 1976-08-26 The Portable Milton is an authoritative grand tour through the imagination of this prodigal genius In the course of his forty year career John Milton evolved from a prodigy to a blind prophet from a philosophical aesthete to a Puritan rebel and from a poet who proclaimed the triumph of reason to one obsessed with the intractability of sin Throughout these transformations he conceived his work as a form of prayer written in the service of the supreme being

The Portable Greek Historians M. I. Finley, 1977-09-29 Essential passages from the works of four fathers of history Herodotus's History Thucydides History of the Peloponnesian War Xenophon's Anabasis and Polybius's Histories

The Portable Oscar Wilde Oscar Wilde, 1981-07-30 Includes the following works Novels The Portrait of Dorian Gray Plays Salome and The Importance of Being Earnest Writings De Profundis Critic as Artist and Phrases and Philosophies for the Use of the Very Young and selections from Lady Windermere's Fan An Ideal Husband and A Woman of No Importance

Understanding Dogmas and Dreams Nancy S. Love, 2006-02-09 Nancy Love's concise yet complete volume aims to inform students of their choices among political values By exploring the assumptions of various ideologies and comparing their positions students begin to understand political alternatives to be able to choose among them in essence they learn to think democratically Offering historical and analytic context for the selections in her companion reader Dogmas and Dreams Love challenges students to consider the various ways ideological frameworks shape political actions Reframing her approach in this second edition Love examines how traditional left right ideologies liberalism and conservatism socialism and fascism are shifting to adapt to new political realities in an ever turbulent post 9 11 world She also discusses why alternative ideologies feminism environmentalism fundamentalism and globalization may better convey our global political future While pushing the boundaries of the left right political spectrum she looks at how grassroots social movements offer alternative ways to view ideological differences from cluster concepts to micro discourses and even a planetary galaxy Expanded coverage includes a new chapter on nationalism and globalization which examines the

work of Samuel Huntington Kenichi Ohmae Benjamin Barber and many more to explore fundamentalism in Islamic politics increased coverage of global environmental politics including Shiva's Stolen Harvest and Kelly's Thinking Green examining the relationships between developed and developing countries fresh material on socialist politics post 1989 and the rise of neo fascist movements in the United States and Europe including analysis of Hayden and Flacks The Port Huron Statement at 40 and Bob Moser's The Age of Rage an updated feminism chapter that considers the impact of third wave post colonial and so called power feminists and incorporates new analysis of Wollstonecraft's A Vindication of the Rights of Woman and Mohanty's Under Western Eyes Revisited

The Portable Margaret Fuller Margaret Fuller, 1994-10-01 Indispensable to students of antebellum culture Philip F Gura Univ of North Carolina A highly valuable resource for students of American Studies and Women's Studies alike Donald Pease UC Riverside

13 Novels Conservatives Will Love (but Probably Haven't Read) Christopher J. Scalia, 2025-07-08 A discussion of 13 works of literary fiction in the context of their relevance to conservative beliefs Great novels are a remarkable confluence of complex characters powerful storytelling and beautiful language They ask important questions and explore major ideas that can reflect a culture and shape it Yet if you talk to right of center readers about literary fiction that considers ideas of particular interest to conservatives they tend to mention the same handful of books They neglect greatness from across the centuries hardly a conservative thing to do Christopher J Scalia's 13 Novels Conservatives Will Love but Probably Haven't Read helps anyone interested in conservatism both restock their fiction shelves and better understand a great intellectual tradition A former English professor and a widely published critic and opinion writer Scalia discusses outstanding works of fiction by anglophone writers from Samuel Johnson to Zora Neale Hurston Nathaniel Hawthorne to P D James Willa Cather to Walter Scott These novels explore topics like national identity tradition religion human nature and many more without descending into simplistic propaganda Scalia connects the themes of great works spanning four centuries to the insights of such thinkers as Edmund Burke William F Buckley Roger Scruton Michael Oakeshott Gertrude Himmelfarb and Russell Kirk Engaging insightful and funny 13 Novels Conservatives Will Love but Probably Haven't Read introduces readers to great literature and teaches them about principles central to conservatism

The Politics of Prudence Russell Kirk, 2023-10-03 In this classic title Kirk outlines ten principles of conservative thought summarizes ten vital conservative books and offers brief accounts of ten eminent internationally important conservatives This book written by the founder of twentieth century conservatism in America reflects several decades of learning travel and practical politics

History, Historians, and Conservatism in Britain and America Reba Soffer, 2009 Reba Soffer examines the subjects motives and origins of conservative historians who were also successful public intellectuals Providing a comprehensive account of the content context and consequences of conservative ideas Soffer explains their dominance in Britain and marginalization in America until the Reagan ascendancy

The Palgrave Handbook of Gender, Sexuality, and Canadian Politics Manon Tremblay, Joanna Everitt, 2020-11-20 The Palgrave

Handbook of Gender Sexuality and Canadian Politics offers the first and only handbook in the field of Canadian politics that uses gender which it interprets broadly as inclusive of sex sexualities and other intersecting identities as its category of analysis Its premise is that political actors identities frame how Canadian politics is thought told and done in turn Canadian politics as a set of ideas state institutions and decision making processes and civil society mobilizations does and redoes gender Following the standard structure of mainstream introductory Canadian politics textbooks this handbook is divided into four sections ideologies institutions civil society and public policy each of which contains several chapters on topics commonly taught in Canadian politics classes The originality of the handbook lies in its approach each chapter reviews the basics of a given topic from the perspective of gendered sexualized and other intersectional identities Such an approach makes the handbook the only one of its kind in Canadian Politics

Intellectual Conservatism Ferenc Hörcher, Daniel Pitt, 2025-09-29 This book examines the history of intellectual conservatism from its late 18th century founding father Edmund Burke to its last great representative the late Sir Roger Scruton Focusing on British intellectual conservatism and investigating this under researched area of political thought through multiple contributions and disciplines the editors aim is to provide an account of the supportive or critical intellectual work behind conservative politics in the 19th and 20th century with a long term view on the modern conservative movement It is an up to date account of some of the major theoretical issues of conservatism that utilises case studies to provide pictures of particular conservative intellectuals explain key concepts and reconstruct major schools and defining debates within conservatism There is a particular focus on the role of Christianity the British common law tradition and on the connection between culture and politics *Intellectual Conservatism From Burke to Scruton* is valuable for university students studying history political science PPE or the social sciences as well as those interested in the contemporary debates in Western politics on the future of Europe and the US

A Nation of Outsiders Grace Elizabeth Hale, 2011-02-04 At mid century Americans increasingly fell in love with characters like Holden Caulfield in *Catcher in the Rye* and Marlon Brando s Johnny in *The Wild One* musicians like Elvis Presley and Bob Dylan and activists like the members of the Student Nonviolent Coordinating Committee These emotions enabled some middle class whites to cut free of their own histories and identify with those who while lacking economic political or social privilege seemed to possess instead vital cultural resources and a depth of feeling not found in grey flannel America In this wide ranging and vividly written cultural history Grace Elizabeth Hale sheds light on why so many white middle class Americans chose to re imagine themselves as outsiders in the second half of the twentieth century and explains how this unprecedented shift changed American culture and society Love for outsiders launched the politics of both the New Left and the New Right From the mid sixties through the eighties it flourished in the hippie counterculture the back to the land movement the Jesus People movement and among fundamentalist and Pentecostal Christians working to position their traditional isolation and separatism as strengths It changed the very meaning of authenticity and community Ultimately the romance of the outsider

provided a creative resolution to an intractable mid century cultural and political conflict the struggle between the desire for self determination and autonomy and the desire for a morally meaningful and authentic life *Abraham Kuyper, Conservatism, and Church and State* Mark J. Larson, 2015-09-30 Students of Reformed theology recognize that Abraham Kuyper was one of the premier theologians of the last two centuries He was also a notable politician founding the Antirevolutionary Party and serving as a member of the Dutch Parliament and eventually becoming prime minister of the Netherlands He produced a body of neo Calvinist political thought that has enduring value for the political engagement of the Christian community in our time His political theory stands in continuity with John Calvin s doctrine of the church and social reformation even as the current James Madison s teaching on church and state impacted it While contemporary Kuyperians at times reflect a leftward political orientation Kuyper was a champion of political conservatism who stood in the trajectory of fundamental conservative principles affirmed by Edmund Burke and more recently by Ronald Reagan He believed that the conservative emphasis upon natural law the need for limited government and the importance of freedom was rooted in biblical revelation and was therefore valid for all nations at all times Conservatism Jerry Z. Muller, 2020-05-05 At a time when the label conservative is indiscriminately applied to fundamentalists populists libertarians fascists and the advocates of one or another orthodoxy this volume offers a nuanced and historically informed presentation of what is distinctive about conservative social and political thought It is an anthology with an argument locating the origins of modern conservatism within the Enlightenment and distinguishing between conservatism and orthodoxy Bringing together important specimens of European and American conservative social and political analysis from the mid eighteenth century through our own day Conservatism demonstrates that while the particular institutions that conservatives have sought to conserve have varied there are characteristic features of conservative argument that recur over time and across national borders The book proceeds chronologically through the following sections Enlightenment Conservatism David Hume Edmund Burke and Justus M ser The Critique of Revolution Burke Louis de Bonald Joseph de Maistre James Madison and Rufus Choate Authority Matthew Arnold James Fitzjames Stephen Inequality W H Mallock Joseph A Schumpeter The Critique of Good Intentions William Graham Sumner War T E Hulme Democracy Carl Schmitt Schumpeter The Limits of Rationalism Winston Churchill Michael Oakeshott Friedrich Hayek Edward Banfield The Critique of Social and Cultural Emancipation Irving Kristol Peter Berger and Richard John Neuhaus Hermann L bbe and Between Social Science and Cultural Criticism Arnold Gehlen Philip Rieff The book contains an afterword on recurrent tensions and dilemmas of conservative thought **New Culture, New Right** Michael O'Meara, 2013 New Culture New Right is the first English language study of the identitarian movements presently reshaping the contours of European politics The study s focus is Alain de Benoist s GRECE Groupement de Recherche et d Etude pour la Civilisation Europeenne which Paul Piccone of Telos described as the most interesting group of continental thinkers since the existentialists of the 1950s and which elsewhere is seen as the leading school of contemporary

Right wing thought Made up of veterans from various nationalist traditionalist far Right and regionalist movements the GRECE began as an association of French intellectuals committed to restoring the crumbling cultural foundations of European life and identity Due to the quality of its publications and its philosophically persuasive reformulation of the Right project it attracted an immediate audience By the late 1970s it had recruited an impressive array of Continental thinkers to its ranks In Italy Germany Belgium and a number of other European countries there have since emerged organizations and publishing concerns either directly linked to the Paris based GRECE or involved in analogous endeavors As a result of these diffusions GRECE style identitarianism has come to form the chief ideological alternative to the regnant liberalism The European New Right to which the GRECE gave birth is new however not in the modernist sense of being novel but in the traditionalist sense of reappropriating an origin whose meaningful possibilities remain open for realization Such a revolutionary return to Europe s roots has never seemed so urgent After a half century under the liberal democratic regimes imposed by the United States in 1945 Europeans now face extinction as a race and a culture In opposition to the ethnocidal forces of the American Occupation and its European collaborators New Rightists appeal to the primordial in their people s heritage aiming to awake a spirit of resistance and renaissance in them The result as documented in this introduction to their ideas is one of the most formidable critiques ever made of the liberal project Michael O Meara Ph D studied social theory at the cole des Hautes Etudes en Sciences Sociales and modern European history at the University of California He is the author of *Guillaume Faye and the Battle of Europe* 2013 also published by Arktos The New Yoder Peter Dula,Chris K Huebner,2011-10-27 The work of John Howard Yoder has become increasingly influential in recent years Moreover it is gaining influence in some surprising places No longer restricted to the world of theological ethicists and Mennonites Yoder has been discovered as arefreshing voice by scholars working in many other fields For thirty five years Yoder was known primarily as an articulate defender of Christian pacifism against a theological ethics guild dominated by the Troeltschian assumptions reflected in thework of Walter Rauschenbusch and Reinhold and Richard Niebuhr But in the last decade there has been a clearly identifiable shift in direction A new generation of scholars has begun reading Yoder alongside figures most often associated with post structuralism neo Nietzscheanism and post colonialism resulting in original and productive new readings of his work At the same time scholars from outside of theology and ethics departments indeed outside of Christianity itself like Romand Coles and Daniel Boyarin have discovered in Yoder a significant conversation partner for their own work This volume collects some of the best of those essays in hope of encouraging more such work from readers of Yoder and in hopes of attracting others to his important work Political Theory Andrew Heywood,Clayton Chin,2023-02-23 While Western modern political thought has been a story of inclusion it has also been one of continued exclusion and new forms of political oppression and silencing This is why political theory is so necessary today Political thought is diverse From liberal theories laying out ideal democratic institutions to critical analyses of postcolonial settler states to conceptual

analyses of the nature of freedom there are very different approaches topics and aims within the tradition of Western political theory What binds these diverse forms of thinking together How do they help us to understand political institutions life behaviour and events How do they help us to make decisions in the complex world of politics This book significantly revised and reconceptualized introduces you to the modern discipline of political theory in the Western tradition tackling its key debates concepts problems and traditions What is the nature of political concepts What problems do they pose to thinkers and political actors How have modern political thinkers usually approached thinking about politics How has this been problematized in contemporary debates Has modern politics fundamentally ignored economically impoverished groups women indigenous peoples racialized groups and the natural environment How have ideas like freedom equality sovereignty and the state been conceptualized in the modern tradition What tensions has this given rise to Delving into topics as diverse as Maoism postcolonialism and white supremacy boxed features give you room to explore and expand in political theorising Focusing on the texts helps you deal with difficult texts and arguments Tradition introduces you to major approaches to political theory Thinker allows you to understand the contributions of major figures in political thought Thinking globally gives insight into how political theory is adapting to global interconnectedness Beyond the West makes you reflect on what can be learnt from non Western approaches Spanning the development of Western political thought from Thucydides through to John Rawls and beyond with a focus on Modern and contemporary debates this is an essential text for undergraduate and postgraduate courses on political thought and political philosophy

Guess Who's Coming to Dinner Now? Angela D Dillard, 2023-11-21 An excellent overview of African American LGBT and other minority group conservatives The New Republic In Guess Who's Coming to Dinner Now Angela Dillard offers the first comparative analysis of a modern conservatism that cuts across boundaries of race ethnicity gender and sexuality To be an African American and a conservative or a Latino who is also a conservative and gay is to occupy an awkward and contested political position Dillard explores the philosophies politics and motivation of minority conservatives such as Ward Connerly Glenn Loury Linda Chavez Clarence Thomas and Bruce Bawer as well as their tepid reception by both the left and right Welcomed cautiously by the conservative movement they have also frequently been excoriated by those African Americans Latinos women and LGBT people who view their conservatism as betrayal Dillard's comprehensive study among the first to take the history and political implications of multicultural conservatism seriously is a vital source for understanding contemporary American conservatism in all its forms Dillard analyzes the famous Clarence Thomas Linda Chavez the obscure Elizabeth Wright's black conservative newsletter Issues and Views and the in between the memoirs of the gay conservative Marvin Liebman The New York Times

Conservatism Ted Honderich, 2005-01-20 This is a new edition of a classic work by one of the world's leading progressive political philosophers Ted Honderich examines ideology and reality in British and American politics in order to establish the true distinctions of conservatism Conservatives often claim to believe in reform but not change to rely

on instinct rather than abstract theories So what is the conservative rationale Does conservatism have a philosophical founding principle that unifies it Ted Honderich s search for the fundamental principle of conservatism is an enlightening one He examines influential thinkers in the conservative tradition from Edmund Burke and Adam Smith to Michael Oakeshott and Robert Nozick He brings rigorous analytic philosophy to bear on the Republican party in the United States and the Conservative party and the New Labour party in Britain Conservatism, Past and Present Tristan J. Rogers, 2025-01-31 In Conservatism Past and Present A Philosophical Introduction Tristan J Rogers argues that philosophical conservatism is a coherent and compelling set of historically rooted ideas about conserving and promoting the human good Part I Conservatism Past presents a history of conservative ideas exploring themes such as the search for wisdom the limits of philosophy reform in preference to revolution the relationship between authority and freedom and liberty as a living tradition Major figures include Aristotle Saint Thomas Aquinas Edmund Burke G W F Hegel and Roger Scruton Part II Conservatism Present applies philosophical conservatism to contemporary conservative politics focusing on issues such as nationalism populism the family education and responsibility Rogers shows that conservatism has been defined differently at different times as a loose set of connected ideas reacting against the French Revolution as a kind of disposition or instinct in favor of the status quo and more recently as any ideas opposed to the political left But he also allows a set of questions to guide his argument for conservatism s merits What is conservatism Is it a coherent and attractive philosophy What are conservatives for And how is today s conservatism related to its past In his answers Rogers paints a compelling and coherent picture of an aligned and attractive set of ideas

Portable Conservative Reader Introduction

Portable Conservative Reader Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Portable Conservative Reader Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Portable Conservative Reader : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Portable Conservative Reader : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Portable Conservative Reader Offers a diverse range of free eBooks across various genres. Portable Conservative Reader Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Portable Conservative Reader Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Portable Conservative Reader, especially related to Portable Conservative Reader, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Portable Conservative Reader, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Portable Conservative Reader books or magazines might include. Look for these in online stores or libraries. Remember that while Portable Conservative Reader, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Portable Conservative Reader eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Portable Conservative Reader full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Portable Conservative Reader eBooks, including some popular titles.

FAQs About Portable Conservative Reader Books

What is a Portable Conservative Reader PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Portable Conservative Reader PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Portable Conservative Reader PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Portable Conservative Reader PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Portable Conservative Reader PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
