Portfolio Of Sculpture The Frick Collection:

The Worlds of Villard de Honnecourt: The Portfolio, Medieval Technology, and Gothic Monuments, 2022-12-12

This book charts the past present and future of studies on medieval technology art and craft practices Inspired by Villard s enigmatic portfolio of artistic and engineering drawings this collection explores the multiple facets of medieval building represented in this manuscript Paris Biblioth que nationale de France MS Fr 19093 The book s eighteen essays and two introductions showcase traditional and emergent methods for the study of medieval craft demonstrating how these diverse approaches collectively amplify our understanding about how medieval people built engineered and represented their world Contributions range from the analysis of words and images in Villard s portfolio to the close analysis of masonry technological marvels and gothic architecture pointing the way toward new avenues for future scholarship to explore Contributors are Mickey Abel Carl F Barnes Jr Robert Bork George Brooks Michael T Davis Amy Gillette Erik Gustafson Maile S Hutterer John James William Sayers Ellen Shortell Alice Isabella Sullivan Richard Alfred Sundt Sarah Thompson Steven A Walton Maggie M Williams Kathleen Wilson Ruffo and Nancy Wu

Hearings, Reports and Prints of the Senate Committee on Finance United States. Congress. Senate. Committee on Finance, 1969

Michelangelo's Sculpture Leo Steinberg, 2018-11-28 Leo Steinberg was one of the most original and daring art historians of the twentieth century known for taking interpretative risks that challenged the profession by overturning reigning orthodoxies In essays and lectures that ranged from old masters to contemporary art he combined scholarly erudition with an eloquent prose that illuminated his subject and a credo that privileged the visual evidence of the image over the literature written about it His works sometimes provocative and controversial remain vital and influential reading For half a century Steinberg delved into Michelangelo s work revealing the symbolic structures underlying the artist s highly charged idiom This volume of essays and unpublished lectures explicates many of Michelangelo s most celebrated sculptures applying principles gleaned from long hard looking Almost everything Steinberg wrote included passages of old fashioned formal analysis but here put to the service of interpretation He understood that Michelangelo s rendering of figures as well as their gestures and interrelations conveys an emblematic significance masquerading under the guise of naturalism Michelangelo pushed Renaissance naturalism into the furthest reaches of metaphor using the language of the body and its actions to express fundamental Christian tenets once expressible only by poets and preachers or as Steinberg put it in Michelangelo s art anatomy becomes theology Michelangelo s Sculpture is the first in a series of volumes of Steinberg s selected writings and unpublished lectures edited by his longtime associate Sheila Schwartz The volume also includes a book review debunking psychoanalytic interpretation of the master s work a light hearted look at Michelangelo and the medical profession and finally the shortest piece Steinberg ever published

Portfolio , 1979

The Art of Seeing Paul Zelanski, Mary Pat Fisher, 2011 For one semester courses in Art Appreciation or Introduction to Art The Art of Seeing explores traditional and contemporary art and artistic media focusing on art as seen

from the artist's point of view. The book introduces students to artistic techniques and introductory aesthetic principles. It provides clear, concise presentation, superb illustrations, and strong emphasis on the elements and media.

New York Magazine, 1988-06-20 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea.
