Portion of Jethro Live Jethro, Random House, 1994-08-01      *Disclosing a Portion: the inner mechanics of the Torah*  
Michael Laitman, 2014-03-03 The Pentateuch or The Five Books of Moses is a fascinating odyssey of a nation in the making Yet underneath the tales that reveal human nature at its zenith and at its nadir lies an ocean of wisdom that if uncovered can alter reality itself Dr Michael Laitman's *Disclosing a Portion* the inner mechanics of the Torah uncovers some of that wisdom in a manner none other has done before Throughout the year each week observant Jews read a different portion of the Pentateuch which they refer to as the Torah Each portion deals with a different topic and is titled according to the first word or words in the portion As you read through the portions you will discover that each of the protagonists in the stories we've known for so long is not a myth but a living force within These forces direct and determine your path in life and when you come to know them you come to know your true self Take your time to delve into the text and portion by portion you will find new meanings that will enrich and empower you as you become the happy confident person that you dream of being

**Portion of Jethro** Jethro, 1999-12-07 Performing live at City Hall Salisbury Jethro treats the listener to a collection of stories including chasing sheep in Wales and Denzil's confusion at the Antiques Roadshow      **Portion of Jethro**  
Jethro, 2003-05-19 Oh Hell Oh Hell The story so far Jethro is slightly naughty but mighty raunchy He's Big he's Beefy it's the Funny Man from Cornwall must be the cream teas Jethro will give you GIGANTIC belly laughs as he spurts forth his hilarious observations on life for example chasing sheep in Wales and how lucky women are to sit down to pee when men have to aim at a moving target that's daft that is And there are stories to tell about Jethro's friend Denzil Penberthy who gets very confused at the smallest things What do you take to the Antiques Roadshow and How do you get dogs muck off your shoe Oh Hell that's A Portion of Jethro outside Cornwall and performing live at The City Hall Salisbury That's Official      *Garments of Light: 70 Illuminating Essays on the Weekly Torah Portion and Holidays* Efraim Palvanov, 2017-11-13 *Garments of Light* is a collection of seventy revealing essays that take you on a deeper journey through the Torah and Jewish holidays How could Adam have lived 930 years Was Joseph really sold by his own brothers Why is Rosh Hashanah the New Year When is Mashiach coming How do we deal with apparent contradictions between Torah and science Find the surprising answers to these and other enigmatic questions in the pages of this book Unravel ancient mysteries and prophecies and explore the Jewish perspective on reincarnation and the afterlife astrology the Messianic Era and more      **The Rational Bible: Exodus**  
Dennis Prager, 2018-04-02 A national bestseller Why do so many people think the Bible the most influential book in world history is outdated Why do our friends and neighbors and sometimes we ourselves dismiss the Bible as irrelevant irrational immoral or all of these things This explanation of the Book of Exodus the second book of the Bible will demonstrate that the Bible is not only powerfully relevant to today's issues but completely consistent with rational thought Do you think the Bible permitted the trans Atlantic slave trade You won't after reading this book Do you struggle to love your parents If you do you

need this book Do you doubt the existence of God because belief in God is irrational This book will give you reason after reason to rethink your doubts The title of this commentary is The Rational Bible because its approach is entirely reason based The reader is never asked to accept anything on faith alone As Prager says If something I write does not make rational sense I have not done my job The Rational Bible is the fruit of Dennis Prager's forty years of teaching the Bible to people of every faith and no faith On virtually every page you will discover how the text relates to the contemporary world and to your life His goal to change your mind and then change your life
