Computer Aided Systems Theory – EUROCAST 2005 Roberto Moreno-Díaz, Franz Pichler, Alexis Quesada

Arencibia, 2005-10-19 The concept of CAST computer aided systems Theory was introduced by F Pichler of Linz in the late 1980s to include those computer theoretical and practical developments used as tools to solve problems in system science It was considered as the third component the other two being CAD and CAM that would provide for a complete picture of the path from computer and systems sciences to practical developments in science and engineering The University of Linz organized the first CAST workshop in April 1988 which demonstrated the acceptance of the concepts by the scientific and technical community Next the University of Las Palmas de Gran Canaria joined the University of Linz to organize the first international meeting on CAST Las Palmas February 1989 under the name EUROCAST 1989 a very successful gathering of systems theorists computer scientists and engineers from most European countries North America and Japan It was agreed that EUROCAST international conferences would be organized every two years Thus the following EUROCAST meetings took place in Krems 1991 Las Palmas 1993 Innsbruck 1995 Las Palmas 1997 Vienna 1999 Las Palmas 2001 and Las Palmas 2003 in addition to an extra European CAST conference in Ottawa in 1994 Selected papers from those meetings were published as Springer Lecture Notes in Computer Science vols 410 585 763 1030 1333 1728 2178 and 2809 and in several special issues of Cybernetics and Systems an International Journal

**Not Fit for Our Society** Peter Schrag, 2010 Peter Schrag is the model for all political writers He is committed passionate and eloquent but always stays harnessed to the facts and rooted in the realities of politics and human nature He reports out everything and he writes like a dream We can be grateful that in Not Fit for Our Society he has turned his gifts to the seemingly intractable problem of immigration We will have to settle this issue again as we always manage to do despite enormous commotion and anxiety Schrag will force everyone to think more clearly and to approach immigration with both compassion and good sense EJ Dionne Jr author of Souled Out Just who is fit to be part of the society that became a nation in 1776 and who decides and on what basis In Not Fit for Our Society Peter Schrag offers an invigorating well informed carefully reasoned investigation into today's immigration debates David Hollinger President of the Organization of American Historians 2010 2011 Peter Schrag has a unique view of the immigration debate and policies that have shaped our

country since its founding His very timely writing of *Not Fit for our Society* helps us to better understand how the immigration debate and politics have gotten us to where we are today His insights and intellect on the subject give all of us much to think about as we move forward on this very important issue Doris O Matsui Member of Congress Peter Schrag has done it again A sweeping review that puts the ferocity of our current immigration debate in historical context *Not Fit for Our Society* is a must read for those hoping to get past talk show rhetoric and cherry picked facts Uncovering the dark impulses that have long undergirded nativist thought he argues that we have seen this before and that America will be better if we see through it again Manuel Pastor University of Southern California Peter Schrag offers a lively and thoughtful reinterpretation of America's ambivalence about immigration and immigrants place in the nation's life Drawing on his reading of primary sources and the latest scholarship he tells a story rich in irony detail and nuance tracing the history of nativism from the earliest days of the Republic to the current debates over immigration reform The book is particularly striking for the way that it connects the arguments and organizations of the current anti immigration movement to their roots in the eugenics movement and pseudo scientific racism of the early 20th century Mark Paul New America Foundation Schrag delivers a story rich in irony detail and nuance often told with passion and frequently challenging orthodoxies of both the political right and left It is the right book at the right time Mark Paul New America Foundation History's lessons come through loud and clear as Peter Schrag vividly recounts the characters and the ideas behind that side of America that rejects immigration Illuminating both in its sweep and its detail this 300 year narrative makes an important contribution to our understanding of today's policy debates Roberto Suro author of *Strangers Among US Latino Lives in a Changing America* In an intemperate time Peter Schrag's voice is lucid and truly American Richard Rodriguez

**The Gloves-off Economy** Annette D. Bernhardt, 2008 Across the United States increasing numbers of employers are breaking bending or evading long established laws and standards designed to protect workers from the minimum wage to job safety standards to the right to organize This gloves off economy no longer confined to a marginal set of sweatshops and fly by night small businesses is sending shock waves into every corner of the low wage labor market In the process employers who play by the rules are under growing pressure to follow suit intensifying the search for low cost business strategies across a wide range of industries and ratcheting up into ever higher reaches of the labor market Although other books have touched on pieces of this problem *The Gloves off Economy* is the first to provide a comprehensive integrated analysis and quite a disturbing one This book examines a range of gloves off practices the workers who are affected by them and strategies for enforcing workplace standards The editors four respected labor scholars have brought together economists sociologists labor attorneys union strategists and other experts to offer varying perspectives on both the problem and the creative solutions currently being explored in a wide range of communities and industries Annette Bernhardt Heather Boushey Laura Dresser and Chris Tilly and the volume's other authors combine rigorous analysis with a stirring call to renew worker protections in the twenty first century

Critical Companion to Native American and First Nations Theatre and Performance Jaye T. Darby, Courtney Elkin Mohler, Christy Stanlake, 2020-02-06 This foundational study offers an accessible introduction to Native American and First Nations theatre by drawing on critical Indigenous and dramaturgical frameworks It is the first major survey book to introduce Native artists plays and theatres within their cultural aesthetic spiritual and socio political contexts Native American and First Nations theatre weaves the spiritual and aesthetic traditions of Native cultures into diverse dynamic contemporary plays that enact Indigenous human rights through the plays visionary styles of dramaturgy and performance The book begins by introducing readers to historical and cultural contexts helpful for reading Native American and First Nations drama followed by an overview of Indigenous plays and theatre artists from across the century Finally it points forward to the ways in which Native American and First Nations theatre artists are continuing to create works that advocate for human rights through transformative Native performance practices Addressing the complexities of this dynamic field this volume offers critical grounding in the historical development of Indigenous theatre in North America while analysing key Native plays and performance traditions from the mainland United States and Canada In surveying Native theatre from the late 19th century until today the authors explore the cultural aesthetic and spiritual concerns as well as the political and revitalization efforts of Indigenous peoples This book frames the major themes of the genre and identifies how such themes are present in the dramaturgy rehearsal practices and performance histories of key Native scripts *Energy Law and the Sustainable Company* Patricia Park, Duncan Park, 2016-04-28 What kind of decision making should multinationals engage in to create a sustainable company There is substantial debate over why CEOs senior management and Boards of Directors make the wrong decisions by not asking the right questions with the result that not only is the company itself damaged but all of the stakeholders find themselves at a detriment Focusing on innovation technology transfer and the use of intangible assets *Energy Law and the Sustainable Company* features case studies from the oil and gas sector to illustrate how to develop a sustainable business Considering corporate social responsibility from the perspective of international and national law the book demonstrates how companies can be both profitable and ethical using the influences of psychology to encourage senior decision makers to make the right decisions It was revealed that reputation was the main principle influencing decision making The book also discusses how companies have reported on their sustainability strategy and considers how technology transfer and intangible assets may play a part in addressing global sustainability This book should be invaluable reading to students and scholars of Sustainable Business Business Law Corporate Social Responsibility Environmental and Energy Law as well as Environmental and Energy Management *Pedagogies for Teaching First-Generation College Students and the Dynamics of Globalized Classrooms* Simon Mary Asese Ahiokhai, Matt Daily, Layla Garrigues, 2025-09-23 This book examines how higher education institutions positively enhance the learning experiences of first generation college students What systems in our communities and world are intentionally or unintentionally producing

the realities of first generation identities and how can these be upended through a deliberate pedagogical turn With these questions in mind this book aims to highlight the relevant and dynamic pedagogical skills and tools that institutions can employ to address the demands of globality and difference in the classroom Challenging traditional deficit focused perspectives used to discuss first generation students the book highlights alternative strengths based support methods to improve the experiences and outcomes of first generation college students This book will appeal to scholars researchers and upper level students with interests in higher education cultural studies philosophy of education and decolonial studies
