

THE ROOSEVELT WOMEN

BETTY BOYD CAROLI

AUTHOR OF *FIRST LADIES*

Roosevelt Women A Portrait In Five Generations

Nancy F. Cott

Roosevelt Women A Portrait In Five Generations:

The Roosevelt Women Betty Boyd Caroli, 1999-12-15 The Roosevelt name conjures up images of powerful Presidents and dashing men of high society But few people know much about the extraordinary network of women that held the Roosevelt clan together through war scandal and disease In *The Roosevelt Women* Betty Boyd Caroli weaves together stories culled from a rich store of letters memoirs and interviews to chronicle nine extraordinary Roosevelt women across a century and a half of turbulent history She examines the Roosevelt women as mothers daughters wives and beyond that as world travelers authors campaigners and socialites in short as themselves She reveals how they demonstrated the energy and intellectual curiosity that defined their famous family as well as the roles they played in the intrigues scandals and accomplishments that were hallmarks of the Roosevelt clan From the much maligned Sara Delano who sired Franklin and by turns terrified and supported Eleanor to Theodore's irrepressible daughter Alice I can either rule the country or control Alice Teddy once said to the beloved Bamie who was the only mother Alice ever knew and the model of everything she never was in life to the exceptionally beautiful but ultimately overwhelmed Mittie Theodore's mother *The Roosevelt Women* is an intricate portrait of bold and talented women a grand tale of both unbearable tragedies and triumphant achievements

The Man He Became James Tobin, 2013-11-12 Here from James Tobin winner of the National Book Critics Circle Award in biography is the story of the greatest comeback in American political history a saga long buried in half truth distortion and myth Franklin Roosevelt's ten year climb from paralysis to the White House In 1921 at the age of thirty nine Roosevelt was the brightest young star in the Democratic Party One day he was racing his children around their summer home Two days later he could not stand up Hopes of a quick recovery faded fast He's through said allies and enemies alike Even his family and close friends misjudged their man as they and the nation would learn in time With a painstaking reexamination of original documents James Tobin uncovers the twisted chain of accidents that left FDR paralyzed he reveals how polio recast Roosevelt's fateful partnership with his wife Eleanor and he shows that FDR's true victory was not over paralysis but over the ancient stigma attached to the disabled Tobin also explodes the conventional wisdom of recent years that FDR deceived the public about his condition In fact Roosevelt and his chief aide Louis Howe understood that only by displaying himself as a man who had come back from a knockout punch could FDR erase the perception that had followed him from childhood that he was a pampered too smooth pretty boy without the strength to lead the nation As Tobin persuasively argues FDR became president less in spite of polio than because of polio *The Man He Became* affirms that true character emerges only in crisis and that in the shaping of this great American leader character was all **America's First Ladies** Nancy

Hendricks, 2015-10-13 Meet the First Ladies of the United States sometimes inspiring sometimes tragic always fascinating women who though often unsung helped hold the nation together in its infancy and advance it as a world power More than simply serving as America's hostesses many of the nation's First Ladies played vital roles in shaping their husband's

presidency and serving as political activists in their own right From Martha Washington to Michelle Obama their inspiring stories come alive in this handsomely illustrated encyclopedia Within its pages the First Ladies are revealed as human beings who one day awoke to find the eyes of the world upon them The book differs from others by showcasing America's First Ladies in their own words as flesh and blood individuals Readers will discover which First Lady held off Napoleon's army with a toy sword why women had to be pale frail and ailing and which First Lady was called Sunshine and which was Hellcat Each entry includes a biographical essay that details the life of the woman and places her within the political social and cultural context of her time Each also offers a related primary document that helps define the First Lady's legacy as well as a short bibliography for further information Written in a lively compelling style this highly readable volume is perfect for junior high high school and college students as well as the general public **Lucy Mercer Rutherford** Christine M.

Totten, 2018-12-31 What more could there be to know about FDR given how exhaustively his life has been written about As it happens there is more and that focuses on Lucy Mercer Rutherford the queen of her Washington social circle later FDR's friend and love and Eleanor's rival as the title of Christine Totten's work points out In *Lucy Mercer Rutherford Eleanor's Rival* FDR's Other Love Totten presents a carefully structured case for a deep and lasting but chaste love between Lucy and FDR against the prevailing view that they were clandestine lovers Totten's research into the personal memories of the Rutherford family and the public holdings of the FDR Library establishes a new rich understanding of Lucy Mercer Rutherford her early life her education and her role in the social and political scene in Washington This work gives Lucy Mercer Rutherford her due as a woman in her own right as well as FDR's valued soul mate and friend *A Companion to First Ladies* Katherine A.S. Sibley, 2016-03-02 This volume explores more than two centuries of literature on the First Ladies from Martha Washington to Michelle Obama providing the first historiographical overview of these important women in U.S. history Underlines the growing scholarly appreciation of the First Ladies and the evolution of the position since the 18th century Explores the impact of these women not only on White House responsibilities but on elections presidential policies social causes and in shaping their husbands' legacies Brings the First Ladies into crisp historiographical focus assessing how these women and their contributions have been perceived both in popular literature and scholarly debate Provides concise biographical treatments for each First Lady *Eleanor: A Spiritual Biography* Harold Ivan Smith, 2017-03-02 More than fifty years after her death Eleanor Roosevelt is remembered as a formidable first lady and tireless social activist Often overlooked however is her deep and inclusive spirituality Her personal faith was shaped by reading the New Testament in her youth giving her a Jesus-centered spirituality that fueled her commitment to civil rights women's rights and the rights of all little people marginalized in American society She took seriously Jesus' words and despite her life of privilege she made the needs of those on the margins her priority *Eleanor A Spiritual Biography* provides insight into one of America's most famous women particularly the spiritual influences that made her so active in social justice issues **Eleanor** David Michaelis, 2021-10-19

Presents a breakthrough portrait of America's longest serving first lady that covers her major contributions throughout critical historical events and her essential role in advancing international human rights **Franklin D. Roosevelt** Roger Daniels, 2015-10-15 Franklin D Roosevelt consensus choice as one of three great presidents led the American people through the two major crises of modern times The first volume of an epic two part biography Franklin D Roosevelt Road to the New Deal 1882 1939 presents FDR from a privileged Hyde Park childhood through his leadership in the Great Depression to the ominous buildup to global war Roger Daniels revisits the sources and closely examines Roosevelt's own words and deeds to create a twenty first century analysis of how Roosevelt forged the modern presidency Daniels's close analysis yields new insights into the expansion of Roosevelt's economic views FDR's steady mastery of the complexities of federal administrative practices and possibilities the ways the press and presidential handlers treated questions surrounding his health and his genius for channeling the lessons learned from an unprecedented collection of scholars and experts into bold political action Revelatory and nuanced Franklin D Roosevelt Road to the New Deal 1882 1939 reappraises the rise of a political titan and his impact on the country he remade The Roosevelt Women Betty Boyd Caroli, 2018-02-27 The Roosevelt name conjures up images of powerful Presidents and dashing men of high society But few people know much about the extraordinary network of women that held the Roosevelt clan together through war scandal and disease In The Roosevelt Women Betty Boyd Caroli weaves together stories culled from a rich store of letters memoirs and interviews to chronicle nine extraordinary Roosevelt women across a century and a half of turbulent history She examines the Roosevelt women as mothers daughters wives and beyond that as world travelers authors campaigners and socialites in short as themselves She reveals how they demonstrated the energy and intellectual curiosity that defined their famous family as well as the roles they played in the intrigues scandals and accomplishments that were hallmarks of the Roosevelt clan From the much maligned Sara Delano who sired Franklin and by turns terrified and supported Eleanor to Theodore's irrepressible daughter Alice I can either rule the country or control Alice Teddy once said to the beloved Bamie who was the only mother Alice ever knew and the model of everything she never was in life to the exceptionally beautiful but ultimately overwhelmed Mittie Theodore's mother The Roosevelt Women is an intricate portrait of bold and talented women a grand tale of both unbearable tragedies and triumphant achievements Public Library Catalog Juliette Yaakov, 2004 More than 8 000 books in the main volume More than 2 400 new titles in annual paperbound supplements More than 2 000 analytic entries for items in collections and anthologies **Time**, 1998 **American Book Publishing Record**, 1998 **Bibliographic Guide to Womens Studies 1998** New York Public Library Staff, 1999-08 **The Routledge History of Irish America** Cian T. McMahon, Kathleen P. Costello-Sullivan, 2024-07-23 This volume gathers over 40 world class scholars to explore the dynamics that have shaped the Irish experience in America from the seventeenth to the twenty first centuries From the early 1600s to the present over 10 million Irish people emigrated to various points around the globe Of them more than six million settled in what we now call

the United States of America Some were emigrants some were exiles and some were refugees but they all brought with them habits ideas and beliefs from Ireland which played a role in shaping their new home Organized chronologically the chapters in this volume offer a cogent blend of historical perspectives from the pens of some of the world's leading scholars Each section explores multiple themes including gender race identity class work religion and politics This book also offers essays that examine the literary and or artistic production of each era These studies investigate not only how Irish America saw itself or in turn was seen but also how the historical moment influenced cultural representation It demonstrates the ways in which Irish Americans have connected with other groups such as African Americans and Native Americans and sets Irish America in the context of the global Irish diaspora This book will be of value to undergraduate and graduate students as well as instructors and scholars interested in American History Immigration History Irish Studies and Ethnic Studies more broadly

A Bilateral Bicentennial J. W. Schulte Nordholt, Robert P. Swierenga, 1982

The Grounding of Modern Feminism Nancy F. Cott, 1987-01-01 The time has come to define feminism it is no longer possible to ignore it The Century Magazine 1914 In this landmark addition to scholarship Nancy F Cott author of *The Bonds of Womanhood* offers a new interpretation of American feminism during the early decades of this century a period traditionally viewed as one in which women won the right to vote and then lost interest in feminist issues Cott argues instead that this period was a time of crisis and transition from the nineteenth century woman movement to the beginning of modern feminism Many of the issues that are central to women today says Cott were firmly articulated in the early decades of this century For example the problem of defining sexual equality so as to recognize sexual difference between men and women the ambiguous potential of a movement seeking individual freedoms for women by mobilizing sex solidarity and the tensions involved in attaining full expression in work and love are all enduring elements of feminism seized upon by women of the 1910s and 1920s First discussing how feminism was indebted to its predecessors Cott shows that increasing heterogeneity and diverse loyalties among women in the early twentieth century contradicted the premise of the nineteenth century cause of woman the singular noun symbolizing the unity of the female sex From this crisis emerged feminism championing individual variability and refuting the premise that a singular woman existed Cott focuses on the suffrage campaign milieu in which feminism arose giving particular attention to the character and role of the National Woman's Party from its militant suffrage days to its advocacy of the equal right amendment in the 1920s Against prevailing interpretations of the decline of women's political activities after 1920 Cott counterposes the swelling numbers in women's voluntary associations and their political efforts She also analyzes the pitfalls that awaited women who tried for effectiveness in the male dominated political parties She sets the controversy over the equal rights amendment in new context discussing the full dimensions of the conflict as not merely over personalities tactics or class loyalties but as a signal example of the modern problem of capturing sexual equality and sexual difference in law The book explores the irony strewn path of women who as aspiring professionals and political actors

attempted to put into practice the feminist intent to replace the abstraction woman with instead the human sex This history the story of women who first claimed the name feminists builds an essential bridge between the presuffrage period and today
