*TRANSFORMING HUMANITY* Dinesh Chandra Bhargava, About the Book First I give you what you want so that gradually you will want what I have really come to give you Liberation itself The vast number of visitors from all over the world from all walks of life and all faiths has been converging at Prasanthi Nilayam in a remote region of Southern India just to have a glimpse of a Holy man Sri Sathya Sai Baba the Avatar of the present Age Royalty Heads of State Politicians Industrialists Judges Priests Doctors Army Generals Scientists Actors Cricketers Teachers Students General Public all congregate at this Abode of Supreme Peace His Ashram resembles a mini United Nations of spiritual seekers with groups of foreign devotees wearing different coloured scarves for country wise identification The book contains dramatic eye witness accounts of extraordinary Sai phenomena and the wonders taking place in Sai Baba s Ashram Never before in the history of

the world have there been so many indications of the descent of the Full Avatar in human form The miracles of Krishna and Jesus must be taken on trust and faith those of Sri Sathya Sai Baba you can see for yourself The author describes the various ways how Sri Sathya Sai Baba is transforming humanity discusses the factors on which his devotees base their belief in him outlines his Mission and explains how he is achieving it The danger from which Man has to be rescued has never been so great and the evil over the Earth never so pronounced as now Sathya Sai Baba s Mission starts with nothing less than the transformation of humanity to reinstate the supremacy of the spirit over matter and offer liberation itself Sathya Sai Baba is short in stature has a huge halo of hair on his head wears an orange robe walks as though his feet are gliding on the floor displays a majestic grace works all day long but at the same time maintains an austere life style He is a fountain of knowledge although he has never read any books he speaks in the most profound way with remarkable clarity and spontaneity as he has no need to think he always gives discourses impromptu as he has no need of any notes or preparation he replies to searching questions by scientists theologians and other intellectuals with a ready and spontaneous answer on any subject This Avatar never engages in any spiritual practice does no Japa or reciting the holy name no Dhyana or meditating and no Yoga practising union with God He knows no worship or prayer for He is the Highest He only teaches you to worship and pray The Rishis and Saints of yore evolved through spiritual practice to high levels of consciousness and God realization to ascend heavenwards The Avatar by contrast is already born fully divine and descends downwards His humanitarian projects are unique like his Schools and Universities that provide free education world class Super Specialty Hospitals in rural areas that provide free treatment to one and all and massive water systems that provide drinking water to millions of people in drought prone districts all established in record time Sathya Sai Baba s Global Education Programme based on human values aims to bring about worldwide social transformation reduce strife and turmoil and unite mankind to live as one family in peace and harmony The author describes the worldwide Sai Movement with special reference to Latin America where the Sai Spirit has spread like wild fire crossing the barriers of language religion and culture     Srimad Bhagavad Gita — Abridged Baba Hari Dass,2021-11-15 Baba Hari Dass Babaji wrote the summaries of the eighteen chapters of the Bhagavad Gita to make the essence of the Gita accessible for all spiritual seekers and students Babaji was completely versed in the Gita from several vantage points cultural lifelong personal study and the discipline of a mauni sadhu silent monk in the Vairagi Vaishnaiva sect It was from this complete and nuanced understanding that he wrote his full commentaries on the Gita published in three volumes     **The Path to the Guru** Scott Teitsworth,2014-06-09 A verse by verse examination of the guide to self transformation presented in the Bhagavad Gita Reveals the scientific approach to personal development and spiritual enlightenment laid out in Krishna s advice to Arjuna Shows how the Gita prepares you to work with a guru advocating authenticity and skepticism rather than blind devotion and obedience Explores Krishna s advice on which societal limitations to reject to overcome your fears and reconnect with the suppressed parts of your inner being

Drawing on his more than 40 years of in depth study of Indian Philosophy under the tutelage of his guru Nitya Chaitanya Yati author Scott Teitsworth explores the scientific approach to self transformation and spiritual enlightenment encoded in Krishna s advice to Arjuna in the Bhagavad Gita Providing a verse by verse examination of the first two chapters he reveals the Gita s lessons to prepare the seeker to meet and successfully work with a guru whether an outside teacher or the intuitive knowledge that arises from overcoming the psyche s learned limitations The author shows that the Gita does not advocate blind devotion to a guru or god but rather personal development victory over your fears and liberation of the psyche He demonstrates how Krishna s advice provides tools to guide us out of our fear based experiences to reconnect with the suppressed parts of our inner being He explains how Arjuna s doubts and confusions represent the plight of every person we are born free but gradually become bogged down by the demands of our society continuously dependent on outside authority for answers and disconnected from our true inner nature He reveals how Krishna s advice offers guidance for dealing with life s conflicts which societal limitations to reject and how to see through the polarizing notion of good versus evil to form a balanced state of mind superior to both Restoring the fearless vision of the ancient rishis who like today s scientists prized skepticism as an important technique for accessing truth Teitsworth reveals the Gita as a guide to an authentic guru disciple relationship as well as to constructing a life of significance freedom and true sovereign adulthood Sathya Sai Baba Vladimir Antonov,2008 This book dedicated to the Teachings of Sathya Sai Baba was written at His request Published in Russian it was blessed by Him in His Indian ashram Later the text of the book was supplemented with conversations with Sathya Sai Baba **Words of Inspirations and Hope** Juliet D Wilkinson,2012-05-31 The religion that feeds and fosters all religions and emphasizes their common greatness Sathya Sai Baba Discipline of the mind is a basic ingredient of genuine morality and therefore of spiritual strength Spiritual power is the eternal guide in this life and the life after for man ranks supreme among all creatures Led forward by spiritual power man can reach the summit destined for him by the great creator Since nobody can interfere in the realm of God we should tolerate and live side by side with those of other faiths In the mystic traditions of different religions we have a remarkable unity of spirit Whatever religion they profess they are spiritual kinsmen While the different religions in their historic forms bind us to limited groups and militate against the development of loyalty to the world community the mystics have already stood for the fellowship of humanity in harmony with the spirit of the mystics of ages gone by No one should question the faith of others for no human being can judge the ways of God This is an excerpt from the speech on spiritual progress H I M Haile Selassie
