Gries,2003 ANNOTATION

Elaine first met Sathya Sai Baba in 1973 and has watched his mission of love spread around the world in the past 30 years. The platform on which his astounding activities are based is fivefold: truth, right action, peace, love, and nonviolence. Essence of Divinity chronicles Elaine's search for a true spiritual teacher and her experiences with Sai Baba. The book also describes Sai Baba's major service projects: his free educational system from elementary school to the university; his program on education in human values; his free health care programs which include hospitals that perform the latest heart surgeries; and his project to bring pure water to the people of the Indian State of Andhra Pradesh and elsewhere. Elaine compellingly weaves together quotes from 30 years of Sai Baba's discourses on several important issues: health care, science, and spirituality; the environment; the role of women; and vedanta.
