## **Saint Jeromes Hebrew Questions On Genesis:**

**Saint Jerome's Hebrew Questions on Genesis** Saint Jerome, 1995-06-29 Jerome was one of the very few early Christian scholars to know any Hebrew This is a unique introduction translation and commentary of his Questions on Genesis a fascinating work showing a Christian working alongside Jews in an age very different from our own Jerome's influence on the Church is well known but this work is equally important for the light thrown on the history and origin of many ideas at the heart of the Jewish tradition [Saint Jerome's Hebrew Questions on Genesis](#) Saint Jerome, 1995

**Jerome's Hebrew Philology** Michael Graves, 2007 Focusing on his training in classical literary studies and his extensive interaction with Jewish sources this book describes the practice of Hebrew scholarship in St Jerome and the significance of Hebrew for his biblical exegesis *Jewish, Christian, and Classical Exegetical Traditions in Jerome's Translation of the Book of Exodus* Matthew A. Kraus, 2017-04-03 In Jewish Christian and Classical Exegetical Traditions in Jerome's Translation of the Book of Exodus Translation Technique and the Vulgate Matthew Kraus offers a layered understanding of Jerome's translation of biblical narrative poetry and law from Hebrew to Latin Usually seen as a tool for textual criticism when read as a work of literature the Vulgate reflects a Late Antique conception of Hebrew grammar critical use of Greek biblical traditions rabbinic influence Christian interpretation and Classical style and motifs Instead of typically treating the text of the Vulgate and Jerome himself separately Matthew Kraus uncovers Late Antiquity in the many facets of the translator at work grammarian biblical exegete Septuagint scholar Christian intellectual rabbinic correspondent and devotee of Classical literature

**Abraham, Israel and the Nations** Paul R. Williamson, 2001-03-01 The divine promises to Abraham have long been recognized as a key to the book of Genesis as a whole But their variety often noted also raises literary and theological problems Why do they differ each time and how are they related to each other and to the story of Abraham Williamson focuses on the promises in Genesis 15 and 17 and concludes that they are concerned with two distinct but related issues Genesis 15 guarantees God's promise to make Abraham into a great nation while Genesis 17 focuses chiefly on God's promise to mediate blessing through Abraham to the nations The two chapters are connected however by the theme of an individual royal descendant who will come from the nation Israel and mediate blessing to all the nations of the earth *Targum Neofiti 1: Genesis* Martin McNamara, MSC, 2024-04-24 Beginning with an introduction of the Palestinian Targums or Targum Yerushalmi the author relates the history of the term research in the field and other background information on the Palestinian Pentateuch Targums before providing a verse by verse translation of Neofiti 1

*Death Warning in the Garden of Eden* Chris W. Lee, 2020-08-28 La 4e de couverture indique In this book Chris W Lee provides a text critical analysis of the divine death warning in Genesis 2 16 17 in its original context and traces the history of its reception and interpretation within biblical and non biblical Second Temple Jewish Literature

**The Devil's Mousetrap** Linda Munk, 1997-09-04 The Devil's Mousetrap approaches the thought of three colonial New England divines Increase Mather Jonathan Edwards and Edward Taylor from the perspective

of literary theory Author Linda Munk focuses on the background of these men's ideas and on the sources from which they drew both directly and indirectly in framing their theology She notes that the language used in the pulpit by Mather Edwards and Taylor is full of allusions to the Bible and Apocrypha to Puritan treatises and to post biblical exegesis Jewish and Christian Munk proceeds to unpack many allusions that have for the most part proven to be unclear to contemporary readers in order to provide essential insights into the construction of Puritan theology

**Targum and New Testament** Martin McNamara, 2011 The relevance of the Targums Aramaic translations of the Hebrew Bible for the understanding of the New Testament has been a matter of dispute over the past three hundred years principally by reason of the late date of the Targum manuscripts and the nature of the Aramaic The debate has become more focused by reason of the Qumran finds of pre Christian Aramaic documents 1947 and the identification of a complete text of the Palestinian Targum of the Pentateuch in the Vatican Library Codex Neofiti 1956 Martin McNamara traces the history of the debate down to our own day and the annotated translation of all the Targums into English He studies the language situation Aramaic and Greek in New Testament Palestine and the interpretation of the Scriptures in the Targums with concepts and language similar to the New Testament Against this background relationships between the Targums and the New Testament are examined A way forward is suggested by regarding the tell like structure of the Targums with layers from different ages and a continuum running through for certain texts

*Interpreting Abraham* Bradley Beach, Matthew Powell, 2014-02-01 The text presents a collection of essays that reflect upon the narrative of God's command to Abraham to sacrifice his son Isaac in Genesis 22 It explores various readings of Abraham and the Akedah story throughout history including traditional modern and post modern readings as well as through Jewish Christian and Islamic lenses The book demonstrates the diversity of interpretations and the dramatic impact of the story on the western intellectual tradition

*The Book of Genesis* Craig A. Evans, Joel N. Lohr, David L. Petersen, 2012-03-20 Written by leading experts in the field The Book of Genesis Composition Reception and Interpretation offers a wide ranging treatment of the main aspects of Genesis study Its twenty nine essays fall under four main sections The first section contains studies of a more general nature including the history of Genesis in critical study Genesis in literary and historical study as well as the function of Genesis in the Pentateuch In the second portion scholars present commentary on or interpretation of specific passages or sections of Genesis as well as essays on its formation genres and themes The third part includes essays on the textual history and reception of Genesis in Judaism Christianity and Islam The final section explores the theologies of the book of Genesis including essays on Genesis and ecology and Genesis in the context of Jewish thought

*Studies in Ancient Judaism and Early Christianity* Pieter W. van der Horst, 2014-03-13 Over the past 45 years Professor Pieter W van der Horst contributed extensively to the study of ancient Judaism and early Christianity The 24 papers in this volume written since his early retirement in 2006 cover a wide range of topics all of them concerning the religious world of Judaism and Christianity in the Hellenistic Roman and early Byzantine era They reflect his research

interests in Jewish epigraphy Jewish interpretation of the Bible Jewish prayer culture the diaspora in Asia Minor exegetical problems in the writings of Philo and Josephus Samaritan history texts from ancient Christianity which have received little attention the poems of Cyrus of Panopolis the Doctrina Jacobi nuper baptizati the Letter of Mara bar Sarapion and miscellanea such as the pagan myth of Jewish cannibalism the meaning of the Greek expression without God the religious significance of sneezing in pagan antiquity and the variety of stories about pious long sleepers in the ancient world pagan Jewish Christian

Grappling With the Chronology of the Genesis Flood Steven W. Boyd, Andrew Snelling, 2014 Understand this highly debated flash point for scientific debate academic criticism and common confusion with this unique presentation Delve into the technical aspects of the chronology historicity and significance of understanding this landmark event including what we can learn from the Hebrew words used to describe it Examine the numerous geological geophysical and paleontological indications pointing to the reality and global scope of the Flood Learn how and why the authors exhaustive research began putting forth objectives criticisms they would address and identifying obstacles to be resolved The Flood as described in the Book of Genesis not only shaped the global landscape it is an event that literally forms our understanding of early biblical history Now an experienced team of scientists and theologians has written a definitive account of the Genesis Flood with detailed research into the original biblical text and evidences unlocked by modern science and study Often recounted and discounted as just a myth or children s story what we find with deeper study is instead a cataclysmic event one that truly wiped out life on our planet with the exception of those preserved through God s plan The devastation the Genesis Flood wreaked upon a rebellious world remains an important part of the biblical narrative we should understand for what it was a divine act of judgment on a sin immersed world

*The Targums* Paul V.M. Flesher, Bruce D. Chilton, 2011-08-25 The value and significance of the targums translations of the Hebrew Bible into Aramaic the language of Palestinian Jews for centuries following the Babylonian Exile lie in their approach to translation within a typically literal rendering of a text they incorporate extensive exegetical material additions and paraphrases that reveal important information about Second Temple Judaism its interpretation of its bible and its beliefs This remarkable survey introduces critical knowledge and insights that have emerged over the past forty years including targum manuscripts discovered this century and targums known in Aramaic but only recently translated into English Prolific scholars Flesher and Chilton guide readers in understanding the development of the targums their relationship to the Hebrew Bible their dates language and place in the history of Christianity and Judaism and their theologies and methods of interpretation With clear presentation of current research and the issues involved including the Targums and the New Testament and a rich bibliography this is the most complete and up to date introduction to the Targums An outstanding highly recommended achievement Martin McNamara Emeritus Professor of Scripture Milltown Institute Dublin Ireland

The Early Christian World Philip F. Esler, 2002-09-11 Early Christian World presents an exhaustive erudite and lavishly illustrated treatment of how the small

movement which formed around Jesus in Galilee became the pre eminent religion of the ancient world The work begins by firmly situating early Christianity within its Mediterranean social political and religious contexts before charting the history of the first Christian centuries The creation and perpetuation of Christian communities through various means including mission and monasticism is explored as is the everyday experience of early Christians through discussion of gender and sexuality religious practice communication and social structures The intellectual particularly theological and artistic heritage of the period is fully considered and a vivid picture painted of the internal and external challenges faced by early Christianity The book concludes with profiles of the most notable figures of the age Comprehensive and accessible *Early Christian World* provides up to date coverage of the most important topics in the study of early Christianity together with an invaluable collection of visual material It will be an indispensable resource for anyone studying this period

*Biblical Genealogies: A Form-Critical Analysis, with a Special Focus on Women* Hedda Klip, 2022-01-17 This book is the first comprehensive study completely dedicated to all biblical genealogies It provides a form critical analysis of these genealogies and defines basic patterns and deviations Helpful charts guide you towards the distinctive characteristics of these patterns The last chapter of the book summarises all genealogical information on women in their different roles as daughters sisters and wives The book includes a short comparison to the presence of women in the genealogies in the *Liber Antiquitatum Biblicarum*

**Between Judaism and Christianity** Katrin Kogman-Appel, Mati Meyer, 2009 The essays collected in this volume present a multi faceted range of scholarship from late antique synagogues Jewish funerary art early Christian and Byzantine mosaics to Byzantine and Jewish book art and the representation of the Old Testament in Western manuscripts

**The Early Christian World** Philip Esler, 2017-07-20 Since its publication in 2000 *The Early Christian World* has come to be regarded by scholars students and the general reader as one of the most informative and accessible works in English on the origins development character and major figures of early Christianity In this new edition the strengths of the first edition are retained These include the book s attractive architecture that initially takes a reader through the context and historical development of early Christianity the essays in critical areas such as community formation everyday experience the intellectual and artistic heritage and external and internal challenges and the profiles on the most influential early Christian figures The book also preserves its strong stress on the social reality of early Christianity and continues its distinctive use of hundreds of illustrations and maps to bring that world to life Yet the years that have passed since the first edition was published have seen great advances made in our understanding of early Christianity in its world This new edition fully reflects these developments and provides the reader with authoritative lively and up to date access to the early Christian world A quarter of the text is entirely new and the remaining essays have all been carefully revised and updated by their authors Some of the new material relates to Christian culture including book culture canonical and non canonical scriptures saints and hagiography and translation across cultures But there are also new essays on Jewish and Christian interaction in the early

centuries ritual the New Testament in Roman Britain Manichaeism Pachomius the Great and Gregory of Nyssa This new edition will serve its readers for many years to come      **Political Philosophy and the God of Abraham** Thomas L. Pangle, 2007-07-25 In this book noted scholar Thomas L Pangle brings back a lost and crucial dimension of political theory the mutually illuminating encounter between skeptically rationalist political philosophy and faith based political theology guided ultimately by the authority of the Bible Focusing on the chapters of Genesis in which the foundation of the Bible is laid Pangle provides an interpretive reading illuminated by the questions and concerns of the Socratic tradition and its medieval heirs in the Christian Jewish and Islamic worlds He brings into contrast the rival interpretive framework set by the biblical criticism of the modern rationalists Hobbes and Spinoza along with their heirs from Locke to Hegel The full meaning of these diverse philosophic responses to the Bible is clarified through a dialogue with hermeneutic discussions by leading political theologians in the Judaic Muslim and Christian traditions from Josephus and Augustine to our day Profound and subtle in its argument this book will be of interest not only to students and scholars of politics philosophy and religion but also to thoughtful readers in every walk of life who seek to deepen their understanding of the perplexing relationship between religious faith and philosophic reason James V Schall      Philo of Alexandria David T. Runia, Helena Maria Keizer, 2000 This volume is a continuation of Philo of Alexandria an Annotated Bibliography 1937 1986 published by Roberto Radice and David Runia in 1988 second edition 1992 Prepared with the collaboration of the International Philo Bibliography Project it contains a complete listing of all scholarly writings on Philo in all languages for the period 1987 to 1996 Part One lists texts translations commentaries etc 75 items Part Two contains critical studies 880 items In part Three additional works for the years 1937 1986 are presented 170 items In all cases a brief description of the contents of the contribution is given Seven indices including a detailed Index of subjects complete the work
