Saint John Of The Cross Reflections On Mystical Experience:

Saint John of the Cross Alain Cugno, 1982-01-01 **John of the Cross and the Cognitive Value of Mysticism** Steven Payne, 1990-07-31 This book is a significant contribution to the literature on mysticism and the epistemology thereof It is recommended to all those interested in the mystics and in the question of the cognitive value of mysticism Review of Metaphysics March 1992 *John of the Cross and the Cognitive Value of Mysticism* S. Payne, 2012-12-06 Among Anglo American philosophers interest in mysticism has typically been limited to the question of whether or not mystical and religious experiences provide evidence for or knowledge of the existence and nature of God Most authors conclude that they do not because such experiences lack certain qualities needed in order to be counted as cognitive In this study I examine some current philosophical opinions about mysticism and objections to its epistemic significance in the context of a detailed study of the writings of a single mystical author the Spanish Carmelite Saint John of the Cross 1542 1591 I argue that from his works one can draw a coherent theory of what takes place in the Christian mystical life and will indicate how acceptance of this theory might be defended as rational through a type of inference often referred to as the Argument to the Best Explanation In this way I hope to show that mysticism still has a significant bearing on the justification of religious faith even if it cannot be used to prove the existence of God The nature and advantages of my own somewhat unusual approach to mysticism can perhaps best be explained by contrasting it with the way other authors have dealt with the subject One of the most striking developments in recent decades has been the growing fascination with mysticism meditation and the experiential aspects of religion **The Contemporary Challenge of John of the Cross: An Introduction to His Life and Teaching** Leonard Doohan, 2014-01-22 A clear and simple introduction to the life writings and message of the Mystical Doctor stressing always the practical applications of his teaching and example for today's Christians *John of the Cross* Kavanaugh, Kieran, OCD, 1987 This volume contains carefully chosen texts that give a picture of the essential St John of the Cross 1542 1591 a Spanish Carmelite Included are selections from The Ascent of Mount Carmel The Dark Night and Spiritual Canticle *Carmelite Spirituality in the Teresian Tradition* Paul-Marie of the Cross, OCD, 2015-12-11 This book is a revised edition of the classic overview of the principal texts themes and teachings of Carmel Elijah and Mary the Rule of St Albert the Carmelite understanding of prayer and the message of Sts Teresa John of the Cross and Thérèse Carmel is known above all for her priceless heritage of spirituality For centuries in the spirit of Elijah and the ancient prophets Carmelites have sought to encounter the living God and to teach others the ways of prayer In sixteenth century Spain Saint Teresa of Avila brought renewed vitality to this religious family by inaugurating a reform movement that became known as the Discalced Carmelites a new and fruitful branch on an ancient vine Carmelite Spirituality in the Teresian Tradition first published in English in 1959 provides a concise and inspiring overview of Carmel's spiritual heritage from a Teresian perspective Renowned Discalced Carmelite author Paul Marie of the Cross identifies the principal texts themes figures and teachings of Carmel Elijah and

Mary the Rule of St Albert and the Book of the Institution of the First Monks the Carmelite understanding of contemplation and the degrees of prayer the message of Saints Teresa John of the Cross and Th r se of Lisieux This classic essay long out of print is here updated and reprinted for a new generation of seekers longing to slake their spiritual thirst at the fount of Carmel

San Juan de la Cruz Saint John of the Cross,1996-01-01 St John San Juan de la Cruz is one of the greatest mystics and poets in any language This is a new introduction and translation of St John poetry presented in both Spanish and English and prose commentaries that includes his biography providing an integrated vision that resurrects the power of his poetic voice

The Direction of Desire Mark Gerard Murphy,2023-09-25 This book examines Lacanian psychoanalysis and Christian mystical theology demonstrating the former s potential for reinvigorating spiritual direction The author outlines how current methods of spiritual direction become saturated with self help psycho pop methodologies and that desire has therefore been foreclosed in these practices He suggests that the root of this is a focus on positive affective experientialism which means spiritual direction must focus on emotional wholeness healing and positivity Finally he argues that a new dialogue between John of the Cross a mystic whose writings on spiritual direction formulate part of the core of the Catholic spiritual tradition and Jacques Lacan can open the way for a spiritual direction beyond the confines of experientialism The book concludes that we can only escape the experiential commodification of spiritual direction by critiquing the drive to experience in and of itself This novel work will appeal in particular to students and scholars of psychoanalysis religion philosophy and critical theory

Mephistopheles Jeffrey Burton Russell,1990 An excellent and important intellectual history Library Journal Using examples from theology philosophy art literature and popular culture Russell describes the great changes effected in our idea of the Devil by the intellectual and cultural developments of modern times *Mephistopheles* is the fourth and final volume of Jeffrey Burton Russell s critically acclaimed history of the concept of the Devil The series constitutes the most complete historical study ever made of the figure called the second most famous personage in Christianity In the first three volumes the author brought the history of Christian diabolology to the end of the Middle Ages This volume continues the story from the Reformation to the present tracing the fragmentation of the tradition

Christianity Looks East Peter Feldmeier,2006 This fascinating book takes a fresh look at interreligious dialogue with St John of the Cross and Bhadantacariya Buddhaghosa as representatives of Christian and Buddhist paths to liberation As the world is increasingly experienced as a global village dialogue with other religious traditions is widely regarded as possibly the greatest modern or post modern challenge and the distinctive journey of our time Dialogue not only informs our understanding of various expressions of holiness it also can inform one s own religious faith and practice This book investigates a form of dialogue that can be a model for future dialogues Without laying assumptions on the nature of religious experience it allows these classic texts and their representative religions to speak for themselves What is often lacking in this history of dialogue is its lack of appreciation for distinctive religious paths and the experiences described therein

Put Out Into The Deep Emilia Fransiska Dian Widhowati, PMY, God is Love To believe in this God of unconditional Love is a lived experience in each person and in each generation everywhere on the globe and all different cultures and historical periods In the beginning of the nineteenth century we notice in the south of the Netherlands a strong movement to renew and to actualise the Catholic faith in the concrete circumstances

of poverty and political neglect In this way the Congregation of the Sisters of Charity Daughters of Mary and Joseph was founded on 7 July 1820 in s Hertogenbosch Similar to several other congregations in the same period St Vincent de Paul was their principal source of inspiration determined their charism and remained at the centre of their spirituality Religious life is essentially a lived experience of faith in which concrete persons touched by the incomprehensible Love of God dedicate their life in total surrender to this Love As a result they obey to the divine calling to be wholly transformed in love and to become docile instruments of God s overwhelming Charity towards all vulnerable persons young and old their brothers and sisters who are stripped of their human dignity humiliated and enslaved in many subtle ways In this Vincentian congregation this divine vocation of Charity was originally implemented as a specific service to the education of blind and deaf children but widened to the care of other forgotten groups like victims of trafficking in women and discrimination or subordination of women

Freud and Augustine in Dialogue William B. Parsons,2013-11-15 It is arguably the case writes William Parsons that no two figures have had more influence on the course of Western introspective thought than Freud and Augustine Yet it is commonly assumed that Freud and Augustine would have nothing to say to each other with regard to spirituality or mysticism given the former s alleged antipathy to religion and the latter s not usually being considered a mystic Adopting an interdisciplinary dialogical and transformational framework for interpreting Augustine s spiritual journey in his Confessions Parsons places a mystical theology at the heart of Augustine s narrative and argues that his mysticism has been misunderstood partly because of the limited nature of the psychological models applied to it At the same time he expands Freud s therapeutic legacy to incorporate the contemporary findings of physiology and neuroscience that have been influenced in part by modern spirituality Parsons develops a new psychological hermeneutic to account for Augustine s mysticism that will capture the imagination of contemporary readers who are both psychologically informed and interested in spirituality The author intends this interpretive model not only to engage modern introspective concerns about developmental conflict and the power of the unconscious but also to reach a more nuanced level of insight into the origins and the nature of the self

The Top Books of the Year Saint John Of The Cross Reflections On Mystical Experience The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Saint John Of The Cross Reflections On Mystical Experience : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
