Saint Sees It Through:

The Saint Sees it Through Leslie Charteris, 1946 Simon Templar fights an international dope ring The Saint Burl Barer, 2003-06-13 The now legendary character created by Leslie Charteris has survived nearly three quarters of a century of perilous action and narrow escapes with nary a hair out of place nor the slightest jolt to his jauntily tipped halo From his earliest days battling crooks blood suckers traders in vice and damnation and cracking the occasional safe on the side the Saint has captured the imaginations of millions Using the voluminous correspondence and writings of author Leslie Charteris and examining the many incarnations of Simon Templar alias The Saint in other media a detailed history emerges Includes plot synopses of the radio and television programs with air dates and production credits descriptions of the movies and their credits a bibliography reviews of the books and quotes from the principals **Of Martyrs, Monks, and Mystics** Charles R. Ringma, Irene Alexander, 2015-10-15 Everywhere there are voices calling for a new Reformation marked by a return to the older sources of Christian wisdom and for drinking anew the inspiration of the Desert Fathers and Mothers the church fathers those from the monastic tradition and the medieval Christian mystics This anthology of original sources in contemporary English structured in a meditational mode could well be the rich resource you are looking for in hearing the ancient Christian wisdom Here are the deep wells of theological and spiritual insight that could guide you in walking a renewed path of faith in our precarious world These voices from the past may well help you in living against the tide of late modernity with its rationality and utilitarianism that cannot sustain a well lived and well loved life This book could sustain the hope for a renewed world through life lived in the presence of the healing and empowering God Love Itself Is Understanding Matthew A. Rothaus Moser , 2016-11-01 Hans Urs von Balthasar 1905 1988 sets out to reunite Truth and holiness by returning the saints to their proper place at the heart of philosophy theology and metaphysics Love Itself is Understanding is one of the first systematic treatments of Balthasar s theology of the saints Matthew Rothaus Moser presents Balthasar as an alternative to Idealist philosophy a thinker who develops a religious metaphysics in which the saints practices of prayer and contemplation are the chief mode of knowing that the Truth of Being is divine love Love Itself is Understanding casts new light on dominant themes in Balthasar s thought and invites a renewed vision of the theological and metaphysical significance of the spiritual practices of prayer obedience and charity Saint Peter's Snow Leo Perutz, 2014-06-03 It could have been a common street accident that put Dr Georg Amberg in the hospital but for the five weeks his doctors say he has been in a coma recovering from a brain hemorrhage after being run down by a car he has memories of a more disturbing nature What of the violent events in the rural village of Morwede The old woman threatening the priest with a breadknife angry peasants with flails and cudgels Baron von Malchin with a pistol defending his dreams for the Holy Roman Empire how could Dr Amberg ignore these And what of the secret experiment to make a mind altering drug from a white mildew occurring on wheat a mildew called Saint Peter s Snow In this feverish tale of a man caught in the

balance between two realities Leo Pertuz offers a mystery of identity and a fable of faith and political fervor banned by the Nazis when it was first published in 1933 Saint Peter's Snow is typical of Perutz's storytelling mastery extraordinarily rich and elegant fiction that is taut with suspense full of Old World irony and humor Skyhorse Publishing as well as our Arcade Yucca and Good Books imprints are proud to publish a broad range of books for readers interested in fiction novels novellas political and medical thrillers comedy satire historical fiction romance erotic and love stories mystery classic literature folklore and mythology literary classics including Shakespeare Dumas Wilde Cather and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

 Burpee, 2025-02-25 The seventeen stories in this collection range from short vignettes to sprawling novellas The characters
 who appear in them are ordinary folk full of flaws and frailties who embark upon journeys that call them to rise to unforeseen
 challenges These expeditions which variously take them to the very frontiers of life shift their perception of themselves and
 the world in which they live love and toil Most of these yarns are tales of redemption and sometimes serendipitous justice
 with characters who are good people at heart yet who may seem rough hewn with their sometimes spicy language And they
 are visual stories meant to unfold like movies in the reader s mind For surely everybody s going somewhere looking for
 something or someone Often such discoveries are made in unexpected ways and it s how each person makes that journey
 that spins a good tale *Raiding Saint Peter* Joëlle Rollo-Koster, 2008 This book argues that during the Middle Ages there
 was a pillaging problem attached to ecclesiastical interregna that the nature of ecclesiastical elections contributed to the
 problem and the problem in turn contributed to the initiation of the Great Western Schism **Saint Louis Magazine** , 1881

The Confessions of Saint Augustine Saint Augustine, 1997-04 In *The Confessions* Saint Augustine addressed himself eloquently and passionately to the enduring spiritual questions that have stirred the minds and hearts of thoughtful men since time began Written A D 397 The Confessions are a history of the young Augustine's fierce struggle to overcome his profligate ways and achieve a life of spiritual grace The first ten books of the work relate the story of Augustine's childhood in Numidia his licentious and riotous youth and early manhood in Carthage Rome and Milan his continuous struggle with evil his attempts to find an anchor for his faith among the Manicheans and the Neoplatonists the untiring efforts of his mother Saint Monnica to save him from self destruction and his ultimate conversion to the Christian faith at the age of thirty two The last three books of *The Confessions* unrelated to the preceding account of Saint Augustine's early life are an allegorical explanation of the Mosaic account of Creation Throughout the work the narrative addressed to God is interspersed with prayers meditations and instructions many of which today are to be found in the liturgies of all sects of the Christian Church The Confessions constitute perhaps the most moving diary ever recorded of a soul's journey to grace Appearing midway in Saint Augustine's prodigious body of theological writings they stand among the most persuasive works of the sinner turned priest who was to exercise a greater influence on Christian thought than any of the other Church fathers What Have the Saints to Teach Us? NPNF1-11. Saint Chrysostom: Homilies on the Acts of the Apostles and the Epistle to the Romans, *Saint Perpetua across the Middle Ages* Margaret Cotter-Lynch, 2016-09-23 This study traces the genealogy of Saint Perpetua's story with a straightforward yet previously overlooked question at its center How was Perpetua remembered and to what uses was that memory put One of the most popular and venerated saints from 200 CE to the thirteenth century the story of Saint Perpetua was retold in dramatically different forms across the European Middle Ages Her story begins in the arena at Carthage a 22 year old nursing mother named Vibia Perpetua was executed for being a Christian leaving behind a self authored account of her time in prison leading up to her martyrdom By turns loving mother militant gladiator empathic young woman or unattainable ideal Saint Perpetua's story ultimately helps to trace the circulation of texts and the transformations of ideals of Christian womanhood between the third and thirteenth centuries **The Five Wounds of Saint Francis** Rev. Fr. Solanus M. Benfatti, 2011-09-30 Many saints have borne the stigmata wounds resembling those of Christ's crucifixion While some of those saints have written about their experience little is known of the personal experience of the first of all saints to brandish this extraordinary sign Francis of Assisi They were and have remained his carefully guarded secret In *The Five Wounds of Saint Francis* author Fr Solanus Benfatti CFR explores the significance of this miraculous event in the Saint's life through careful analysis of pertinent medieval literature and recent scholarly studies He
