*Saints and Festivals of the Christian Church* H. Pomeroy Brewster, 1904      *Saints and Festivals of the Christian Church*  
H. Pomeroy Brewster, 1902      ***Saints and Festivals of the Christian Church*** Brewster H Pomeroy 1906,  
D., HardPress, 2013-06 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character  
Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits  
maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original  
artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made  
available for future generations to enjoy      *Saints and Festivals of the Christian Church (Classic Reprint)* H. Pomeroy  
Brewster, 2015-06-30 Excerpt from *Saints and Festivals of the Christian Church* A considerable part of the matter presented  
in the following pages was printed a series of articles in the Union and Advertiser of Rochester N Y The absolute truthfulness  
of these articles from both archeological and historic standpoints as well as their entire freedom from all denominational bias  
with the knowledge of profane and ecclesiastical history and canon law shown in them at once attracted a wide circle of  
readers and won the hearty approval of the clergy and laity of both the Protestant and Roman branches of the Christian  
Church On their completion at the request of many eminent divines the author has carefully revised the entire work adding  
to the original MSS much valuable material and he has thus produced what is practically a Church Year Book in which is told  
the origin history and present status of each of the chief festivals of the entire Christian Church as well as of a number of  
local feasts and festivals which obtain in certain parts of Europe While it is beyond the scope of the present work to attempt  
to tell the story of every one of the numerous canonized saints whom the Church has chosen to honour the author has each  
day throughout the year selected a few of the most noted among them and made brief sketches of the lives of those who are  
remembered on that day But in the Alphabetical Index are given the name and saint day of a far more comprehensive list  
while in the general index will be found the names of those especially mentioned As the largest number of the feasts fasts  
and festivals of the Church occur on dates dependant upon the date of Easter these are spoken of at approximate dates to be  
found in the general index while others like Christmas whose dates are fixed are treated of on their proper days In conclusion  
we may say that this book is the only one published except those huge tomes extending into from twelve to twenty volumes  
wherein may be found such complete and tersely told hagiology About the Publisher Forgotten Books publishes hundreds of  
thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important
