**The Apocalypse Explained, According to the Spiritual Sense** Emanuel Swedenborg,1871 *Priesthood and Temple in John's Apocalypse* Timothy B. Tse,2024-12-12 Timothy B Tse argues that while John uses language drawn from the Hebrew Bible s descriptions of YHWH s dwelling place scholarship has overlooked the importance of his spatial transformation of that language Tse thus uses theories relating to Relevance Resistance Theory Critical Space Theory and Conceptual Metaphor to demonstrate that a significant part of John s apocalyptic strategy of resistance is to re present his vision to his audience spatially so that they can experience a divinely ordained alternative to the world in which they live Tse first demonstrates John s attempts to relegate his audience s experience of space to his own revelation John s description of the visionary world creates the metaphors the earth is a Sanctuary and the Saints are its priests Tse argues that under this view life on earth must be evaluated according to the concerns of the Sanctuary which by definition requires the removal of everything impure and the Saints namely all Christians in both the historic and visionary worlds must take priestly responsibility for the earth John therefore portrays the Saints joining in the removal of all impurity upon the earth by fighting as priests in God and the Lamb s war against Satan Babylon and all her impurities Tse concludes that overall John means to realign the church s experience of space so that they understand themselves as priests of the Sanctuary and live according to that reality

**Unveiling Three Parts of Babylon** William C. Taggart III PhD,2022-12-06 This second book of the Unveiling Series Unveiling Three Parts of Babylon by Dr William C Taggart III offers a biblical study based on Revelation 16 19 where the kingdom of Satan portrayed as the great city Babylon falls into three parts The author noted that in Revelation 18 4 the saints are urged to leave Babylon to avoid her plagues Jeremiah 51 35 49 That the Satanic kingdom is portrayed biblically in three parts in Revelation 16 19 makes it imperative that the saints have a biblical understanding of those three parts to exit the Satanic kingdom completely A correct biblical understanding of the three parts of Babylon is essential to the fleeing saints as they seek to escape the Satanic influences in all its forms Unveiling Three Parts of Babylon continues the Unveiling Series by further biblically developing the three parts of Babylon which initially was presented by the author s doctoral dissertation through corrections made and additional analysis This second book not only exposes more fully the kingdom of Satan but encourages the successful exit of all humanity from the Babylonian entanglements of all three parts Revelation 18 4

*Babylon and the Brethren* James Harding,2015-10-22 This book is a history of the Whore of Babylon image found in the book of Revelation with an emphasis upon the use and influence of the text on the Brethren of the nineteenth century The Brethren developed a multi layered exegesis of the text using Babylon as a form of vituperative rhetoric through which to vilify all other Christians in order to define their own religious identity Those with divergent doctrinal beliefs belonged to an epistemological Babylon those polluted by the world belonged to secular Babylon Babylon was contagious It is from the pens of these writers that the Secret

Rapture of the Church doctrine developed as a biological fight or flight response and a psychological fear and fantasy response Whilst the Brethren of the nineteenth century are the central focus the book will have a wider appeal to those interested in the history of exegesis hermeneutics and Apocalypse studies for it also offers an overview of hermeneutical approaches to the reading of Revelation a survey of Babylon's afterlife throughout the history of the church and new insights into the ways in which readers texts and contexts interact in the broader context of sectarian biblical exegesis

**The Revelation of Jesus Christ** Alfred J. Chomppf Pastor, 2013 This book is about the Lord Jesus Christ and who He really is When we read the Bible we should remember the principle The last revelation carries the greater weight The final revelation of the Lord Jesus Christ to the last living of His disciples the apostle John a short time before the apostle John was also to expire was a final word to His beloved disciple containing the most important things for the life of the Christian church And since the last revelation carries the greater weight we should embrace these last messages of the Lord with great care and believe these words even if they would upset well established doctrines in the churches Only the Lord Jesus Christ is worthy to be praised and He is the only one who deserves the attention of this book
