Salammbô Matho:

Salammbô Ernest Reyer, 1901 *Salammbô* Gustave Flaubert, 2022-11-13 Gustave Flaubert's *Salammbô* is a captivating historical novel set in ancient Carthage during the tumultuous aftermath of the Mercenary War 241 BC. Richly imbued with the author's hallmark meticulousness, the narrative is characterized by lush descriptive passages and a vivid portrayal of the cultural and political dynamics of a society on the brink of collapse. Flaubert masterfully intertwines the personal and the political as it chronicles the tale of the priestess Salammbô and her tragic entanglements with the mercenary leader Matho, framed within grand themes of love, power, and religious fervor, effectively immersing the reader in the sensibilities of an entirely different epoch. Flaubert, a pioneer of literary realism, was influenced by his extensive studies of ancient civilizations and his travels throughout North Africa. This exposure allowed him to create a vivid tableau that transcends mere historical fiction; it becomes a profound exploration of human emotion and ambition. The meticulous research that Flaubert employed reflects his desire to depict not just the history but the essence of a lost world, underlining his belief in the importance of artistic accuracy and depth. *Salammbô* is highly recommended for readers interested in rich historical narratives interwoven with psychological complexity. Flaubert's novel is not merely a reflection of ancient times but an exploration of universal human experiences. It challenges the reader to ponder the intersections of fate and free will, making it an essential reading for anyone seeking a deeper understanding of literary history and the enduring power of storytelling.

Salammbô Gustave Flaubert, 2022-11-01 Reproduction of the original **Salammbô** Gustave Flaubert, 2023-10-30T03:35:01Z Carthage's struggle, or rather the struggle of its hired mercenaries against its enemies in the First Punic War, has ended in success. But now the mercenaries are expecting their fee, and Carthage isn't willing or able to cover its debts. Incensed, the mercenaries are easily led into rebellion by a pair of their own, each of whom have their own reasons to launch an attack. Spendius has escaped from slavery in Carthage and wants nothing more than to land a damaging blow on the mighty city-state, while Matho is besotted with the enigmatic and otherworldly priestess Salammbô. Flaubert's vision of the Mercenary War is broadly compatible with historical sources but never allows accuracy to get in the way of a good story. While characters such as Matho, Spendius, and Hamilcar existed and are well documented in sources such as Polybius' *Histories*, *Salammbô*, as a character along with her surroundings, allow Flaubert to paint a more sensual view of Carthaginian ritual and excess. He also didn't hold back with his descriptions of the intense violence of both the battles and the sacrifices required by the gods. *Salammbô* followed the success of *Madame Bovary* and marked a departure in style for Flaubert. It was, however, another commercial success and led to a new appreciation in French society for the novel's setting. The story has been reworked for different media many times over the intervening years, and the character of Salammbô even makes a memorable appearance in the classic film *Citizen Kane*. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

Musorgsky David Brown, 2010-05-14 Modest Musorgsky was one of the towering figures of nineteenth-century Russian

music Now in this new volume in the Master Musicians series David Brown gives us the first life and works study of Musorgsky to appear in English for over a half century Indeed this is the largest such study of Musorgsky to have appeared outside Russia Brown shows how Musorgsky though essentially an amateur with no systematic training in composition emerged in his first opera Boris Godunov as a supreme musical dramatist Indeed in this opera and in certain of his piano pieces in Pictures at an Exhibition Musorgsky produced some of the most startlingly novel music of the whole nineteenth century He was also one of the most original of all song composers with a prodigious gift for uncovering the emotional content of a text As Brown illuminates Musorgsky's work he also paints a detailed portrait of the composer's life He describes how unlike the systematic and disciplined Tchaikovsky Musorgsky was a fitful composer When the inspiration was upon him he could apply himself with superhuman intensity as he did when composing the initial version of Boris Godunov Sadly Musorgsky deteriorated in his final years suffering periods of inner turmoil when his alcoholism would be out of control Finally unemployed and all but destitute he died at age forty two His failure to complete his two remaining operas Khovanshchina and Sorochintsy Fair Brown concludes is one of music's greatest tragedies Written by one of the leading authorities on nineteenth century Russian composers Musorgsky is the finest available biography of this giant of Russian music
