Perroux Are Of A Very Original Nature In Modern Economics And Are Of Great Significance In Interpreting The Various Aspects Of Development In Asia And Africa Much More Research Work Must Be Done In The Same Direction In The Years To Come And It Will Be Profitable To Knowledge In Social Sciences And Humanities      Structural Changes in Indian Economy

Anil K. Yadav,1999 The book deals with structural changes relating to the Indian Economy through an over time view in an intercountry perspective We have examined in this study the structural changes and growth performance of the Indian Economy and contrasted it with the happenings across a set of countries at different levels of development The Indian Economy is first examined in isolation and then an inter country analysis is carried out where some of the features depicted by the Indian Economy are further tested The structural changes in the Indian Economy are examined on the basis of twenty two structural variables as were identified by Syrquin and Chenesy 1989 We also examine Economy and also for a set of countries at different levels of development      Industrial Cooperatives C. S. Rayudu,1992 The book critically examines the evolution of industrial co operatives and their importance in the present context of industrial set up In this outstanding book the author has aptly analysed and discussed the role of co operation as a balancing sector The book provides a comprehensive information on the subject The work appropriately demonstrates and among the issues discussed in this book are their working financial managment organisation marketing State aid and industrial relations The problems including those of artisans have been viewed The author offers many workable suggestions A carefully designed realistic approach and enjoyable pack of eight chapters This is a useful reference book which can be consulted conveniently by those looking up for information The book covers everything relevant currently in regional planning The present pioneering and indepth study is the outcome of the author s wide thinking and painstaking survey      DEVINSA Abstracts ,1994      **Challenges in Development**

V.V. Alexander,1993 This book as a prelude to NEW SCHOOL OF ECONOMIC THOUGHT provides Five Select Essays in a historical dimension on the theme Challenges in Development that largely by passed the serious attention of scholars on reasons unaccounted The dominant paradigms of development have undergone drastic shifts in the recent past The western or capitalistic model of development has lost much of its pretence and failed to prove valid in the Third World context The so called Socialist manifesto also failed as self fulfilling prophesy more so with the end of Communist power blocks and increasing disarray and communal conflicts in South East Asia and particularly the disintegration process that is off spin in India These challenges are now emerging into the centre stage of Economic Management with Human Centred Development as the new logic of market mechanism eclipsing the role of Keynesian paradigm in the emerging global economic order adopting holistic view on development TELEONOMICS This book would provide thoughts for further research for those serious scholars who are obsessed with modern economic system management and analysis Review The author has studied the phenomenon of underdevelopment in the Indian context and attributed it to lop sided development He does not subscribe to the view that over population is responsible for poverty The author s contention is that the development

strategy India has been following under various plans is elitist oriented The author laments the plan preaches socialism and politics practices capitalism the author argues even the technical change that has taken place is not helpful in solving problems of poverty and unemployment I Satya Sundaram Southern Economist Vol 34 5 July 1 1995      **State Public Enterprise and Economic Development** Kamesh Kumar,Priti Kashyap,1994 The history of public enterprises is not new They have been assigned the role of harbinger of socialism in India in accordance with the Industrial Policy Resolution of 1956 They are treated as the catalysts of economic development and social upliftment of the people For pretty a long time public enterprises have been in dock and dottage on the ground that they have not been able to deliver goods as per our expectations With a huge amount of investment in the central sector and the states sector taken together these enterprises have failed to generate a dependable surplus Public sector is an amalgam of Central and State enterprises In this book we have established that the state s enterprises commitments are no less than central enterprises to fulfil the objectives and expectations with which they were allotted the commanding height in our economy A macro level study of all types of State level public undertakings has been done to judge the efficiency and effectiveness of these enterprises This book is unique in the sense that it covers the syllabus of M A B A Hons and B A Pass courses of all the universities of Bihar and special paper as Public Enterprises in other universities of India In view of its multi dimensional approach the book would be of immense importance to general readers students academicians and researchers Review The book deals with the economics of public enterprises with special reference to Bihar The book is of special importance particularly in the present context of redefining the role of public sector I Satya Sundaram Southern Economist      Human Resources Development B.D. Kolekar,1993 Human Resource Development HRD is an educational endeavour to improve the human and organisational performance through planned learning process The book presents the inter unit and inter sector Central and State comparison and hence is a unique of its kind Brings out the major elements of Human Resource Development and provides material relating to Recruitment Selection Training Employee Evaluation and Reinforcement      *Yayoi People and Ancient Indo-Japanese Relations* Nadimpalli Venkata Bala Subrahmanya Dutt,1993 The book opens with the cordiality of the Yayoi 200 b c 250 a d and the Jomon inhabitants of Japan and covers the material and spiritual culture brought by the Yayoi namely rice and metal culture fine pottery and weaving basic structure of language grammar and idiom religion rituals and philosophy calendar festivals and social customs tracing their origin to India Three comparative tabular statements on languages and calendars are given The author interprets for the first time the Japanese concept of the Sun Goddess the Divine Imperial Acestress of Japan and the kinship of Japanese and Tibetan grammars and presents a review of the role of Andhra in ancient history A brief account of life and philosophy of Arya Nagarjuna is also given The book has a chart of comparable alphabets two maps several photos 120 references and an Index to persons and places It brings to light certain hitherto little known aspects of ancient Indo Japanese relations      Tax Performance in Indian States Biswadeb Chatterjee,1997      **Report on the Land**
