Scale Of Perfection And The English Mystical Tradition:

The Scale of Perfection and the English Mystical Tradition Joseph E. Milosh, 1996 The scale of perfection and the english mystical tradition Joseph E. Milosh, 1966 **The Scale of Perfection and the English Mystical Tradition** Joseph E. Milosh, 1966 English Mystics of the Middle Ages Barry A. Windeatt, 1994-09-29 First collection of late medieval English mystical writing which has been newly edited with notes and glossary **The Medieval Mystical Tradition in England** Edward Alexander Jones, 2004 The regular meetings resumed here with particular focus on Julian of Norwich and Syon Abbey and the Bridgettines The Middle English Mystics Wolfgang Riehle, 2019-06-26 Originally published as an English translation in 1981 The Middle English Mystics is a crucial contribution to the study of the literature of English mysticism This book surveys and analyses the language of metaphor in the writings of such mystics as Richard Rolle Walter Hilton Julian of Norwich and in such anonymous works as The Cloud of Unknowing and the Ancrene Wisse The main emphasis of this comparative and stylistic study is not theological but rather the means by which theological concepts are communicated through language The book sets the English mystics in perspective by establishing their place in the European mystical movement of the Middle Ages It shows how intricate the relationship between English and continental mysticism really is The book suggests that there is clear links between English and German female mysticism yet the mysticism is in the main due not so much to specific influences as to the common background of Christian theology and mysticism

Approaching Medieval English Anchoritic and Mystical Texts Dee Dyas, Valerie Edden, Roger Ellis, 2005 Essays suggesting new ways of studying the crucial but sometimes difficult range of medieval mystical material This volume seeks to explore the origins context and content of the anchoritic and mystical texts produced in England during the Middle Ages and to examine the ways in which these texts may be studied and taught today It foregrounds issues of context and interaction seeking both to position medieval spiritual writings against a surprisingly wide range of contemporary contexts and to face the challenge of making these texts accessible to a wider readership The contributions by leading scholars in the field incorporate historical literary and theological perspectives and offer critical approaches and background material which will inform both research and teaching The approaches to Middle English anchoritic and mystical texts suggested in this volume are many and varied In this they reflect the richness and complexity of the contexts from which these writings emerged These essays are offered as part of an ongoing exploration of aspects of medieval spirituality which while posing a considerable challenge to modern readers also offer invaluable insights into the interaction between medieval culture and belief Contributors E A Jones Dee Dyas Valerie Edden Santha Bhattacharji Denis Renevey A C Spearing Thomas Bestul Liz Herbert McAvoy Barry A Windeatt Alexandra Barratt R S Allen Roger Ellis Ann M Hutchison Marion Glasscoe Catherine Innes Parker The Medieval Mystical Tradition in England Marion Glasscoe, 1992 Twelve papers focus on mysticism as an experience and on the work of individual mystics *The Cambridge Companion to Medieval English Mysticism* Samuel

Fanous, Vincent Gillespie, 2011-05-12 This book is an excellent introduction to the individuals events and currents which shaped medieval English mystical texts The New Cambridge Bibliography of English Literature: Volume 1, 600-1660

George Watson, Ian Roy Willison, 1974-08-29 More than fifty specialists have contributed to this new edition of volume 1 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries The Medieval Mystical Tradition

Marion Glasscoe, 1999 Interdisciplinary studies on medieval mystics and their cultural background The High Middle Ages in England 1154-1377

Bertie Wilkinson, 1978-06-22 All aspects of England in the High Middle Ages are covered including sections on social economic religious military intellectual and art history as well as on political and constitutional history From publisher description The English Prose Treatises of Richard Rolle

Claire Elizabeth McIlroy, 2004 The author argues that in these devotional works which appealed to a broad readership in late medieval England Rolle successfully refines traditional affective strategies to develop an implied reader identity the individual soul seeking the love of God which empowers each and every reader in his or her own spiritual journey Jacket

English Literature in the Age of Chaucer Dieter Mehl, 2014-06-11 Written in an engaging and accessible manner English Literature in the Age of Chaucer serves as both a lucid introduction to Middle English literature for those coming fresh to the study of earlier English writing and as a stimulating examination of the themes traditions and

the literary achievement of a number of particularly original and interesting authors. In addition to detailed and sensitive treatment of Chaucer's major works, the book includes chapters on his chief contemporaries such as John Gower, William Langland, and the Gawain poet. It also examines the often underrated contribution to the English literary tradition of his successors John Lydgate and Thomas Hoccleve, as well as the interesting and original work of the Scottish poets Robert Henryson, William Dunbar, and Gavin Douglas, who also claim Chaucer as their model. Apart from the narrative poetry of Chaucer and his followers, the book also contains chapters on the Middle English lyric, Middle English prose, including Mandeville's travels, the most original and imaginative writings of the Middle English mystics, in particular Julian of Norwich and Margery Kempe, and Thomas Malory's impressive prose compilation of Arthurian stories.

Handbook of Medieval Studies Albrecht Classen, 2010-11-29 This interdisciplinary handbook provides extensive information about research in medieval studies and its most important results over the last decades. The handbook is a reference work which enables the readers to quickly and purposely gain insight into the important research discussions and to inform themselves about the current status of research in the field. The handbook consists of four parts. The first large section offers articles on all of the main disciplines and discussions of the field. The second section presents articles on the key concepts of modern medieval studies and the debates therein. The third section is a lexicon of the most important text genres of the Middle Ages. The fourth section provides an international bio-bibliographical lexicon of the most prominent medievalists in all disciplines. A comprehensive bibliography rounds off the compendium. The result is a reference work which exhaustively documents the current status of research in medieval studies and brings the disciplines and experts of the field together.

The Medieval Mystical Tradition in England E. A. Jones, Andrew B. Kraebel, Annie Sutherland, Ayoush Lazikani, Christiana Whitehead, 2025-04-15 The series has from the beginning been instrumental in sustaining this field of study. JOURNAL OF ECCLESIASTICAL HISTORY The rich tradition of pre-modern mystical writing from England is explored in this collection of essays from the ninth Exeter Symposium. The twelve chapters include studies of Richard Rolle, Walter Hilton, Julian of Norwich, Margery Kempe, and the author of *The Cloud of Unknowing*. There is work too on less familiar authors and texts from the thirteenth century Wooming Group to the sixteenth century Carthusian Richard Methley, the English reception of continental mystics such as Bridget of Sweden and Mechthild of Hackeborn, and writers treading and sometimes crossing the line between mysticism and heresy. The authors employ a range of approaches from detailed manuscript study to mystical theology and from material culture to comparative mysticism. Chapters 10 and 11 are available as Open Access under the Creative Commons license CC BY-NC-ND.

Devotion to the Name of Jesus in Medieval English Literature, c. 1100 - c. 1530 Denis Renevey, 2022-08-01 Devotion to the Name of Jesus in Medieval English Literature c. 1100 - c. 1530 offers a broad but detailed study of the practice of devotion to the Name of Jesus in late medieval England. It focuses on key texts written in Latin, Anglo-Norman, and Middle English that demonstrate the way in which devotion moved from monastic circles

to a lay public in the late medieval period It argues that devotion to the Name is a core element of Richard Rolle's contemplative practice although devotion to the Name circulated in trilingual England at an earlier stage The volume investigates to what extent the 1274 Second Lyon Council had an impact in the spread of the devotion in England and beyond It also offers illuminating evidence about how Margery Kempe and her scribes used devotion how Eleanor Hull made it an essential component of her meditative sequence seven days of the week and how Lady Margaret Beaufort worked towards its instigation as an official feast A Companion to Medieval English Literature and Culture, c.1350 - c.1500 Peter Brown, 2009-10-26 A Companion to Medieval English Literature and Culture c 1350 c 1500 challenges readers to think beyond a narrowly defined canon and conventional disciplinary boundaries A ground breaking collection of newly commissioned essays on medieval literature and culture Encourages students to think beyond a narrowly defined canon and conventional disciplinary boundaries Reflects the erosion of the traditional rigid boundary between medieval and early modern literature Stresses the importance of constructing contexts for reading literature Explores the extent to which medieval literature is in dialogue with other cultural products including the literature of other countries manuscripts and religion Includes close readings of frequently studied texts including texts by Chaucer Langland the Gawain poet and Hoccleve Confronts some of the controversies that exercise students of medieval literature such as those connected with literary theory love and chivalry and war

On Deification and Sacred Eloquence Louise Nelstrop, 2019-10-01 This book considers the place of deification in the writings of Julian of Norwich and Richard Rolle two of the fourteenth century English Mystics It argues that as a consequence of a belief in deification both produce writing that is helpfully viewed as sacred eloquence The book begins by discussing the nature of deification employing Norman Russell's typology It explores the realistic and ethical approaches found in the writings of several Early Greek Fathers including Irenaeus of Lyons Cyril of Alexandria Origen and Evagrius Ponticus as well as engaging with the debate around whether deification is a theological idea found in the West across its history The book then turns its attention to Julian and Rolle arguing that both promote forms of deification Rolle offering a primarily ethical approach while Julian's approach is more realistic Finally the book addresses the issue of sacred eloquence arguing that both Rolle and Julian in some sense view their words as divinely inspired in ways that demand an exegetical response that is para biblical Offering an important perspective on a previously understudied area of mysticism and deification this book will be of interest to scholars of mysticism theology and Middle English religious literature
