Liquid Scripture Jeffrey S. Siker, 2017-09-01 The electronic Bible is here to stay packaged in software on personal computers available as apps on tablets and cell phones Increasingly students look at glowing screens to consult the Bible in class and congregants do the same in Bible study and worship Jeffrey S Siker asks what difference does it make to our experience of Scripture if we no longer hold a book in our hands if we again scroll through Scripture How does the flow of electronic Scripture change our perception of the Bible's authority and significance Siker discusses the difference made when early Christians adopted the codex rather than the scroll and Gutenberg began the mass production of printed Bibles He also reviews the latest research on how the reading brain processes digital texts and how churches use digital Bibles including American Bible Society research and his own surveys of church leaders Siker asks does the proliferation of electronic translations reduce the perceived seriousness of Scripture Does it promote an individualistic response to the Bible How does the change from a physical Bible affect liturgical practice His synthesis of the advantages and risks of the digitized Bible merit serious reflection in classrooms and churches alike

Power in the Pulpit Jerry Vines, James L. Shaddix, 1999-06-10 The call to preach is just that a call to preach The call to preach however is more than just preaching The call to preach is a call to prepare Too many pastors have refrained from preparation while they await the Holy Spirit to do all of the work God expects preachers to prepare sermons as much as possible and allow Him to prepare the preachers Join Dr Jerry Vines and Dr Jim Shaddix as they achieve a balanced approach to teaching sermon preparation in *Power in the Pulpit* This book combines the essential perspectives of a pastor of forty years with another pastor who also devotes daily time to training pastors in the context of theological education Thus *Power in the Pulpit* is a practical preaching help from a pastoral perspective in the tradition where expository preaching is a paramount and frequent event in the life of the local church *Power in the Pulpit* is the combined work of Dr Vines's two earlier publications on preaching *A Practical Guide to Sermon Preparation* Moody Press 1985 and *A Guide to Effective Sermon Delivery* Moody Press 1986 Dr Shaddix carefully organizes and supplements the material to offer this useful resource which closes the gap between classroom theory and what a pastor experiences in his weekly sermon preparation
